WEDDING BELLS—A quiet but pretty wedding was witnessed in the presence of some near relatives and friends on Dec. 2nd at the home of Mrs. Margaret Simmonds, King St., Charlottetown, when her daughter Margaret (Peggy) was united in marriage to Mr. Norman Birt of Peakes. The wedding ceremony was performed by Rev. M. K. Charman of Mt. Stewart, at the hour of 3 p. m. The bride looked charming in gown of Georgette Crepe and they were both unattended. After the wedding supper had been served and enjoyed, the happy couple accompanied by friends and relatives motored to the home of the groom where a large number of neighbors and friends had gathered for a reception. After a very sumptuous supper had been served a very enjoyable time was spent with a step dance by little (Sonny) Webster, who was not three years of age, and is a nephew of the groom. The violin music for this dance was furnished by Mr. D. D. Birt accompanied by Mr. Leonard McDonald with mandolin. Then followed the wedding reel for which the music was furnished by Mr. Alfred Birt and Mr. L. McDonald. After this act of dancing which was eye-witnessed and enjoyed by all present, regular old-time dancing continued till the early hours of the morning appeared. The many beautiful and valuable presents received will show the high respect and popularity of the young couple. The Guardian joins in wishing Mr. and Mrs. Birt a long and happy wedded life.

Downfall of French Government Hampers Conference Program

GENEVA, Feb. 19 (AP)—The possible effect of the downfall of the French Government dwarfed speeches and programs today so far as the world disarmament conference was concerned.

Andre Tardieu, French war minister and head of his nation's delegation, and Minister of Colonies Paul Reynaud and Air Minister Dumensil began packing immediately to return to Paris. Charles Dumont, Minister of Marine and also a member of the delegation, already has left. Joseph Paul-Boncour, vice president of the French group, is remaining here to carry on.

The fall of the French government during the London disarmament conference interfered seriously with its work, but it was hoped that similar misfortune would be averted at this time.

The conference will go ahead with its general sessions until the list of speakers has been exhausted. Unless the new French government has been composed by next week and the new delegates are on hand, however, the work of the general commission examining and codifying the programs of the various governments will be hampered.

Conference authorities said the French proposals already presented have national backing and whatever changes may result in the French delegation there will not be any alterations in their program.

Legion Recommends Official War History

OTTAWA, Ont., Feb. 19 (By the Canadian Press)—The Canadian Legion of the British Empire Service League is in daily receipt of enquiries from all over the country as to when Canada's official history of the Great War is to be published, said Major John S. Roper, M. C., K. C., President of the Legion, here last night. Major Roper, commenting upon the publication of British war histories, deplored that beyond one supplementary volume issued by the Government several years ago, dealing with the medical services, nothing had been written on the operations of the Canadian corps. Other countries had published voluminous accounts—notably Great Britain and Australia—but on Canadian achievements in the great struggle Canada continued to preserve absolute silence.

No Agreement In Railway Wage Cut

MONTREAL, Que. Feb. 19—(By the Canadian Press)—Representatives of the Brotherhood of Railway Clerks, freight handlers and station employees today met officers of the Canadian Pacific Railway in an eleven-hour attempt to reach an agreement concerning the company's proposal of a ten per cent wage decrease.

The conference follows three sessions of a board of conciliation, headed by Chief Justice R. A. E. Greenhills, Montreal. At the board's third hearing, on Friday, the Chief Justice suggested that another attempt should be made to settle the question "out of court," and both sides agreed.

The meetings will continue tomorrow.

"We cannot report any progress today but one never can tell," said F. H. Hall, Vice-Grand President of the Brotherhood, tonight.

Falling an agreement the board of conciliation will continue its hearings on Thursday afternoon.

International Boundaries Must Be Observed

TOKYO, Feb. 19 (AP)—Japanese officials at Shanghai were authorized by their government today to hand the Chinese an ultimatum demanding that the Chinese nineteenth route army withdraw twenty kilometers from the boundaries of the International Settlement.

Otherwise, Lieutenant General Kenkichi Uveda, commander of the Japanese military expedition to Shanghai, was authorized to compel such withdrawal by force.

The Japanese officials authorized to present the ultimatum are Namuro Shigenitsu, Minister to China, Admiral Kichisaburo Nomura, commander of the naval forces, and General Uveda, all of whom are in Shanghai.

League Protests Japan's Attitude

(By F. I. Lipsey, Jr., Associated Press Staff Correspondent)

GENEVA, Feb. 17—Japan's "supreme sense of honor" was appealed to by the League of Nations in its latest move of protest requesting her to terminate hostilities at Shanghai, it was revealed today.

The communication as handed to Naotake Sato, Japanese delegate for transmission to Tokyo, said the council was "well aware of Japan's grievances" but regretted she should "think herself unable to accept the method of peaceful settlement which the League covenant defines."

The twelve neutral members declared that out of respect for articles of the covenant, guaranteeing that territorial integrity of all members of the League, it could not recognize the validity of Japanese occupation of the Shanghai area.

"We draw attention to these stipulations," the note said, "encroachment on the integrity of member states will not be considered valid. The committee of twelve earnestly desire that Japan take a conciliatory and wise attitude in view of the fact that she is one of the members of the League and a permanent member of the League Council."

"The Shanghai incident has made a deep impression upon the public opinion of the world, augmented the world's present economic depression and threatens to menace the good progress of the Disarmament Conference now in session.

"So long as the present state of affairs continues the discord between the two countries will be aggravated, endangering the creation of a situation unfavorable to the status of the world at large.

"The committee of twelve earnestly trusts Japan will admit her obligations and justify the confidence reposed in her by the powers of the world. We point out that according to the Kellogg Pact all international disputes should be settled amicably."

The Council later considered Japan's legal objections to convening the assembly to hear the case, as requested by China and referred the matter to a committee of jurists.
