"It's All Yours" At The Capitol

With Madeleine Carroll, Francis Lederer and Mischa Auer heading a stellar cast with a scintillating story with a ripping, romantic comedy entitled "It's All Yours," the picture which opened yesterday at the Capitol Theatre.

The story opens with the arrival of Jimmy Barnes (Francis Lederer) in America from Europe to join the law firm of his uncle, Jimmy is immediately advised to get the European "bug" out of his system by going to a career. This he proceeds to do so diligently that he soon becomes America's playboy No. 1. The uncle, a great deal of worry, finally arranges with his partner, Dunce (Charles Woldron), to fake a wife in which he leaves his millions to his beautiful but unsophisticated secretary, Linda Gray (Madeleine Carroll). He dies with the thought that his plan will eventually bring Jimmy and Linda together. Meanwhile, Jimmy continues to paint the country red in the company of his actress girl friend, Connie (Grace Bradley).

The real fun starts when Linda gets the money and, in an endeavor to bring Jimmy around to leading a constructive life, goes to Broadway publicity and becomes a broad-way butterfly. There she meets Eric (Mischa Auer), a penniless French Baron with a fortune-hunting complex. Despite the peculiar situation a warm friendship grows between them with a resultant kickback from Jimmy.

"It's All Yours" shapes up as one of the outstanding pictures of the year and offers an unprecedented combination of comedy, love interest and fast action.

After the guests had assembled, Mr. Russell Scott, acting as chairman, very capably stated the purpose of the gathering and called upon Mr. Frank Lund to read the following address which was accompanied by the gift of a beautiful mantle clock presented by Mr. Driscoll.

Mr. and Mrs. Andrew Morrissey: Dear friends, — Learning that you have disposed of your farm and intend to return to Vermont, we of another locality, we your friends, do most cordially and warmly welcome you to our town and vicinity and are regretful to lose you and to offer some of the recognition of our esteem and respect.

During the years you have been with us you have endeared yourselves to us all by your admirable character, your business manner, and your generous help.

As friends and neighbors your loss will be felt throughout the whole community.

We are very sorry Mr. Morrissey, that all these years you have been one of the most progressive farmers to give up your chosen avocation, but we sincerely hope that you will be spared to enjoy many happy years in your well-earned retirement.

In conclusion we ask you to accept this gift and in the days to come, as it tells you of the passing of the hours may it also serve as a reminder of the pleasant associations we have had and of sincere friends left behind.

We remain yours in behalf of all.

After the formal address was read, the chairman called upon several individuals for brief remarks. Each spoke in the highest terms of the esteem in which those who remained were held during their sojourn in this vicinity.

After Mr. and Mrs. Morrissey had graciously acknowledged the gift and expressed their appreciation, the chairman of the evening was spent in dancing, instrumental music and social intercourse. Refreshments served by the ladies were much enjoyed and appreciated.

TRUE FRIENDS

In poverty and other misfortunes of life, true friends are a sure refuge. —The young they keep out of mischief; to the old they are a comfort and aid in their weakness. —The true friend is the one who is in the prime of life they invite to noble deeds. —Aristotle.

WAKE UP YOUR LIVER BILE

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not freely flowing, your bowels are clogged. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons get into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't always get the bowels clean. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely down your bowels. It's "up and up." Harmless and gentle, they make the bile flow freely. They do the work of a cathartic, but they are not cathartics. Ask for Carter's Little Liver Pills by name! Satisfactorily saving anything else. 50c.

Rotary

At the Rotary luncheon yesterday the guest speaker was Dr. Leslie Grossmith, of London, Eng., educationist and musical artist. Dr. Grossmith expressed his pleasure of again returning to Charlottetown. His intention was to lecture in the schools, but owing to the lateness of the season it was not possible to make the necessary arrangements for this season, but the school board promised to give his request consideration at the opening of the next term.

He told an interesting story of his musical training, a ter which he played on the piano "Concerto in G Minor" by Mendelssohn, a brilliant musical number which he presented by the juvenile talent of Charlottetown, under his personal direction.

With letter from Dr. Grossmith follows:

Mr. A. R. Cooper,

Dear Sir: No doubt you have read recently in the local press that we visited here in 1912 and produced a musical comedy with local talent. The comedy was produced at the Opera House, which proved a tremendous success in every particular.

I feel writing to suggest a big representation of a world famous Comic Opera to be performed entirely by juveniles of Charlottetown and consider staying over long enough to make it, as it was in 1912, the greatest success Charlottetown has ever known.

I feel the suggestion will meet with popular appeal, so I will not delay with details here, but defer that for consideration under the special committee.

Very truly yours,

LESLIE GROSSMITH

President-elect of the Rotary Club, Ottawa, Ontario, Canada.

The following chairman of committees announced the names of their fellow members and the functions of the committees: Don Archibald, Classification; Alfred Fisher, Membership; Walter Grant, Fellowship; Alfred Fickler, Attendance; R. H. Rogers, Rotary Information; J. E. Stems, Program.
