The Phone The Housewife's Friend

We want the ear of every housewife for a few minutes—here's something that will interest you mentally, morally and even spiritually.

Have you ever considered that the phone is fairly knocking at your door for admission—don't you appreciate, the convenience, the comfort and the prestige carried into your home by the phone? Of course you do—and after reading this ad through you'll thank us a thousand times for the suggestion.

We've organized and re-organized until now we have a service that suits you to the letter—a service no right thinking woman can ignore.

Don't you realize how convenient the phone will prove in taking advantage of bargains, in ordering your groceries, meats and vegetables, in doctor calls, police and fire protection, and a kindly chat with hubby to help him along at the office.

Don't think for a moment that hubby is against you having the comforts and conveniences afforded by the phone—just show him the conveniences and the labor saved you and in the meantime get the particulars of the service we render for a few cents a day—you can then see that you absolutely can't afford to overlook the conveniences, and make the phone an actual dividend payer, but please act quick—write contract department—if you can't call—better do it right now.
