There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is: get at the cause. If you are constipated, don't fiddle around with makeshift remedies. Find out what's giving you the trouble. Chances are it's simple if you eat only what most people do: meat, bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves soft "bulky" mass in the intestines and helps a bowel movement. If that fits you, your ticket is a crisp crunchy breakfast cereal—Kellogg's All-Bran. It contains the "bulk" you need plus the great intestinal tonic, vitamin B. Eat All-Bran every day, drink plenty of water, and just watch the old world grow brighter! Made by Kellogg in London, Ont.

WOOL WOOL WOOL

The Prince Edward Island Sheep Breeders' Association again offers its services in assembling the wool clip of the Province for co-operative marketing through the Canadian Co-operative Wool Growers, Limited, Toronto.

Last year the volume of wool marketed in this way from this Province more than doubled that of the previous year. This fact indicated confidence in this medium of marketing and complete satisfaction with the prices secured. The Association set the price at the full market level and compelled competing agencies to raise prices to this level. This year, wool prices are low, and farmers may sell outright to the first buyer at a low prevailing price. Sheepmen should take note of this fact, however, that when you sell your wool through the Canadian Co-operative Wool Growers, you not only receive promptly in cash, at time of delivery, the highest prevailing market price, but also the rise in the market until the wool is ultimately sold through an expert sales service at the most favorable periods of distribution. This rise in price will come to the wool patron at a later date.

This year wool will be received after June 10th and the week commencing June 13th will be the Big Wool Week in Prince Edward Island. Our agents will receive wool at various points in the Province at this time.

Do not sell or ship your product until you contact for full particulars, prices, etc.

"CONQUER FEAR"
 SAYS DALE CARNEGIE
 Author of the famous book
 HOW TO WIN FRIENDS AND INFLUENCE PEOPLE

"Fear defeats more people than any other thing in the world. To conquer fear is an important step towards success. If you read the biographies of great men you will find that some were go-getters and some were dreamers. "But there is one quality they all had in common—they all had COURAGE."

"You can't buy courage and you can't get it just by wishing for it. But you can develop it as you would develop a strong right arm. How? Simply by doing the thing you fear to do. "Don't say: 'I'll do this next week'. Do it now."

"Is there someone you are afraid to call on? All right. Call on that person tomorrow. You may be so scared that you will have to walk up and down outside half a dozen times. But don't let your fear lick you again. Walk in and tell the other man what a struggle you had with yourself to get sufficient courage to call on him. "He won't laugh at you. He will like you better for your frankness and respect you for your courage."

Have You Smoked a Turret Lately?

A TURRET is more than ordinarily welcome, at those difficult times when you are trying to screw up courage to do something which you have always been afraid to do. Smoking a Turret gives you confidence—helps to put you at your ease. Turrets are made from choice Virginia tobaccos blended to an original and unique formula which gives them a delightful taste—shared by no other cigarette. Even the Turret package is better—it has a handy calendar on the back to keep you up to date.
