Erie System June net operating income $1,552,980 against $411,453 in June 1932. Six months $4,691,005 against $3,739,707.

Sales of Plymouth Cars by dealers in United States in week ended July 15, totalled 6,673 units, increase of 19 per cent over previous week and 90 per cent over like 1932 week.

California Crude Oil output during week ended July 22nd averaged 491,425 barrels daily up 3,725 over previous week and highest since June 1932.

R. L. Polk and Co. reports June auto sales in 32 states as 101,516 units against 90,308 in May and 88,255 in June 1932. Total sales for all states estimated at 170,000 units against 160,242 in May and 148,752 in June 1932. Six months 678,000 units against 663,625 in first half 1932.

July 24. Wall Street Mirror says: The action of the market on Saturday showed that support and fresh buying had finally begun to make itself felt. Saturday was another day of enormous volume, but price fluctuations were narrow in comparison with the previous days. With the market therefore reaching the stage where it is sold out, traders and those investors who missed the stocks they wanted to buy when the market began its uprise earlier in the year, should be on the buying side today.

The fire recoil from an oversold condition could very easily carry the market sharply upward from seven to ten points as measured by the averages.

Standard issues were thise most favored by buyers in the Saturday market. Some buying came into specialities where buyers had a knowledge of what the respective companies were doing in the matter of earnings.

Metal shares, as a group have given what might be termed a good account of themselves in comparison with the wide open breaks elsewhere.

The trade news now is showing a tendency to get spotty, steel is still operating around its top levels, but new business is slowing down. Railroad traffic and electric energy output continue to rise.

A few issues on the stock exchange have stood out by their refusal to give ground. One of this type is U. S. Smleting, which has met steady buying. Some of those issues which only recently have had a reason for advancing, namely earnings, have suffered just as much as those which were over-bulled. Stocks of this type are again on the bargin counter and should be thoroughly investigated by the long buyer.

The late opening rule instituted by the stock exchange for the week should do much to help along stabilization." Mirror.

MORNING MARKET LETTER

Trading continued heavy Saturday morning, but pices generally were maintained above the previous day's lows.

Irregularity characterized the trading late in the morning when a fair rally developed.

The absence of a large short account and margin selling probably accounted for the failure of a sharper rally to develop. Possibly the natural rally following such a sharp decline will develop today. Laidlaw Company.

PRODUCE

(Canadian Press)

MONTREAL, July 24—A generally easier tone prevailed on the Montreal dairy and produce market today, with prices fractionally lower than last week's close. Trading was quiet and light receipts accounted for the lowering of quotations.

Wholesale butter prices shaded a quarter of a cent from Saturday, no 1 butter in carlots or less selling at 19¾ to 20 cents a pound. Arrivals totalling 385 boxes.

The egg market was generally 19 cents a dozen for extras, 15 cents for firsts and 12½ cents for seconds for graded shipments in carlots or less, half a cent off from Saturday's final levels. A total of 229 cases was offered for sale.

Cheese prices were a shades easier at 11¼ cents a pound for Ontario cheese and 10¾ cents for Quebec. Receipts were 1904 boxes.

New potatoes were 20 to 30 cents cheaper per 80 pound bag, new Quebec stock becoming $1.00-$1.10. Old potatoes are scarce and dearer than new potatoes. Maritime stock being generally quoted at $1.35 to $1.45 for 80 pound bags.

LIVESTOCK

(Canadian Press)

MONTREAL, July 24—Offerings on the two Montreal livestock markets today totalled 5,980. Receipts were composed of cattle 1,791, calves, 1035, sheep 1709 and 1,654 hogs.

There was a sharp increase in the number of cattle received for sale. Practically all grades were represented but there was too large a percentage of slippery grass cattle.

The hot weather, no demand for the kosher trade and the increased supplies brought obout a virtual stale-mate in trading. Early sales amounted to less than 20 cattle.

There were but few early calf sales. Common light grassers were about steady while other grades were moving slowly at lower prices. A few small lots of good quality calves were weighed up at $4 to $4.25 with common thin light grassers as low as $1.75 in between kinds were hard to sell.

Medium good to good lambs brought $7.25 to $7.50 with one lot of the best lambs at $7.75, with culls out at $2 per cwt. Plain to medium quality lambs in mixed lots were sold for $6 to $7. Sheep were unchanged at $1 to $3 accordingly to quality.

Hogs were selling slowly. At one time of writing 400 and 500 hogs were sold at $5.50 to $6.75 for bacons and butchers. Select bacons brought $1 per hog premium and sows were from $3.50 to $4.50 according to quality.

TRAINOR-KELLY — On Wednesday morning, July 5, a picturesque wedding took place in St. Patrick's Church, Fort Augustus, when Miss Veronica Louise, second daughter of Mr. and Mrs. William Trainor, Johnston's River, became the bride of Mr. Albert Kely, son of Mr. John Kely and the late Mrs. Kelly of Charlottetown. As the bride, who was becomingly gowned in white satin and lace, with bridal veil and carrying a bouquet of white roses, entered the church on the arm of her father, by whom she was given away, her sister, Miss Ruth presiding at the organ rendered Lohengrin's Wedding March. The bride was assisted by her sister, Miss Mary, who was daintily gowned in maize georgette with hat to match and carried a bouquet of pale pink roses. The groom was ably supported by his nephew, Mr. James Lund. During the ceremony which was performed by Rev. P. D. Croken, girl friends of the bride sang appropriate hymns. Immediately after the nuptial mass breakfast was served at the home of the bride to the immediate relatives and friends of the contracting parties. Previous to her marriage, Mrs. Kely was tendered a miscelaneous shower at the home of her parents. The representative bride and groom, little Miss Mary Quinn and Vincent Murnaghan waited on the bride elect while Miss Hilda Halloran and Mrs. J. J. Trainor read the verses and made the presentations which were thankfully acknowledged by the recipient. Mr. and Mrs. Kelly will reside in Charlottetown. Their many friends wish them every success and happiness.

WANTED — TWO OR THREE boarders for summer months in country home. Good bathing. Transportation provided. Apply Guardian. 1945-7-22-3i.

NEW YORK, July 24—Albert Dubriel, who keeps bees on his roof, answered the complaint of neighbors, who said his bees sting.

"These bees." said Dubriel, "are good bees. One of the tenants went up on the roof to take a sun-bath with no clothes on. The bees covered his body but didn't sting him. They have to be pretty sore to sting. After bees sting they die, and they know it."

Magistrate Mason said he'd pass the case to some judge more expert on bees
