FIRST CHARLOTTETOWN PACK (BASILICA)

The first meeting of the First Pack took place last Saturday evening in their Den under the leadership of Scouter Fred Wedge. Eighteen boys were present including four new Chums. The meeting opened in the usual manner with the Grand Howl and continued with some new games, instruction periods and concluded with a Red Flower.

FIRST CHARLOTTETOWN TROOP (BASILICA)

Fifteen Scouts attended the last meeting of the First Troop in their Headquarters last Friday night. Scouter Jim Smith of the R. A. F., was on Hand to assist in running the programme and to act as an instructor in Signalling etc. Several new games were introduced and a few hand signals. The programme finished with an Indoor Council Fire in which the following songs were thoroughly enjoyed; "There's a Hole In My Bucket, Dear Lisa" and "The King of Caractacus. At the conclusion of the meeting Apple Day Tags were distributed for stringing.

The many friends of James Morris, former Scout of the First Troop, who is now attending St. Dunstan's College, were sorry to hear that Jim, while playing football a short time ago, had the misfortune of breaking his ankle. It is hoped that the break will mend quickly and that Jim will soon be up and doing.

APPLE DAY —NOVEMBER 15th

Only two more weeks before the Scouts and Cubs all over the Island will present themselves to the public to offer delicious apples for sale. Tags, posters, cans and other advertizing material will be sent to the out-of-town Groups the first of the week.

There is definite word that prizes will be offered to the Charlottetown salesmen as follows: Best Scout decorated basket, Best Cub decorated basket, Best Scout Salesman, Best Cub Salesman. So Cubs and Scouts get busy now and work out some ideas for decorating your baskets. Don't leave it until the last week or the last night. Baskets will be judged by each Cubmaster and Scoutmaster for their own unit and then the winners will congregate at Apple Day Headquarters Friday evening November 14 for the final judgment. It would be a good idea for each Pack and Troop to offer prizes in their own units also.

SCOUTERS CLUB NEWS

On Thursday evening, October 30 the members of the Charlottetown Scouters Club gathered at the Charlottetown Yacht Club for a Halloween Party. The programme consisted of games, dancing, stunts, stories, etc. The Guests were directed to an upper room where a corpse was resting on a bier surrounded by Ghouls who presented dishes containing the dead man's eyes, lungs, teeth, etc., to the startled Scouters. Many weird sounds were evident, coming from the Ghouls workshop, mingled with the screams of the lady Scouters and a few wimpers from the men. Altogether it was a very pleasant evening, and the committee in charge, Miss Eva McMillan, Miss Grace Diamond, and Bob Morris (the corpse) are to be congratulated for spending so much time and work on the programme. The Club wishes to thank Mr. Len Jordan who so ably supplied music for the dancing, and also the Charlottetown Yacht Club for the use of their Clubhouse.

Grant, Manager, which becomes effective next April. The latter begins a six-month leave of absence today.

HALLOWE'EN OBSERVED — Charlottetown, in common with the rest of the province, underwent a heavy bombardment last night as children of all ages observed Hallowe'en by shooting off fire crackers. Witches and goblins held sway for a few hours about the city as the usual customs were observed. Boys and girls indulged in their usual childish pranks of ringing door bells and parading about the city with jack-o-lanterns. The traditional parade of college students, which had not been staged for the past two years, was partly revived when about 100 students were seen about the streets. The entire police force, assisted by the Fire, Water and Street Department employees were kept busy as pranksters succeeded in annoying some citizens. The telephone at the Police Station jingled merrily all night as the height of the celebration was on and indignant citizens complained of broken windows and other disturbances. A number of street lights became targets for the bolder of those taking part in the night's fun and cars were pushed away from their parking places and along the street. City Police considered the celebrations of a quiet nature, however, as compared with other years. There were no reports of serious damage to property, they added.

Five per cent Bonus for all Mail Contractors

OTTAWA, Oct 31—(CP) —Postmaster General Mulock announced today that mail contractors, rural and city, whose contracts were awarded on tenders dated on or before April 29th, 1941, or involving an annual expenditure of less than $200, will receive a five per cent bonus on payments for work performed as from last August 1st.

April 29th, it was explained by the Minister, was the date the gasoline tax was brought down in the Federal budget and contracts signed before this day had no provision for such tax.

"This bonus will involve an increased expenditure of approximately $215,000 from Aug. 1, 1941, until the end of the fiscal year, March 31, 1942," the Minister said in a statement.

Some 12,500 contracts will be affected. The readjustment likely will be worked out in time for inclusion with November cheques. Provisions of the order will be reviewed on or after next April 1.

Activities of The Air Force

Several weeks ago an educational course was announced by the R. C. A. F. This course is to enable young men between the ages of seventeen years eight months and thirty-two years eight months, who stopped going to school at the completion of Grade X. to receive within a period of eighteen weeks sufficient mathematical instructions to enable them to be entitled to train for Pilots or Observers.

In the past the lowest educational standard accepted for Pilots' training was completion of Junior Matriculation. Therefore, in four and one-half months or less, and with the incentive of becoming a Pilot to spur him on, Junior Matriculation can be obtained without expense to the candidate. Transportation will be provided by the Government. Also a living allowance will be paid to the candidate of $9 a week for a single man living away from home, and $12 for a married man.

A number of young men have called at the local R. C. A. F. Recruiting Centre and, after passing their Medical examination, are now awaiting their final instructions to report for the Course. It is expected that this Course will commence about November 15th. The actual time and place will be known only when the number of those who wish to take advantage of this opportunity can be determined.

The completion of harvest activities is bringing a rush of applicants who are desirous of entering the Air Force. Of course there is a continued need for men for Aircrew work. The need continues also for men who have received at least Junior Matriculation education to receive the University training for the Radio Technicians' Course. This is one of the most interesting ground courses the Air Force has to offer as it covers the most advanced science in the Radio field.

The following enlistments were made during the current week:

Edwin Thomas Clow, Summerside, Wireless Air Gunner; Everett Alphonse Rogerson, Tignish, Standard Tradesman; Albert Eric Corbett, Alberton, Pilot or Observer; James Elfred MacDonald, Hermanville, General Duties; Lorne Bennett Owen, Malpeque, Pilot or Observer; Samuel Garrett, Forest Hill, Standard Duties; John P.L. Murnaghan, Charlottetown, General Duties; Walter Vernon MacIntyre, Charlottetown, General Duties; William Fenton Palmer, Portage, Standard Tradesman.

Following the usual practice each of these men received cigarettes from the Provincial Government through the services of Mr. A. G. Bruce of the Canadian Legion War Services acting for the Carry On Canada Corps.

Hallowe'en party at Cross Roads School

Yesterday afternoon a jolly Hallowe'en party arranged by the teacher Mrs. Margaret Huntley-Kennedy and the pupils of Cross Roads was held in the school. A large number of parents and visitors were present and thoroughly enjoyed the programme of magic and witchery of Hallowe'en as well as the plays, songs, recitations and games presented by the pupils.

A most interesting feature of the afternoon was the display of the war work done by the Junior Red Cross members since the beginning of the school year which consisted of 6 cot quilts and an afghan. This work represents a real spirit of "service" on the part of the Juniors in aiding the children in the bombed areas of Britain by these splendid donations of comforts.

After the programme, the Juniors served hot cocoa, sandwiches and cake and the afternoon's entertainment was brought to a close with a hearty sing song. The proceeds, which amounted to $6.10, were donated to the Junior Red Cross War Fund.

Following is the programme:—
Recitation—Shirley Stewart.
Songs—By the School.
Recitation—"The Best Doctor" by Harold Gard.
Recitation—"Hallowe'en" — Blakie Wood.
Song—By the School.
Monologue—"In the Dark"—Margaret Jones.
Recitation — "Seein' Things" — Ralphie MacCallum.
Solo—Ray Stewart.
Recitation—"Little Orphan Annie"—Joyce Gay.
Song—By Senior Juniors.
Recitation—"I Saw Three Witches"—Lucy Carver.
Play—"Hallowe'en Husband."

BRITAIN NEEDS MORE HOGS

Canada is asked to supply six hundred million pounds of pork products to the British Goverment by the end of September 1942. Canadians can do it if they will and they will.

Prince Edward Island farmers must assume their share of this vast responsibility. It is a challenge to every farmer individually, and indications are, our farmers are NOT GOING TO FAIL.

Consumers can help too—by eating less pork and pork products, thus leaving more for export purposes. We ship our weekly handling of hogs to packing plants where we believe that practically every suitable hog is processed for the export trade and British needs.

Every hog producer in the Province can join in this patriotic duty, and at the same time share in the benefits of expert marketing, now enjoyed by thousands of wide awake farmers, by SHIPPING CO-OPERATIVELY. Contact our shipping agent in your locality. Trucking service provided upon request. You can be PATRIOTIC by SHIPPING CO-OPERATIVELY.

Stresses value Of advertising In wartime

TORONTO, Oct. 31—(CP)—Newspapers and publications "which play so important a part in sustaining public morale" should be given the maximum support by advertisers, A. M. Miller, director of advertising for the Chrysler Corporation of Canada said today.

"It is not hard to imagine that, after a period of post-war adjustment, the world will enter into the greatest era of advancement in its history," Mr. Miller told the Association of Canadian Advertisers in session here. "A devastated Europe will be rebuilt, 400,000,000 Chinese who will share in our victory, and who will have learned to govern themselves in a new way, will take a more constructive place in the new world."

B. W. Keightley, advertising manager of Canadian Industries, Limited, Montreal, urged continued advertising throughout the war. He recalled that during the First Great War many Canadian firms whose production was turned over wholly to munitions, did not advertise with the result they found themselves frogotten at the end of hostilities.
