SCOUT NEWS AND NOTICES

We wish all Scouts and friends of scouting a Happy New Year.

Our Objective for 1931—
We have now 150 Cubs and Scouts in Prince Edward Island who are active. We want 200 by the end of 1931.

To get this means that 150 Scouts must be better Scouts.

We want more good leaders.

And for extension work, we will need funds, and to raise this a special financial committee will enroll at least 100 associate members during February. Any person who is a friend of Scouts and would like to receive facts on Scouting in this province, may become an associate member by paying \$2 or more to the Provincial Secretary Treasurer for Boy Scouts.

We want every Scout registered. Lone Scouts and Bedeque troop have led the way.

Plans are already being made for a bigger and better Scout camp on July, 1931, last year 36 were enrolled from all troops in the Province. Requirements for camps are, the boy must be a scout and have his parents consent.

It is also the intention of the Provincial Scout Secretary to put on in February or March the third unit of the Gilwell Indoor Training Course for leaders. The first two units were taken last March.

This unit includes three evening's instruction and it is hoped that all leaders will take advantage of this training.

SCOUT DIARY

Every Scout should have a copy of the 1931 Scout Diary; this contains much useful information for Scouts.

NEW TROOP

One meeting has been held in the hall of the Church of the Holy Redeemer to organize Scouts in that Parish, and it is hoped that they will soon be on the way to good Scouting.

W. I. MEETING—The monthly meeting of the Sturgeon Women's Institute was held on the evening of Dec. 10th at the home of Mrs. Hugh Collings. The meeting opened by singing the Institute Ode, followed by calling of roll, which was answered by "Our favorite Christmas dinner," also paying of nickel. Minutes of last meeting were read and approved. Committees heard from, decided to scrub the school room on Friday evening, also to pay for a treat taken to a sick child. New committees appointed: Mrs. Maurice Daly and Mrs. Earl Llewellyn to visit the sick. Mover and seconded to buy silver mugs for two young children in the district. Program for the evening was as follows: Monologue, by three members, Mrs. Hugh Collings and Misses Muriel and Mary Collings, entitled "Neighbors"; Vocal music, by Mrs. Leigh Wight and Mrs. Earl Llewellyn, entitled "The Coon"; also a reading by Mrs. Hugh Collings. Sixteen members were present. Meeting closed with the National Anthem, after which Mrs. Collings served a dainty lunch. Next meeting to be held at the home of Mrs. Philip Creed.

SCHOOL CLOSING—The pupils of Savage Harbour staged their annual Christmas Concert in the school room on Tuesday, Dec. 23rd. Due to the very inclement weather, the audience was much smaller than would ordinarily be expected on such an occasion, but what the audience lacked in size, they made up in due appreciation of the very excellent entertainment provided by the pupils. The high standard of the various numbers and superior manner in which they were presented, reflects credit on the teacher, Miss Corbett, and shows the great care taken by her and how she gave of her time to make the concert such a huge success. The room was decorated in the conventional Christmas style, with wreaths, holly, bells, and variously colored lights, near the stage stood the Christmas tree well laden with presents, which heralded Santa Claus' arrival. When the concert had been concluded, a commotion was heard without and the door was opened on no less a personage than Santa himself. In his usual bustling manner, he presented the pupils with many gifts and after wishing everyone present a Merry Christmas, he was soon on his way. The entertainment was then terminated by everyone rising to sing the National Anthem.

COLDSTREAM GUARDS NOT SO TALL

LONDON, December 31. Soldiers seem to be growing shorter these days. At any rate, the Grenadier and Coldstream Guards, lacking six foot canuats, have lowered the height requirement to five feet eleven inches for the Grenadiers and five feet eight and a half for the Coldstream Guards.

An aphorism of the drama: All characters must be in the right—Hebbel.

Miss Dora Doyle is spending some time at the home of her parents Mr. and Mrs. J. F. Doyle, Point de Roche.

Miss Lottie Garret, teacher at Point de Roche, is spending some time at her home in Charlottetown.
