

Had Salt Rheum All Over Her Hands

Mrs. Herbert J. Mason, Grand Falls, N.B., writes: "I had salt rheum all over my hands and especially between my fingers. It got so bad it was impossible for me to put them in water or to do my housework. After trying many medicines and salves, that did me no good, I heard of

being so wonderful, and after taking three bottles I am entirely relieved of my trouble. It is so good I can't recommend B.B.B. too highly to those who have salt rheum like I had."

BARDELYS THE MAGNIFICENT AND PHONOFILM MAKES IDEAL ENTERTAINMENT AT PR. EDWARD

In "Bardelys the Magnificent," King Victor's picture for Metro-Goldwyn-Mayer, which opened a four days engagement at the Prince Edward yesterday, John Gilbert has a role that will be an everlasting delight to his constantly increasing number of admirers. If Rafael Sabatini, the author of "Bardelys the Magnificent," had personally chosen the hero for the picture, he could not have made a happier selection. Even compared to Gilbert's role in "The Big Parade," with its dusty marches, its shell-hole action and other hectic sequences, this part stands as the most active and colorful of his career. He swims raging rivers on horseback, engages in fierce encounters with hordes of strenuous and determined enemies, pole vaults over a line of charging spearmen and scales walls of dizzying height. The love scenes of the picture are fully as convincing and moving as even those of "The Big Parade," and of course the picturesque setting of the story, its medieval back-

GREAT INTEREST TAKEN IN YESTERDAY'S MATINEE RACES

Yesterday's matinee races on the Victoria Park Speedway were watched with great interest by upwards of three hundred spectators. There were three races on the program, and they were run off snappily, and everybody got away early. This method of conducting races appeals to the public.

The races were quite interesting with close finishes in two of them. The following is a brief summary:

Class A Trot This had three starters, Capt. H. Igo and The Banker. The first heat was quite a race between Capt. H. and Igo, the latter winning by a neck, Igo 2nd, The Banker, 3rd. In the 2nd heat Capt. H. led all the way, Igo went to a break near the finish and The Banker finished last, being about half a length back of the Capt. In the 3rd heat Igo and The Banker raced off. Both were evenly matched throughout, Igo having a little to spare at the finish.

Class A Pace This was a real race, between Trampacross and Helen Dewey. Trampacross won the first heat, easily, Helen Dewey making a break while on even terms and about 50 yards from the wire. The 2nd heat was a race from start to finish, the two horses never being separated more than a few feet, Helen Dewey winning. The 3rd heat was a repeat of the 2nd, except that Trampacross was this time the winner.

Class B Trot This was a real race, between Trampacross and Helen Dewey. Trampacross won the first heat, easily, Helen Dewey making a break while on even terms and about 50 yards from the wire. The 2nd heat was a race from start to finish, the two horses never being separated more than a few feet, Helen Dewey winning. The 3rd heat was a repeat of the 2nd, except that Trampacross was this time the winner.

ABEGWEITS SHOW THE WAY TO ACADIA IN FAST GAME

In the Second Game Between Acadia and Abegweits Last Night at the Arena the Abbies Won a Decisive Victory by a Score of 5 to 2. Intermediate Game Won by St. Dunstan's 4 to 1.

A large turnout of fans greeted the players in the second game between Acadia University and the Abegweits at the arena last night. The Abegweits turned in their best game of the season last night, every man working like trojans to annex a win, fast skating and combination gave the Abegweits a popular verdict over the speedy college aggregation.

The Abegweits showed a marked improvement in every department of the game, from the goalie down to the substitutes.

Acadia players put up a stellar brand of hockey, and gave the locals a great run for their victory, but the locals had a night on and entertained the visitors real royally with a barrage of fast skating, back checking and checking, last but not least.

For the Abegweits the work of Prowse, Gordon and Gauthier was outstanding features of the battle, they skated, bored in and kept on the rubber during the entire game, carrying, combining, and back-checking in the old time style, which delighted the fans to no end.

Diamond turned in a great game between the posts, making some sensational saves.

The Acadia team has a nice working front line in Barteux, Eaton and J. Johnson, who showed up to advantage in every play, especially Barteux. R. D. Johnson on the defence, was somewhat off color in last night's game, not nearly as efficient as on the first night, but Elderkin came through with a nice

game, as did the goalie, McKenna, in the second and third periods, his brilliant net guarding was a treat.

A. Ferguson, the sub goalie, started out in the nets for the visitors and while making a good showing, he never had a chance on the two counters that passed him. The game, as did the goalie, McKenna, in the second and third periods, his brilliant net guarding was a treat.

First Period The game got away at 8.45. Diamond and Gordon starting the rubber on a long drive to Ferguson, losing to Elderkin who combines with Barteux, Gbrdon and Gauthier next try a little team play, being relieved by Eaton with Johnson to Diamond. Prowse and Gordon on a nice piece of work give Ferguson a real tester and Eaton a Barteux make a nice attempt at team play, losing to Anderson who carries with Gordon to the mouth of the net, Barteux on a rink length run gives Diamond a chance to display his wares, then Gordon carries and passes to Prowse who gets in an effective wing shot and gives the Acadia goalie a hot one which bulged the twine for the opening score five minutes from the face-off.

Prowse, Gordon and Gauthier make another nice piece of team work but failed, J. Johnson and Barteux again come at Diamond who saves nicely, Gauthier and Gordon come down together, losing to Barteux who takes two quick shots at Diamond and then Gordon makes a nice run on his own and saged the twine for the second score for the Abbies.

From the face-off Cox on a pass from Gordon behind the net drops in another but the whistle came too soon, Eaton takes a run and lifted from centre ice, it was a difficult one to handle, but Diamond got it to the right way, Cox loses a nice chance from Gordon's pass, R. Johnson carrying through and shooting high, nice runs by Gordon, Prowse and D. Diamond for the Abbies and Brady, Elderkin and Barteux for Acadia were made before the bell called the players to rest with the score reading 2 to 0 for the home team. The penalty box not getting a visit.

Second Period This period started out fast, Gauthier going right in and skating hard for a count, but was stopped by McKenna, who replaces Ferguson in the net. Barteux and J. Johnson try out Diamond and Gordon and Gauthier with Diamond visit McKenna, but he was not receiving, Elderkin and Eaton return the visit losing to Anderson who carries Barteux and J. Johnson relieved the situation, but only for a short time, back came the Abbies front line for another attack and Gauthier broing in passed out from behind the net, Gordon was on the

CLASS B TROT

Was the 3rd race on the program and showed up a good trotter in Silk Worlhy. In the first 2 heats he led Harry Todd and Eveready by a nice margin. After Silk Worlhy was eliminated Harry Todd and Eveready raced off for 2nd place, Harry Todd winning. Silk Worlhy is owned and was driven by Mr. Harold Stead.

The officials were: Starter, R. Abbott, Judges, W. S. Brown, R. J. Steele, E. White.

Announcer—J. A. MacDonald.

THE MARKETS

MONTREAL, Que., Feb. 9.—The foreign demand for Canadian grain on the Montreal market today was again of an indifferent character and business was dull. In sympathy with the weakness in corn futures in the Chicago market today local prices for cash corn on spot here were reduced one cent per bushel. Car lots of No. 3 yellow were quoted at 90 cents, No. 4 yellow at 88 cents, sample yellow corn at 88 cents and cool sweet corn at 83 cents per bushel ex-store. The market for Canadian western oats was also easier and prices declined 1-2 cents per bushel. The trade in spring and winter wheat grades of flour continued dull but prices were steady. A fair business was done in all lines of mill feed and the undertone was firm. The market standard grades of rolled oats was quiet and prices ruled steady. Prices for all grades of eggs were well maintained under a good demand. The receipts were 412 cases. The tone of the potato market was steady but the volume of business was small. Car lots of Prince Edward Island green mountain potatoes were quoted at \$1.75 to \$1.80 per bag of ninety pounds and Quebec white stock at \$1.30 to \$1.35 per bag of ninety pounds in bulk ex-track. The feature of the butter trade was the weaker feeling that developed in the
