Farm For Sale

As I am making a change in my business I will sell my farm consisting of about 17 1/2 acres all cleared and in a high state of cultivation except about 15 acres which is covered with a nice growth of hard wood. This farm is situated in the prosperous settlement of Freetown about 1/2 mile from railway station, one of the best in the line, and only 1/2 mile from C. P. C. and Post Office and convenient to school. All of the land is in the pink of condition and a good deal of it is in corn. There is also 4 1/2 acres of orchard just ready to bear. There is a brook on back of farm and never failing wells of water, and all need with cedar and wire. There is on the place buildings for everything. A new house of modern style with pumps inside, best roof and heated throughout with hot air. There are 4 large barns, carriage house, work shop, wood house, hen house and piggery with cellar, and also a dwelling house for hired man, all in the best of condition. This farm will be sold in bloc or in pieces to suit purchasers.

—One of the pleasantest and most enjoyable affairs of the week was the wedding reception held at the home of P. A. and Mrs. Hawke on Wednesday evening in honor of their son and his bride Frank and Mrs. E. Hawke. Their friends from Malden and the suburban towns of Boston and Canada called on them to the number of 50. The house was ornamented with yellow and white chrysanthemums, and instrumental music was enjoyed throughout the evening. Mr. and Mrs. Hawke received with their usual hospitality. The bride wore a gown of cream white silk messaline with filet lace and the mother wore silk moussin. The Puritan Company served an excellent collation. —Malden Mirror, Malden Mass.

HELP YOUR BABY.

No mother can expect her little ones to escape all the minor ailments of childhood but she can be reasonably sure that her child will be healthy if she gives it an occasional dose of Baby's Own Tablets. And she can feel absolutely safe in giving this medicine, as she has the guarantee of a Government Analyst that it contains no opiate or poisonous anything. Mrs. J. J. Crossman, New Hamptn, Ont., says: "I have used Baby's Own Tablets for my son's cough and colds, and with the greatest success. I always feel safe in giving him a box of Tablets in the house. I have a box of Tablets in my medicine box from the Dr. Williams' Medicine Co., Brockville, Ont."

Furs! Furs!! Furs!!! Rich Elegant and Fashionable

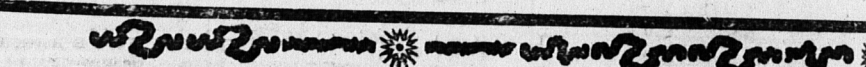

Yes, fashionable, we say it adviseably and would caution ladies who have just purchased, or who intend to purchase fur jackets, not to get out of conceit with them simply because certain merchants wish to dispose of old-fashioned stock which they have been carrying over for years past. We see no reason to get 'panicky' over our furs, doubtless due to the fact that our reputation for selling reliable furs at reliable prices wears well, and stood us in good stead this mild autumn season, which has not indeed been favorable for heavy fur selling—with the result that our fur jackets have gone out slowly but steadily during the past six weeks, showing what bottled up today that our sales have been almost up to last year's of the same date in spite of mild weather. Consider for a moment and you will know that there is a reason for all this.

We mark our furs honestly, and by selling them at half price would be very heavy losers, which is a rather unique way of merchandizing. It sometimes happens that goods have to be sold this way; for instance when garments are off style or damaged in any way, but when new goods are offered for half price it behooves us to find out how they were priced in the first instance. All our magnificent stock of furs have been selected with the utmost care—and all paid for—and we are quite sanguine of selling them at our usual small percentage. Don't be deceived ladies—go around all you wish—then come to us—and if you are wide-awake, you will buy your jackets here, as has been done so often in the past, to good advantage to your purse.

The latest quotation on Furs read—"Prices on all lines remain firm and high, with a marked upward tendency. Persian Lamb Jackets, Electric Seal and Bokhara are as popular as ever. Seal Jackets while high in price still find their usual market &c, &c." From this it will be seen that the "dying scream" of a few will not sound the death knell to the popularity of Fur Coats which will ever be indispensable garments for our severe winter weather and especially for those residing in the country or whose avocations take them out in all kinds of weather. Even for City trade the Fur-lined coat will never attain or hold the same popularity. We can and will undersell any competition—but customers will not expect us to put our magnificent new Furs in competition with old or shop-worn goods.

Come here as usual for honest Furs at honest prices. We will always treat you square.

Welcome Wall Paper News

For sometime past, owing to our enormous sales, we have been "out" of the cheaper lines of wall paper, but now we have secured for you such bargains, in wall papers as Ch' Town has never seen—not cheap papers, but high class papers at cheap prices. The papers are simply splendid, all new patterns, with handsome blended borders, made by the Celebrated Menzie Wall Paper Co, the finest in Canada. We have secured from the Mills thousands of rolls—the remainder of the years out put at prices so low as to enable us to give you such bargains as the following:—
Papers which regularly sell at from 15 to 20 cts a roll will be given you at seven cents a roll.
Papers which regularly sell at from 25 to 30 cts a roll 10 and 12 cts a roll.
Papers which regularly sell at 30 to 40 cts a roll for 15 and 20 cts a roll.

These papers would readily sell at their usual prices, but we were most fortunate in securing an extraordinary bargain and are happy to pass it along to our customers. There is bound to be an immense demand for these papers, and it will certainly pay you to purchase now—even if not needed for immediate use. We would advise our out-of-Town customers not to let this splendid opportunity slip. Give us an idea of the color preferred, and the prices, and we will send you samples that are sure to please, as there is not a poor pattern in the lot. We will continue giving 1-3 off our regular stock in order to have empty bins for an immense spring stock.
