Things Liven Up

The game is now beginning to become more lively. All the players on both sides are warmed up over the one-one score and exerting every effort to break the deadlock. The fans are becoming wild and madly cheering each spectacular rush. Both sides are measuring up well and now appear to understand each other better. The game however, has not yet assumed the proportions of a match such as was played in Moncton on Wednesday night.

McNeil nailed Beaton with a beautiful check as he tried to get in close. Bubar stopped Kennedy's shot after the latter made nice run. Beaton was nearly through, but was checked hard by McNeil.

Kane attempted to get through the defence but lost the puck. Period one all. Stops: Kuhn eleven, Bubar six.

McGlashen penalized for checking into the boards.

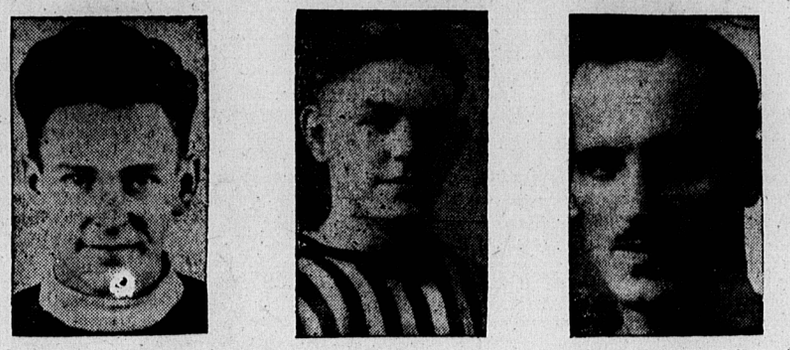
ABBIES SHOW PUNCH IN THE OVERTIME

Red Shirts Give Bluenose Fans and Wolverines Bad Jolt by Taking Hard Fought Game 2 to 1—Hudson and Gross Figure in Abbie Scores —Entire Team Plays Heart-Breaking Hockey

Prominent In Abbie Win



Reading from left to right: Ron Hudson who scored opening goal of game on pass from Joie Beaton, centre, and Harold Gross, husky defenceman, who clinched the game in the first overtime with a wicked drive that "Skeet" Kuhn, Wolverine goalie was unable to handle.

BIG THREE LEAGUE STANDING

	Won	Lost
Charlottetown Abegweits	2	1
Moncton Hawks	1	1
Halifax Wolverines	0	1

(Canadian Press)

HALIFAX, Nov. 25—Charlottetown Abegweits defeated Halifax Wolverines 2-1 here tonight and took the lead in the Maritime Hockey League.

THE WINNING SCORE

Like the first two games, tonight went into overtime. Wolverines and Abegweits were tied 1-1 at the end of the third priod. The deadlock was broken by Harold Gross' wicked drive after less than two minutes of overtime. The puck caromed off "Skeet" Kuhn's glove and slid down into the net.

There was no score in the first period. Ron Hudson, taking a pass from Joie Beaton, put the Abbies one up after 13 minutes and thirty seconds in the second. Less than two minutes latter Gordon Kennedy evened the count, grabbing the puck which Frankie Lavigne had dropped behind the Charlottetown blue-line and fooling "Daddy" Bubar with a sensational shot. The hard fighting, well matched teams went scoreless in the third.

ABBIES EDGE WOLVES IN PLAY

Abbies had the edge on the night's play, presenting smarter attacking lines and steadier and more effective defence. The Wolves, however, were brilliant in the third round, only to have Bubar turn them back time and again. The nonchalant Bubar was at his best. He stopped 41 drives, many of them from close in and carrying plenty of zip. Kuhn stopped 35.

Abbies Introduce Semi-Defensive Style

Extremely cautious as the game got under way, the teams felt each other out for practically the entire first period, resulting in a ragged brand of hockey and meagre team play. The Abbies in fact offered a semi-defensive style for the entire seventy minutes, particularly when they were short-handed which was no less than eight occasions. In this department Jackie Kane was a hero in himself, and in each round he bottled up the Wolves as they attempted fruitlessly to cash in on the breaks in the Charlottetown lines.

Beaton Great

Offensively, however, it was another "mite"—Joie Beaton—who played a major role in the victory. He was in practically every play the Abbies engineered while he toiled at centre. He pivoted dozens of attacks, poke-checked and broke up similar attempts of his opponents and in general carried the big offensive burden. While Kane was flashy and his stick handling at times brilliant, he was not as effective as his teammate who, with Hymie McArthur and Ron Hudson, played brilliant hockey on Jimmy Gardner's second line of attack.

First Line Good

"Baldy" Schwab and Walter Lawlor mated with Kane for Charlottetown's first string and the trio played hard hockey with the first named the pick of the trio. Gross, Ferguson and Oliver filled the defensive requirements satisfactorily, although the latter lost some of his effectiveness by too many trips to the pen.

Gross didn't go in close in the early part of the game but, in the second round and on his successful sally in the first five minutes of overtime, he was the most dangerous man on the ice.

Thirteen penalties were handed out by Referees Jack Brown of Moncton and Harry Butler of Halifax, with the Abbies getting eight of them. The match was by no means rough, partly due to the fact that the officials destined that it shouldn't be. Nevertheless there was little love lost and the teams took and gave their bumps frequently.

The Maple Leafs showing classy combination and accurate shooting outscored their rivals in the first half 14 to 12, due mainly to the work of Welsh, McNeil and Costello, the last named girl holding Mallett, scoring ace of the Merry Annes, to 6 points.

LOOKING 'EM OVER

(By T. E. Corrigan, Guardian Sports Editor)

The Abegweit hockey team return to Charlottetown this evening after a general clean-up on their road trip. Their victory at Moncton over Hawks on Monday night after eighty minutes of hockey and then again at Halifax last night with another seventy minutes of play stamps them as "no weak sisters," but on the other hand one of the big contenders for Maritime hockey honors. However, local fans must not forget the fact that both Abbie wins were bagged in the overtime, which clearly demonstrates the strength and hockey ability of the Nova Scotia and New Brunswick squads. They are dangerous every minute of play, which means our own Abbies have still a lot of tough games ahead of them.

All Hail!

Good ol' Abbies. Coach Jimmy Gardner and trainer Bill Halpenny have around them a cagey, fast skating and courageous band of stars who should go far this season. Their victory in Moncton was glorious and their sparkling win at Halifax last night was a fitting climax to their first road trip of the Maritime hockey wars.

Flooded With Phone Calls

If there was another world war declared last night, there couldn't have been any more phone calls than were received by the Guardian last night in connection with the Abbie-Wolverine game. The writer acknowledged long distance calls from New Glasgow, N. S.; Pictou, N. S.; Moncton, and many other Maritime centres, not forgetting many outside points throughout the Province. In fact the three phones in the editorial rooms were almost ringing off the desks as excited and enthusiastic fans called up to acknowledge the radio reception broadcast from the Guardian. Yes sir, last night was a big night in the Island Capital and Province at large, when the joyous news came rushing over the wires that "the game was over and Abbies had won."

Wolves Here Wednesday

Sit tight fans, the hard checking, fast skating men of Vair, the Halifax Wolverines, will be here Wednesday night to renew hostilities with the Gardner clan. The Forum management announces that the seat sale will open at the Forum on Monday morning at 10 o'clock. All local reservations must be picked up not later than six o'clock the night of the game and outside reservations must be called for not later than 7 p. m. From then on every endeavor will be made to handle the large crowd of ticket purchasers who are respectfully requested to line up in orderly fashion and await their respective turns at the wickets. The doors will open at 8 o'clock and the game will start at 8.30 sharp.

It may be added here that it is unfair to Forum officials to ask them to handle telephone calls for reservations, etc., after seven o'clock Wednesday night. Therefore please show some co-operation, get your reserved seat tickets early and avoid the rush and crush.

Thoughtful

Messrs. Harry Brown, Manager of the Queen Hotel and Ivan Reddin, Manager of the Venetian Gardens have generously invited the Abegweit hockey team and officials to be their guests at Turkey dinners, Harry's to be held in the near future and Ivan's to be held this evening on the arrival of the team.

Believe It Or Not

The Abbies played 230 minutes of hockey in their three games with Hawks and Wolves, just ten minutes short of four games of regular playing time.

Y. BASKETBALL

Hi-Y, 57; Champlain, 24.

Last night in the "Y" gym the Hi-Y ran their string of consecutive victories to fourteen by virtue of their win over the team from the H. M. C. S. Champlain. The "tars" lacking practice, and playing on a strange floor, put up a good game, but lacked the finish and scoring punch of the Hi-Y boys. The first half ended 26-10, the Hi-Y boys controlled the play throughout.

A feature of the second half was the "sniping" of MacDougall, the "tars" captain, this player collecting 18 of his team's points. The Hi-Y boys played their usual good game, and deserved their win.

The lineups follow:

Hi-Y	Champlain
Goss 12	Miller
MacLean, 17	MacNutt 4
Stewart 2	MacDougall 18
Johnson 6	Page
Partridge 10	Shepphard
Morris 8	MacIntosh 2

Storey 2 Rogers
Jones

NOTE:—Tonight at 7.30 the Abbies Sisters hook up with the P. W. C. Co-eds in a regular league tilt. At 8.30 the R. C. N. V. R. sporting 12 wins and one draw, play the Hi-Y boys, who have fourteen consecutive victories. This game promises to be one of the best exhibitions of the hoop game, seen in the "Y" for a long while.

DOWN THE BACK STRETCH

Harness horse racing needs dressing up, says Allan J. Wilson, former Prince Edward Islander, who has attained fame by the big stakes sponsored by him and raced at his Windsor, Conn., track and at Salem, N. H., where he staged a Grand Circuit meeting this summer.

Wilson is in favor of the very fast horses being handicapped whether starting them from the barrier or a standing start.

There is no more enthusiastic horseman than Mr. Wilson and he has been a daring and successful promoter. What he has to say can be thoughtfully considered by any manager, for his opinions are the result of experience.

An American exchange says: "The day of the little breeder is here again. He is going to make a larger per cent of profit then many breeding on a great scale.

Trotter for Sale
Sire "BUNTER," dam by "LEE AXWORTHY", Both grand-dams in the great brood mare list.
I have to reduce my horse holdings to make room for my colts that are being developed this winter, consequently I am offering "TEASE" (2.09½) for sale. She is eligible to the 2.15 trot or 2.18 mixed class, price $300.00, no less.
"TEASE" is six years old, Standard and Registered, absolutely sound and right in every way. She has beaten a lot of good trotters on P. E. Island, the past season, and should be the best ice trotter in Eastern Canada as she has shown many quarter miles in thirty seconds on the dirt and should go the ice in twenty-nine seconds.
Furthermore she is very handsome, and as sweet a road mare as anyone owns, with lots of style and ambition, safe for anyone to drive.
Think what a brood mare she will make when she is through racing. She can also win in the show ring.
