That Body of Yours

By James W. Barton, M.D.

TREATMENT OF SINUS INFECTION BY INCREASING BODY RESISTANCE

When a head cold persists for a long time and the watery discharge turns to mucus, it is usually regarded as sinus infection. The first thought in treatment is the application of drugs that will 'shrink' the lining of the nose and allow more air to enter and ventilate the sinuses. Sometimes surgery is required before a good passage through nose and throat to lungs is obtained. That these persistent head colds—sinusitis—may be due to some general defect or infection of the body is now the belief of our nose and throat specialists.

Drs. George M. Coats and William Gordon, in the Philadelphia Number of Medical Clinics of North America, state:

In view of the fact that many cases of sinus disease are caused and kept in an active condition by some infection in one or more systems of the body, it is important that a thorough general physical examination be made including blood studies, tests for syphilis, tuberculosis, the percentage of sugar in the blood, anemia, the working of the heart and kidneys, the blood pressure, the gland system, and tests of the working ability of the liver, kidneys, and heart.

"Every method should be used to raise the resisting powers of the sinus itself and of the whole body." These methods include diet, rest, clothing, exercise and other health habits. The diet should include fresh vegetables and greens, cod liver oil or its equivalent, milk, cream, butter, fruits.

Exercise—attention to posture (standing and sitting tall), breathing exercises, as well as massage, hot and cold baths, and sun lamp treatments all help to raise the general resistance of the body. The increased circulation of richer and purer blood will strengthen the resistance to infection of the lining of the falls of the sinus.

Sufficient sleep, regular periods of rest and relaxation, will greatly aid the various working processes of the body and restore some of the lost reserve power.

"Proper clothing and avoidance of chills and drafts prevent further lowering of the resistance of the body. Mental hygiene, by cultivating poise and calmness, promotes vigor and prevents mental and physical depression."

It will come as a surprise to many who think the treatment of sinus infection consists of the use of substances to shrink the lining tissues or of surgical operations to know that the building up of the general resistance of the body is such an important factor in successful treatment.

HEAVY SNOWFALL—There was no Easter Parade in Charlottetown yesterday as a north wind swept across the Province bringing a four-inch snow fall. Not many coats and fancy bonnets but heavy coats and overcoats were in order. The same conditions prevailed throughout the Province. The temperature reached a point only two degrees below freezing, bringing hope the snow would turn to rain. Last night, however, the wind shifted to northwest and the temperature dropped to 24 degrees below zero. Wind velocity during the day was 25 miles-per-hour but last night it was down to miles-per-hour. Last year the same date the temperature was four degrees above freezing and both rain and snow fell, according to Mr. Warren Brown, meteorologist at the Charlottetown Experimental Station.

THE BAPTIST CHURCH

An exceptionally large congregation in attendance at the Easter service of the morning which opened at 10:45 with organ and violin music by the organist and choir director with selections from Bach and others. The Rev. Harvey Denton, B. D., took as the subject of his Easter message "After Calvary—Going On." Saint Luke 24:15, tells of the journey to Emmaus while they communed together and reasoned, Jesus himself drew near, and went with them." It is a startling statement, made by a reputable physician, He who was spoken of had, three days earlier, been done to death and now comes the testimony that he lives and goes on. Jesus lives and goes on and is therefore near to every disciple of his. No one has ever honestly sought the Christ but has found Him, not a dead Christ but a living Lord, God, the Spirit of Truth came down to be incarnated in His Son who reveals the truth to us. Because Jesus lives and goes on those who follow him become men of the burning heart. As with the companions of the Emmaus road they may have something of that divine fire, that living light, may we walk with him, learn his truth,

have within us the burning heart. At this service sixteen young people received the scriptural ordinance of believer's baptism. The music of the morning included three notably expressive anthems by the choir, as well as a solo, "Alleluiah," by Miss Vera Campbell.

Among the profusion of beautiful flowers of the day, those placed at the baptism were in memory of Miss Blanche Boyer, placed there by her sister Mrs. Pickard. The evening service was almost entirely choral including Shaw's anthem "Arise in Us," Thatcher's "Come Ye Faithful," Wesley's, "Blessed be the God and Father," Miss Pearl Burns sang "Hallelujah," "He was despised," Miss Campbell sang Boyton-Powers' "O Man of Sorrows," Mr. Sterns, O'Connor's "Alleluia."

Following thereafter was the largely attended Communion of the Lord's Supper at the opening of which those baptised at the morning service received the right hand of Christian fellowship.

ZION PRESBYTERIAN CHURCH

The Sacrament of the Lord's Supper was observed at Zion Presbyterian Church yesterday morning at the 11 o'clock service. The service was preached by the Rev. G. Carlyle Webster, minister. Special Easter music included the anthem "They Have Taken Away My Lord" (Stainer).

In the afternoon Sunday School and Bible Classes were held as usual with the Easter message predominating.

At the evening service Rev. Mr. Webster preached on "Christ, our sufficiency." Text was Matt. 28:20, "Go ye into all the world and teach all nations and lo, I am with you always even unto the end of the age."

This legacy, referred to in the text, was the great gift of the Rev. Mr. Christ to his Church, the minister said. It is his gift of companionship in their daily life, of help for every battle, of grace for every test and of power for the carrying out of his commission. Christians were to be reading epistles of the Gospel of Christ, Rev. Mr. Webster declared.

Special music included the Easter Anthem "Christ is Risen," "Let Us Sing" by the adults and Junior choirs, Mozart's "Gloria" and a vocal solo "I Know That My Redeemer Liveth," Mrs. Arthur Roper.

ST. PETER'S CATHEDRAL

The Altar of St. Peter's Cathedral was beautifully decorated with hangings, lights and flowers for the great festival of Easter. Large numbers made their communions at the 7 and 8 o'clock celebrations. There was a choral celebration of the Holy Eucharist at 11 o'clock and for which service the Cathedral was filled.

At evensong there was a good congregation present, and at the close of the service the procession took place after which the Te Deum was sung before the altar.

The Rev. Canon M. E. Malone, preached appropriate sermons at the 7 and 8 o'clock services. Canon Malone was assisted by Mr. A. P. C. Rees.

TRINITY UNITED CHURCH

Trinity Church was tastefully decorated with appropriate and symbolic flowers for the Easter Sunday service. In the morning, Rev. Hugh Millar spoke briefly but fittingly from Psalm 32:7, "thou shalt compass me about with songs of deliverance." The minister allowed that at the Easter tide the proper spirit is the singing spirit, singing songs of the deliverance from the power of death which was given to the world by the Resurrection of Jesus Christ.

At the evening service Rev. Mr. Millar, taking as his text the words in Job "I know that my Redeemer liveth," preached a fine sermon in which he showed that in proving the age-old dream of mankind, the immortality of the soul, gave the greatest source of strength.

The Sacrament of the Lord's Supper was administered at both services to a very large number of participants.

The morning Anthem, "The Dawn of Redemption," a setting by F. Colver of the text beginning "As it began to Dawn" was exceptionally well sung by the choir with Mr. Harvey Macpherson as soloist. In the evening this anthem was repeated and in addition two others were presented, "The Day of Resurrection" by Paul Ambrose, a setting of the well known hymn, "Solo Solo Wood took the soprano solo and this pleasing anthem was well performed. During the offering the choir rendered "Christ the Lord is Risen Again," which is an adaptation by W. R. Voss of an old French melody. The organ accompaniment was by the organist, selections included "Jubilate Deo" by Alfred Silver—"The Andante" from Sterndale Bennett's Fourth Concerto "Hosanna" by Dubois and "The March on a Theme of Handel"—Cutman.
