TROUBLE-SOME DRIVERS.—Autos are very numerous around town, and occasionally one appears with no number license, there appears to be no person in authority to look after this, as well as apprehending a few reckless drivers who drive through the streets at a furious rate. Luckily no accidents have as yet happened, but some reliable person should be appointed to have these reckless ones brought to justice.

THE CHATAUQUA TICKET CAMPAIGN is meeting with good success, and the Committee in charge has advised us that local sale of tickets will close not later than 8 o'clock Friday evening, July 9th (Opening Day). Positively no tickets sold at less than advertised price, viz: \$3.15 for adults, \$1.05 for Juniors, including tax.

FAMILY HOME.—Mr and Mrs. J. A. Morrison, Summerside, are fortunate in having their whole family with them once again. Messrs. George and Reginald motored from Cleveland, Ohio to Windsor Mills, Quebec where they were joined by their father, Mr. W. Haywood Morrison and Mrs. Morrison, the whole party arriving in Summerside on Tuesday night.

SUCCESSFUL SOCIAL.—A very successful Ice-Cream Social was held on the grounds of Arlington School on Wednesday evening. A dancing booth had been erected, and there the youth and beauty of Arlington and surrounding districts whiled away the hours. Upwards of one hundred dollars was realized, the net proceeds of which will be used for improvement of the school grounds.

POTATOES.—The prospect for good prices for potatoes this Fall are good. A light crop is reported from Virginia and in Maine the crop is said to be 10 per cent. less than last year. This is good news to Prince County farmers as there is a large acreage under cultivation this year.

ARRESTED AGAIN.—Upon the information and complaint of William E. Callbeck of Albany, Edward Trowdale of the same place was arrested on Wednesday and placed in the Prince County Jail. The information charged Trowdale with fraudulently converting to his own use potatoes belonging to William E. Callbeck. The prisoner appeared before Mr. Alex Campbell, J. P. and Mr. H. J. Massy, J. P. yesterday afternoon. The evidence of several witnesses was heard and the accused was sent up to be tried at the next session of the Supreme Court. Trowdale was released on bail.

GOOD ROADS.—The Government Patrols are operating in different sections in Prince County with the result that there are some excellent roads. The western road to O'Leary is exceptionally good; the section in the vicinity of the Quagmire Bridge is still closed for work on the bridge. Roadmasters are getting on the roads in many sections and a marked improvement is the result. The roads in the different settlements will be just as good as the Road Masters and their helpers want them to be and it is easy for the traveller to get by the roads just how capable or how much interest a roadmaster takes in his work.

RETURN HOME.—Mr and Mrs. Edward McDougall and family who some years ago closed their home at Grand River and moved to Maine, have returned to the old home and we are glad to learn, have decided to remain on the island. Stretch; The 13s of the Maple, Mrs. Fred Stretch; My Native Land, Mrs. Norman McLean; Canada, Mrs. Alex McLeod; In Flanders' Fields, Miss Jean McArthur; a Fields, Miss Jean McArthur; and Mr. Norman Stretch was very beautifully rendered. A very interesting report from the convention was given by the delegates, Mrs. A. K. McPhee and Miss Mary Stretch. A very instructive paper on "The Flag" was read by Miss Rose McDougall, giving in detail the formation, design, and what the flag stands for. The members have been instrumental in securing a large flag for the school and Mr. W. E. Stretch has kindly undertaken to put it in place. Arrangements were made to have the school whitewashed which we hope to see done in the near future. A contribution was made from the Institute to assist in presenting a remembrance to our retiring superintendent. A few bills in connection with the school were ordered to be paid. After the business part of the meeting had been completed, dainty refreshments were served by the hostess and the meeting closed with the singing of the National Anthem.
