Just thirty-one years ago last Wednesday and Thursday (yesterday) are dates recalled by P. S. Brown, City, Proprietor of the Revere Hotel, as days of interest to those in old time horse racing in this Province. Mr Brown has seen and participated in a great number of races in this and other Maritime Provinces, and his memory serves him well despite the lapse of years he has been interested in. On the first of the dates mentioned above, and at Upton Park, Mr Brown drove Messenger Boy, owned by the late A. N. Large, who competed with and lost to Allright, owned by Newton Lee, and driven by Charles Westcott, in a stallion race. On the same day he drove Lady Belle, owned by the late J. C. Pope, in a running race, and lost to the chestnut stallion Russ Butler, owned by William Church, of Kentville. On the latter date, November 25, 1878, he drove a horse, owned by A. N. Large, in a free-for-all, winning from Discount, owned by Angus McKay, Truro. There are doubtless quite a few whose memory will be freshened on the old-time days in Provincial horses and horseracing on reading the above.

The Military Parade of the Hudson Fulton celebration will be shown at New Wonderland tonight. Do not miss it. It is the second of the series, and will be followed by others, so see them all.

A COMMERCIAL GENTLEMAN FROM THE NORTH OF ENGLAND.

Who has been travelling the Provinces of Quebec and Ontario in the interests of his firm, noticed our Bradley Muffler prices at 49¢ each. He said the Bradley Muffler brings more money elsewhere throughout Canada. Do me up half a dozen, and mail them first English mail?

Just the thing for Xmas Gift for my wife and daughter's friends. They are now on their way, on board the Empress (C. P. R.) on their three thousand mile journey. Perhaps you would like one for your friend in the Old Land. They are something new, novel and purely an American idea. People in the Old Land like American ideas, especially when they come from a Canadian port. Leave us your friend's address to-day, with four cents extra for postage, and we will do it up in a pretty box with a holiday air about it. We have others in cream and colors, not "Bradley," which looks just as good and feel just as comfortable, at 39¢ and 35¢.

The equipment is right up-to-date and the machines throughout are such as we can thoroughly recommend. We sell automobiles as well as bicycles and our plan is to make wheels serve as a good advertisement to the entire business. Send for illustrated folder.
