AVIATOR GARDINER DROWNED IN KEOKAS

(Canadian Press) ROCHESTER, June 23.—Fred P. Gardiner of Portland, Me., an aviator, was drowned this afternoon in Lake Keoka when his aeroplane fell 150 feet.

The aviator had executed a number of brilliant manoeuvres and was turning to go back over the course when he banked too sharply and the machine fell upside down into the Lake. Divers failed to recover the body.

THE MIDDLE WAY.

Probably one of the bits of advice Adam handed to his children was: "The middle way is the safest." At any rate, so far back that the memory of man runneth not to the contrary, this proverb has been in use, ever respected by the old, ever disregarded by the young.

When Socrates was asked to give in a nutshell the gist of his philosophy, he answered: "Nothing too much."

The famous prayer of Agur was: "Lord, give me neither poverty nor riches!" All creation is a balance of forces. Happiness, success, religion are forms of balance.

Joy is not a solid thing like a stone or a house, it is a moving, going product, like a bicycle or a spinning top. It is not something you can get, or that any one can give you; it is an art that you can learn. Says Katherine Tynan:

I thank God when I kneel to pray That mine is still the middle way, Set in a safe and sweet estate Between the little and the great, Not troubled with wealth's cares, nor yet

Too poor, where needs that cark and fret Push out sweet leisure and green nooks

And give no chance for talk and books.

—Dr. Frank Crane in Woman's World for July.

HUSBAND TIRED OF SEEING HER SUFFER

Procured Lydia E. Pinkham's Vegetable Compound, which made His Wife a Well Woman.

Middletown, Pa.—"I had headache, backache and such awful bearing down pains that I could not be on my feet at times and I had organic inflammation so badly that I was not able to do my work. I could not get a good meal for my husband and one child. My neighbors said they thought my suffering was terrible.

"My husband got tired of seeing me suffer and one night went to the drug store and got me a bottle of Lydia E. Pinkham's Vegetable Compound and told me I must take it. I can't tell you all I suffered and I can't tell you all that your medicine has done for me. I was greatly benefited from the first and it has made me a well woman. I can do all my housework and even helped some of my friends as well. I think it is a wonderful help to all suffering women. I have got several to take it after seeing what it has done for me."—Mrs. EMMA ESPENSHADE, 219 East Main St., Middletown, Pa.

The Pinkham record is a proud and honorable one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Tea At Elmira

The parishoners of East Point intend holding a former Tea at Elmira Station on Wednesday July 9th, in aid of their church which is undergoing extensive repairs this summer.

Their Tea held at the same place last summer was a decided success in every way. All who came had none but words of praise for the generous way they were entertained by the managing committee, and by the parishoners in general.

ELMIRA, the terminus of the Eastern railroad is a beauty spot, and all who desire a pleasant day should attend.

Special trains will be run from Summerside, Charlottetown, and Souris.
