### Economy Centre Of the City

Not many firms have to their credit such a record of success and this success is due to an unflinching faith, a desire to serve and a clever foresight into the future—qualities which were manifest in the late Founder of the Business and are still to be found enhanced and stronger if possible.

### If Nobody Cared What Would Happen

We would not have such worthy institutions as our Hospitals and Orphanages.

Our Hospitals are a credit to any Province, our Orphanages are without a doubt the best in Eastern Canada.

But the good people of this Province cared, that's why you have your institutions which we are all proud of, but there is always a need of money to keep them going properly. That's why we put on our Anniversary Days to help finance these worthy institutions, but we must have your loyal support to make this sale a success.

### Let Your Heart Define the Limit

Of your donation. Your every purchase here means that 10 per cent goes to these worthy Institutions.

We will do our share by giving you Real Value for your money. Now you do yours, by buying all you can here on our Anniversary Sale Days. 10 per cent of total Two Days Sales to Hospitals and Orphanages.
