FIND ALL-BRAN HAS TWICE THE USABLE IRON IN LIVER

Also Furnishes "Bulk" and Vitamin B to Overcome Common Constipation

Liver is known as a good source of iron for the blood. Now, new tests show Kellogg's ALL-BRAN contains twice as much blood-building iron as an equal amount by weight of beef liver.

But more important still, laboratory experiments show ALL-BRAN provides "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract.

This means Kellogg's ALL-BRAN is a fine way to overcome constipation — with the headaches, loss of appetite and energy that so frequently result.

The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it absorbs moisture, forming a soft mass, which gently clears the intestines of wastes. Special cooking processes make ALL-BRAN finer, milder, more palatable.

How much better than risking pills and drugs — so often habit-forming. Just eat two tablespoonfuls of ALL-BRAN daily for most types of constipation. It is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.

Appetizing recipes on the red-and-green package. At all grocers. Made by Kellogg in London, Ont.

Moulton, when she was 85 miles from land, was resumed at Compton's undertaking parlours on Tuesday faternoon before Dr. E. T. Tanton, coroner. Dr. J. A. McPhee, who had made an autopsy of the body the night before, gave evidence that he had gone out to the vessel, which was seven miles off the shore at Seaview, in company with Mr. Thane A. Campbell, K. C., of Summerside, and that they had found everything in order. The captain told him how the deceased had been taken suddenly ill on Sunday morning and had passed away shortly before 10 o'clock Sunday night. They were then 85 miles from shore. They came within the three mile limit and flew their flag at half mast. Dr. McPhee took the body ashore to the Darnley side of Malpeque Bay, where an inquest was held. Dr. McPhee stated that upon examination he found that the deceased had evidently suffered from severe gastritis followed by peritonitis. He also stated that he had attended the deceased in March for the same trouble. Mr. Clovis Perry gave evidence that he had been hailed by the Captain of the schooner and asked to notify the authorities that Ernest Clow had died aboard their vessel. The jury returned a verdict of death from natural causes in accordance with the doctor's evidence. S.

Mr. Charles Carbonell was appointed chairman and Mr. E. Riggs, secretary of the meeting. The chairman explained that in view of the recent building activities due here on and after June 1 there would likely be an army of men crowding into the city seeking work and residents will be crowded out.

Criticism was advanced of pensioners having a 50 per cent disability competing with unemployed who had no resources.

Mr. J. F. Arsenault claimed that neither the Federal or Provincial Governments were giving the unemployed a fair deal when they gave the poor man $1 a day and the rich man $9.00. It was suggested an office be opened in the Market Building to attend to the interests of the unemployed.

In the sudden death of Mr. Theophilus D. Ramsay at his home on May 24th, Summerside has lost an honoured and highly esteemed citizen. Mr. Ramsay had not felt very well last Saturday but was much better at the beginning of the week and was about as usual. On Victoria Day he took out his car and drove with his wife and some friends to Lot 16. They returned early in the evening. About 8 o'clock he was in the kitchen, apparently about to get a drink of water, when he collapsed. His wife, who was the only other person in the house, heard him fall and ran to his assistance. She called for help and a doctor was sent for, who on his arrival found life to be extinct. His very sudden demise is a terrible shock to his wife and son, Vernon, of Campbellton, N. B., who arrived home on Wednesday evening, and his many friends.

The late Mr. Ramsay was the son of Archibald Ramsay of Lot 16. He came to Summerside when nineteen years of age and entered the employ of Sinclair and Stewart's, founders of the present firm of Sinclair and Stewart's, Ltd. His genial disposition and splendid business ability won for him the esteem of his employers and when Mr. Neil Sinclair retired he became a partner in the firm. He has remained with the business ever since and to his keen business methods and courteous manner Sinclair and Stewart's owe much of their success and popularity. When the firm was incorporated in 1916 he was made a director and at the time of his death was vice president of the firm. He was a man of sterling qualities and one which Summerside could ill afford to lose. His home, church and business was his life's work. He was always on the look out for new ideas and for that reason was very active on the Summerside Board of Trade, especially in its earlier days.

He was a faithful member of the Presbyterian Church and did a great deal to hold the church together in the troublesome days of the Union. Of a quiet though firm disposition, his opinion was sought by ministers and laymen in matters pertaining to the church work. For many, many years he was clerk of the session and head of the choir and his place will be hard to fill in that capacity. He was a staunch adherent of the Liberal party although he took no active part in politics. He was also a director of the Pioneer Publishing Company. He was very charitable toward all those in need. A lover of the quiet home life he was most happy attending to his garden. There are left to mourn a devoted husband and father, his widow, formerly Emily Collwell, and his son, Vernon; also one sister, Miss Elizabeth Ramsay of Montreal, and two brothers, John of Gleichen, Alberta, and William of Charlottetown, to whom sincere sympathy is extended. Rev. Mr. Archibald of Bedeque is a nephew of the deceased. S.

ISLAND NURSES GRADUATE—Among those to receive diplomas at the recent graduating exercises of The Presbyterian Hospital, New York City, were Miss Christine MacDonald, Kilmuir and Miss Muriel Ross, Fortune Bay, P. E. I. The exercises were followed by a reception at the Anna C. Maxwell Hall, the Nurses residence. Among those to attend was Mrs. Ross of Fortune Bay.

ISLAND LADY PASSES—The death took place in Nanaimo, B. C., on 14th May of Sarah Kinnear Nelson in her eightieth year, widow of the late Captain Albert F. Yates. A son, Arthur, and a daughter, Ethel, reside in Nanaimo. Sisters here of Mrs. Yates are Mrs. L. S. MacNutt and Mrs. F. W. Hyndman. Another sister Mrs. (Dr.) Mewburn resides in Toronto.

Citizens of Charlottetown were shocked to learn of the sudden death yesterday morning of Mr. Edward D. Sterns, who passed away at his home about nine o'clock.

He leaves to mourn, a widow, nee Miss Mary Currie of Long Creek, and one son, John E. of this city; also one brother, Harvey Sterns of Charlottetown, and one sister, Mrs. J. E. Sterns of Dartmouth, N. S.

The family will receive the deep sympathy of their numerous friends in city and country, more especially since the hand of sorrow has fallen very heavily upon them within a short time. On Sunday a beloved son, Edison Sterns, a veteran of the Great War, passed away in the Prince Edward Island Hospital.

A brother of Mr. E. D. Sterns, Mr. Harvey Sterns, is at present very ill at his home in this city.
