Free from Alcohol

Since May, 1906, Ayer's Sarsaparilla has been entirely free from alcohol. If you are in poor health, weak, pale, nervous, ask your doctor about taking this non-alcoholic tonic and alterative. If he has a better medicine, take his. Get the best, always. This is our advice.

We have no secrets! We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

Head Offices in New Prowse Block—Charlottetown

HON. L. J. TWEEDIE, the new Governor of New Brunswick, is an uncle of Mrs. Prowse, wife of Mr. A. P. Prowse, M. P. P. of Murray Harbor.

Rev. Jas. McDougall will preach (D. V.) at Summerside on Saturday the 9th at 7.30 p.m. and on Sabbath the 10th at 10.30, Searletown at 3, and at Cape Traverse at 7.

AT the regular meeting of the L. P. U. Feb. 25th, James MaKenna was installed vice president to fill the place of James A. Trainor whose resignation has been received.

THE S.S. Minto is still imprisoned in the ice in the straits near Pictou Island The following passengers left the steamer yesterday and walked to Caribou: T. J. Cook, J.A. McLean, A. McLean, H. P. Dupont, G. Gallant.

THERE was crossing both ways at the Capes yesterday and a large mail arrived in Charlottetown in the afternoon. The passengers who crossed over from the mainland included P. D. Bowlan, M. L. A., the members of the Abegweit Hockey team and five others.

ON Monday in the Local Legislature Mr. Mathieson will ask the Premier to table the correspondence between the Provincial Government and the Dominion respecting the claim of the Island to a share of the Fishery award. Hon. F. L. Haszard will introduce a bill to enable the city of Charlottetown to provide a new jail site.

AMONG the passengers who crossed by the ice boats from Cape Traverse to Cape Tormentine on Wednesday were the following ladies: Mrs. J. C. McCarthy, Miss M. Bain, Miss Birdie Stevenson, Miss Annie Sullivan, Miss C. McLeod and Miss Fairclough. All these ladies speak in terms of gratitude regarding the careful attention received from the men in charge of the boats. Everything possible was done for their convenience and comfort and a more interesting and enjoyable trip could not be experienced.

THE Dawson City Daily News of the 9th of February contains the following about a farmer resident of Wood Islands: "Sergeant McMillan has been made chief of the Dawson city police, and has assumed charge. Corporal Mapley and Constable Morgan have also been added to the force. Sergeant McMillan, the new chief of police is one of the old-time men at the town station He has served there for years and is one of the most skilled men in the police service. He made a good record when at the town station, and was the most efficient man there under Sergernt Frank Smith. During the last year McMillan was quartermaster sergeant at the Dawson barracks, but was too valuable for police work to leave in the store."

A NOTABLE EVIDENCE of the manner in which the city of Regina has developed in appearence of late years is afforded by a sumptuously printed and illustrate booklet. issued by the Regina Board of Trade. In its pages are pictures some of the public buildings of Regina, street scenes, residences, industrial concerns, and also some views of the surroundings of the city. They all indicate growth and stability, but the views are lacking in that delightful natural charm which animates every picture that is taken in this garden province of the Gulf. After all is said the charm of scenery is an attraction which makes dear to the heart of man his native home and the bare if handsome and substantial business blocks of Regina do not appeal to the eye as do the views of his fair Island.

TO-DAY two more boats will be added to the Capes service bringing the total number of boats employed up to fourteen, making seven boats to and seven from the Island each day. There is a lot of mail accumulated at Cape Tormentine, and it is hoped some of the delayed matter may be gained upon if the weather keeps fine, but with so many passengers coming to the Island by this route the boatmen find their hands pretty well filled. Postmaster Whear has had the mail clerk from Sackville brought to Tormentine and the most important mail will be forwarded by the boats which cross today. Mr. Lord is to be commended for placing on the route as many boats as could possibly be pressed into service, and there is every probability that if no snow occurs, there will be fine crossings for the next few days.

THE temperance friends at Kensington had expressed a wish that Mr. Tennyson Smith would visit the village immediately after the campaign in Charlottetown, and as soon as the lecturer learned that the meetings in this city were to be stopped he called up one of the Kensington ministers over the telephone and apprised him of the fact. He also asked if they would be ready to commence tomorrow, and had a reply in short time that the committee would be prepared to do so. Mr. Smith will speak in the Presbyterian Church on Sunday afternoon at three o'clock and in the C. M. B. A. Hall in the evening at 7 o.clock, when there will be a united rally of the churches. The meetings will be continued until Thursday night, when the lecturer's special subject will be "The Humorous, Pathetic, and Tragic Phases of Life." In conclusion will be given the famous tug-of-war, which caused so much interest on Thursday evening here.

THERE has been good time made in effecting the repairs to the S. S. Stanley in port at Georgetown, and she was expected to leave today for Pictou, weather permitting.

THE train which left Tignish on the morning of Thursday when the beautiful snowflakes were falling, has been deliberately held up ever since, but late last night it had progressed as far as O'Leary on its way to Charlottetown. It was expected to arrive at 2 o'clock this morning. All the other trains were running as usual yesterday.

ACADIA UNIVERSITY won a signal victory in hockey on Thursday night defeating Dalhousie University with a score of 12 to 4. There was tremendous excitement, and the yells of the contending colleges, after each goal, brilliant run or effective combinations, almost lifted the roof. The Dalhousie team was accompanied from Halifax by a good contingent. Gordon Hughes and J. S. McLeod of Charlottetown did magnificent work for Acadia.

THE arrival of the Abegweit Hockey team after their victories in Newfoundland and their less pleasing detention in the iceblocked straits which has delayed them for a week in getting home, was the occasion of a feeling of relief on the part of their many friends and admirers here, a number of whom were down to welcome them when the special from Cape Traverse reached the City yesterday. Doubtless too, the boys are glad once more to be home. They have had a trying and fatiguing experience, but are looking as fit as can be.

ON board of the Minto which has been detained in the Straits by the heavy ice are the following passengers on their way to Georgetown: A. E. Ings, Charlottetown B. Rogers. do; Mrs Montgomery; H. F. THE death occurred at the Charlottetown Hospital, last evening, of Mrs. Patrick Morris, of Tracadie.

OWING TO THE order of the Board of Health of Charlottetown prohibiting the holding of all public meetings in the City E Tennyson Smith who has been conducting a series of temperance meetings in Market Hall will leave the city today in response to a number of invitations from other parts of the Island. He will return later and finish his engagement here. All who have bought tickets for the Trial of Alcohol should simply retain same as the entertainment will in all probability be held at a later date.

THE terrible railway accident which resulted from a collision on the Canadian Pacific twenty-eight miles off Smith's Falls last week on the 1st inst., wherein two express messengers were burned to death and the mails destroyed, will probably be the cause of loss of letters to some people this Province. On that train was mail matter from Chicago, from the State of Michigan, and from Toronto and all east of that in the Province of Ontario. As the fire consumed the mail it will very likely happen that letters which may have been addressed to parties here will be anxiously expected. For the information of its readers The Guardian publishes this information.

YESTERDAY it was found that there was a case of varioloid on Bayfield street the patient being Benjamin McInnis, who is afflicted with a very mild case. Dr H.D. Johnson, the Health officer for Charlottetown has had the house promptly flagged. At a meeting os the Charlottetown Board of Health it was ordered that the City Schools, Churches, places of entertainment and Rinks, be closed till further notice and that no public meetings be permitted. This is generally agreed to have been a good move, and citizens feel very little uneasiness, the instances of the disease being considered of such a mild form; and the complete arrangements of the Board of Health inspiring everyone with confidence.

RHEUMATISM ALMOST KILLED HER.

For years Mrs S. Stahlschmidt of Humberstone, Ont, was a martyr to rheumatism. "I was so stiff and lame I could scarcely walk" she writes. "An attack striking my limbs made walking impossible. Friends and doctors gave prescriptions but I only got relief from Ferrozone. I took twelve boxes and gained from the first. Today I am well, feel stronger, weigh heavier and look the picture of health." Whether muscular, inflammatory, chronic or otherwise, Ferrozone does cure rheumatism and sciatica. 50c per box at all dealers.
