Childhood Dangers

No symptom that indicates any of the ailments of childhood should be allowed to pass without prompt attention. The little ailments may soon become a serious one, and perhaps a little life passes out. If Baby's Own Tablets are kept in the house minor troubles can be promptly cured and serious ailments thus averted. And the Tablets can be given with equal safety to the best born babe or the well grown child. Mrs. H. Gendron, Martinville, Que., says: "I have used Baby's Own Tablets and have found them in every way satisfactory. I always feel safe when I have them at hand." Sold by medicine dealers or by mail at 25c a box from The Dr. Williams Medicine Co., Brockville, Ont.

UNDER TWO FLAGS

Public interest in "Under Two Flags" has been reawakened by the news of the death of the eccentric author of the novel, "Ouida", a few weeks ago at Florence, Italy, in the most abject poverty. A quarter of a century ago, a new novel from the pen of "Ouida" was looked forward to with more eagerness than that aroused by even the best of the six sellers today. Then she stopped writing and disappeared completely from public view. "Under Two Flags" is particularly timely and the presentation at the Opera House on Monday June 8th will be a special interest to local theatre-goers. Miss Louise Coleman, a talented young New York actress, will head the cast appearing as Cigarette, the role in which Miss Blanche Bates scored her first big success in New York a few years ago. The supporting company is of the best and the entire production is of a standard too seldom seen in this city. Charlottetown is the only stand on the island that this company will play, coming here from Amherst and returning to New Glasgow on their way to a weeks engagement in Halifax.
