DISARMING PARADES

LAHORE, India.—(CP) — A new government proclamation says that no person forming part of a procession of 10 or more persons shall carry arms or any article capable of being used as arms.

The Central Guardian

This column is reserved for news of local interest but advertising of a newsy nature may be inserted at 5 cents a word strictly payable in advance.

CRASWELL for Photographs.

CONFEDERATION LIFE INSURANCE. L-9789-7-21-31i.

BOAD OF TRADE QUARTERLY MEETING to-morrow Wednesday night 8 o'clock. L-168-10-8-2i.

REJOIN UNIT.—A large number of the members of the Royal Canadian Artillery return this morning to the mainland after having spent a short leave at their homes.

MRS. MINNIE Blenkhorn announces the engagement of her daughter, Grace Dorothy to Mr. Thomas Alfred Beer of Brockton, Mass., son of the late Mr. and Mrs. H. H. Beer, of this City, marriage to take place October 17th. L-182.

GRASS FIRE — Firemen were called out at 4.45 yesterday afternoon for a fire in the grass and rubbish about 400 yards to the rear of the McColl-Frontenac Oil tanks at the eastern end of the town. The blaze was quickly extinguished.

FUNERAL TODAY.—The funeral of the late Ada F. Watts (Leightizer) will be held this (Tuesday) morning at 8.45 a.m. from her late residence in Hunter River to the Church of the Most Holy Redeemer, Charlottetown, where the funeral mass will be sung at 9.40 a.m. Interment in the Roman Cathoic cemetery, Charlottetown.

GYRO MEETING. — Mr. R. Burleigh Taylor was the guest speaker at the Gyro meeting held in the Charlottetown Hotel last night. He chose as his subject, "Thoughts on Present Day Conditions." The chairman of the evening was Mr. R. D. Scott. Mr. Leo Doucette was elected to fill the vacancy on the executive caused by the absence of Mr. Gilbert Henry who has joined the R.C.A.F.

BALD EAGLE SHOT. —An adult bald eagle, with a wing spread of eight feet, three inches, was shot at Marshfield yesterday. The bird was brought down by Lloyd MacCallum,a native of the Marshfield district. It was the second bald eagle reported in this province within a year. Last fall a younger bird was captured at Murray River and kept prisoner all winter. In the spring he was banded and released.

POLICE COURT —In the Police Court yesterday two drunks each had his $10 bail estreated. Another was fined $5 and costs or 10 days while another was fined $10 and costs or 20 days. A man charged with being drunk and disorderly was sent to jail for 60 days. A drunk and disorderly was fined $20 and costs or 30 days. A prohibition case was dismissed. A drunk was remanded until today.

FUNERAL YESTERDAY — The funeral of the late Emily Irene Chandler was held yesterday afternoon from the residence of her parents, Mr. and Mrs. Frederick Chandler, Douglas Street to the People's Cemetery. Service at the home and grave was conducte' by Adj Hawkes. The pallbearers were Roger Chandler, Roy Chandler, Buddy Henderson, Ralph Williams.

MASONIC VISITATION —Most Worshipful Grand Master G. Shelton Sharpe, Port Hill, P.E.I., paid his grand visitation to Victoria Lodge in Charlottetown last night. He was accompanied by the Grand Lodge officers. During the visit the officers of Victoria Lodge put on an E.P. degree and at the close of the ceremony an enjoyable banquet was held. Worshipful Master E. V. Bell presided at the degree.

TRINITY W. M. S. MEETS — The October meeting of the Evening Auxiliary of the W. M. S., Trinity United Church, was held last evening, with the president, Mrs. Hugh Miller, presiding. At the close of the Devotional period, the meeting, under the leadership of Mrs. Matheson, had a very interesting discussion on the promotion of temperance, in which many members took part. Plans were discussed for the holding of the autumn Tranksgiving meeting later in the month.

NEW ROOM FOR PRINCE STREET — It was decided to open an additional classroom at Prince Street School at a meeting of the Charlottetown School Board held last night. Miss Nellie Brenton, B. A., has been appointed as teacher in this class room. She has been teaching in Parkdale School. A rearrangement of the teaching staff will probably take place, it was decided. Expressions of sympathy were extended to Mr. Simon P. Pacli, Sr., a member of the board who is at present ill in the hospital. Dr. I. J. Yeo presided.

CONSERVATIVE MEETING. — An enthusiastic meeting of the Conservative workers was held in the Board of Trade Rooms, Charlottetown, last night. Five delegates from each of the Charlottetown and Royalties polls were named to attend the annual meeting of the Association. The three Charlottetown representatives were also named for the Queen's County Executive. It was announced that John P. MacNicol, M.P., President of the Dominion Conservative Association, will be present at the annual meeting to be held in Charlottetown, Oct. 11. It is probab'e that Hon. R. B. Hanson, K.C., Conservative Leader, will also be present at that meeting.

CATHOLIC CHAPLAIN IS PROMOTED — Attention is called to the fact that Major Rev. T. J. McCarthy, M. D., Chaplain of the 1st Canadian Division has been promoted to Lieut.-Colonel. On arrival of the 1st Canadian Division in England he met and welcomed the soldiers. His interest fanned into flame the services of the "Catholic Women's League War Service Mail" which commenced in February, 1940, and since has grown into an organization supplying literature to 17 centres. Lieut.-Colonel McCarthy was chosen for the first activity to distribute Catholic Women's League magazines. Up to date 11,000 wrappers have been distributed for postage. Members posting Canadian papers and periodicals to Aldershot, England please note change in address: Lieut.-Col. Rev. T.J. McCarthy, M. D., Chaplain General to 1st Canadian Division, Aldershot, England, Base Post Office.

CITY HOSPITAL BAZAAR OPENS THIS EVENING

An annual event to which all look forward with interest begins this evening with the opening of the Grand Bazaar in aid of the Charlottetown Hospital.

The co-incidence of the campaign in aid of the Red Cross and the appeal for our local hospitals may require some changes in monthly budgets but it is not inappropriate that these two great causes should be brought before our people together. It has been truly said that the health of our civilian population is an important part in national defence. Indeed the Red Cross was first used as the insignia for the nurses of the society founded by St. Camillus de Lellis in the 16th century to care for the neglected sick of Rome.

The present gigantic struggle is in support of democracy—as a democratic people we have chosen to support our hospitals largely by voluntary contributions rather than by Government taxation. As a free Christian people we want an opportunity to prove ourselves worthy of the badge of Christ's followers which he declared to be charity, when he said "By this shall all men know that you are my disciples if you have love one for another."

Charity Work

The Charlottetown Hospital has done charity work in the past year to the value of nearly seventeen thousand dollars, treating 617 non-paying patients and 377 who paid in part. This does not mean that the hospital had a deficit of seventeen thousand because Government and City grants and Auxiliary and other contributions provide funds so that the maintenance deficit does not equal the value of work done for charity. Our aim is to make voluntary contributions balance the budget. In these days of war because of rising prices in all commodities it will be increasingly difficult to meet expenses.

As an adjunct to its charitable work the Hospital has a Social Service Department. The Hospital gives board and lodging to the workers but their other expenses are met by donations from Catholic Societies and friends of the poor. Nearly three thousand visits were made last year, giving free nursing care when needed, adjusting difficulties, clothing children and providing necessities of life to those too often in dire need.

We have every reason to be proud of our hospitals which have successfully maintained standardization according to the requirements of the American College of Surgeons. We need not think that every hospital examined by their inspectors is accepted for approval—more than thirty per cent of hospitals of one hundred beds or less failed to meet the minimum standards in 1939.

Abreast of Times

To maintain the efficiency to which this standardization certifies the hospitals must keep abreast of the times in equipment and personnel.

Since last year the Hospital has installed new boilers and new motor for the laundry, costing approximately $5.000 and new sterilizers and new autoclave for the Operating Room at the cost of fifteen hundred dollars.

Recently an Inductotherm, the newest machine for diathermy or heat treatments has replaced the older type of machine which gave valuable service for the past ten years or more. It is used for relief of rheumatism, sciatica and other conditions in which heat within the living tissues is indicated.

The personnel includes Sisters with certificates in Laboratory, Pharmacy, Anaesthesia, X-Ray, Record and Dietary work as well as floor and operating room supervisors. The Directress of the School of Nursing has the degree of Bachelor of Science. These hospital workers are the handmaids of the physicians in carrying on this noble profession.

Few people realize how infinitely more complex is the work of the doctor and the hospital than ordinary business with which hospital management is often confused. It is not a question of dealing with wood and brick and steel, the daily task revolves around human life itself and the aim is not profit in dollars but profit in satisfaction and service to patients.

Value of Hospital Service

Statistics to show the value of a hospital service are a best but guides because so much of its work cannot be evaluated and this is likewise true of the School of Nursing. Since its inception in 1920 the Charlottetown Hospital School of Nursing has graduated 125 nurses. Who can tell the vast amount of good these young women have done particularly in the rural districts where doctors are few and far between? How many poor sufferers have had their pain alleviated by the skilled hand of the registered nurse, for her training has taught her just how to make a patient comfortable! From these graduates are being chosen the nurses for our military hospitals. In supporting the Charlottetown Hospital you make possible the continuance of the School of Nursing with all that it means for the health of the community.

When you paid your hospital bill did you protest or at least say to yourself, "These charges are too high?" If so, we couldn't blame you and yet did you realize what you got for your money? Perhaps you think in terms of a bed, three meals and some medicine, forgetting that statisticians tell us it required practically one employee and almost one nurse for every single patient. We live in an age of speed and efficiency and you have some idea of the complexity and muliplicity of agencies required to serve the modern patient if you recall the services we have mentioned: Operating Room, Laboratory, etc., whereas in the hospital of forty years ago most of these departments were undreamed of.

It is hoped that there will be a large attendance at the opening of the bazaar this evening.

Island - born Weds In Ontario

Ufford United Church was the setting for a pretty wedding on Thursday afternoon, September 12th when Nellie May Longhurst, youngest daughter of Mr. and Mrs. Charles Longhurst, was united in marriage to Rev. Harry James Vickerson, son of Mrs. Charles Vickerson and the late Charles Vickerson of Montague, Prince Edward Island. The ceremony was performed by Rev. R. Edis Fairbairn, pastor of the Windermere United Church. The wedding music was played by Audrey Longhurst of Windermere, cousin of the bride. Mr. William C. Knowles was usher.

The church was beautifully decorated for the occasion with gladioli, delphiniums and dahlias, and formed a colorful background for the wedding. The bridal party passed down the aisle to the strains of the wedding march and took their place before the officiating clergyman.

The bride, whose father gave her in marriage, was lovely in a gown of tinselled net over taffeta. Her veil was of floor length tulle illusion, and her only ornament, worn at the heart-shaped neckline of her gown, was a gold locket with chain, a gift of the groom. She carried a bouquet of white asters and larkspur.

Miss Phyllis Riley, who attended the bride, wore a gown of pink lace and net over taffeta and carried a bouquet of pink mixed flowers. She wore a locket as a gift from the groom.

The flower girl was Frances Mae Whitehead, daughter of Mr. and Mrs. Hector Whitehead of Gravenhurst cousin of the bride. She wore a gown of pale green taffeta with turban to match an carried a large bouquet of many colored flowers.

Mr. Gordon Longhurst, brother of the bride, was groomsman.

Following the ceremony, a wedding supper was served for the family at the home of the bride's parents After the supper, a reception was held, at which the mother of the bride received, and at which the many friends of the bride and the groom gathered to extend to the young couple congratulations and best wishes for future happiness. The bride was the recipient of many valuable and useful gifts.

Later the bride and groom left on a trip by motor to Toronto and Niagara Falls. The bride travelled in a blue crepe dress with navy coat, and matching accessories.

Upon their return Mr. and Mrs. Vickerson will reside at Echo Bay, Ontario.

Visiting K. Of P. Lodge Members Are Entertained

Charlottetown Empire Lodge No. 19, Knights of Pythias was honored last night by a visit of 40 members of two Nova Scotian Lodges, Chignecto No. 11 Lodge of Amherst and Cumberand No. 5 Lodge of Springhill. They were here on a fraternal visit.

The proceedings opened with an enjoyable sing song with Mr. Alf Robertson of Springhill at the piano His Worship, Mayor B. Roy Holman, Past Grand Chancellor of the Order, welcomed the visitors to the Charlottetown Lodge and after brief introductory proceedings a joint team conferred the third degree. A demonstration of the first rank was also illustrated Mr. H. B. C. McKee, Chancellor Commander presided.

Following the ceremony an enjoyable oyster supper was tendered the visitors in the New Dome dance hall adjoining the Lodge Rooms. During the supper, Mr. Joseph Morrison, tap dancing teacher at the New Dome, entertained the Pythians with several of the latest dance numbers. He was accompanied at the piano by O. K. Presby.

The visitors had difficulty in reaching the city in time for the ceremony as twelve of their cars were not able to cross on the S. S. Charlottetown due to lack of space The occupants left the vehicles on the Tormentine side and doubled up in other cars. Several of their number were forced to hitch hike their way from Borden to Charlottetown. Pte. Jerry Hunter of the North Nova Scotia Highlanders and his brother Russel, Amherst, came over by plane from Moncton to be here for the occasion.

A telegram from F.H. Weir, Grand Chancellor of the Maritimes, was read at the meeting. He expressed his regrets at not being able to attend.

Among the visitors was Past Supreme Representative George Cameron of Amherst and Grand Keeper of the Records and Seal Stan A. Smith, Amherst.

Grand Outer Guard Harold E. MacLean of Charlottetown, was also in attendance.

Formation Of Citizens Band Is Discussed

The possibility of forming a community band in Charlottetown which would be available for parades, etc., was discussed at a meeting in City Hall yesterday called by His Worship Mayor B. Roy Holman and attended by representatives of the various service clubs of the city and the Carry On Canada Corps.

It was decided that a representative from each of the four service clubs, and Mayor Holman should meet with the executive of the Carry on Canada Corps Wednesday night to ascertain if that organization would be available to undertake the formation of this band with the assistance of the service clubs.

The four representatives named were: Mr. Morton Dew, repesenting the Gyro Club; Mr. Roy Cudmore, representing the Y's Men's Club; Mr. Alfred Doucette, representing the Kinsmen's Club and Mr. Gordon Hughes, representing the Rotary Club. The Mayor of Charlottetown is the fifth member of the committee appointed to approach the Corps.

All the representatives present were agreed that the band should be formed in the city and the matter of a suitable bandmaster was discussed.

It was suggested that in addition to the bandmaster a director also be named for the band.

Mayor Holman read a telegram from Colonel the Honorable J. L. Ralston, Minister of National Defence, which asked that such a band be established here to be of service in connection with the Military Training centre which will open at Beach Grove Inn this week.

It was pointed out that the band would not be a part of the militia but merely a citizen's band which could be of service to the country.

Mayor Holman said that the West Kent School Band had been approached and asked if they would like to form the nucleus for this band. They were not interested as they wished to remain "West Kent School Band," he added. It was pointed out yesterday that the new duties would interfere with the studies of the school band.

The resolution appointing a committee to consult with the Carry On Canada Corps was moved by Mr. Arthur Wright and seconded by Mr. Alfred Doucette. Mayor Holmen presided.

Quarterly Meeting Of B.I.S. Held

The regular monthly meeting of the Benevolent Irish Society was held on Thursday, Oct. 2nd with the President Eugene Kelly in the chair. There was a large attendance of members present and the regular routine of business was carried out. The Charity committee showed a decrease for the month, due to more employment now in the city. The Social Evening Committee report by the chairman Joseph Malone showed that the attendance at the weekly socials was about the same as the previous month. The committee in charge of these entertainments was highly congratulated by the members for their faithful work.

This meeting being the quarterly one the Treasurer, John Callaghan gave an itemized statement for the quarter which showed that the Society is in a good standing financially. The Secretary's report showed that about twenty-five members are now in His Majesty forces and to overcome this several new members have been admitted to the Society since the last quarter.

The President E. Kelly, reported for the Committee that was appointed to take the Children of Mt. Herbert Orphanage and St. Vincent's Orphanage to a picture at the Prince Edward Theatre. He stated that this was done and the children from both orphanages enjoyed themselves. at the Theatre and were treated after the show with candy, oranges, etc. The President stated that the committee in charge of this undertaking wished to thank the manager of the Prince Edward Theatre for giving this show free and also the ladies from Southport and Mt. Herbert who kindly drove cars, also members of the Society who lent their cars. J. Hogan reported for the boys entertainment that was held on Sept. 25th for members and their sons. This was the first start of a Junior Society for Boys. The boys orchestra proved successful for the short time of practice, there would be another in the near future of the same nature, it was announced.

Under new business, there was twenty-five dollars voted for the Red Cross war work, and ten dollars to the Prince Edward Island Hospital and ten dollars to the Charlottetown Hospital for their campaign. The balance of the meeting was taken up with business of the Society The meeting adjourned with the National Anthem.

New Demands By Japan

CHUNGKING, China, Oct. 7—(AP)—Japan has made new and far-reaching demands on French Indo-China, including the outright cession of an important slice of Tongkin Province, in the northeast corner of the colony, a usually reliable source said today.

This source, reporting receipt of "authentic information," said the second Japanese demand was cession of a northwest strip of the colony's territory to Thailand (Siam).

A third demand was reported to be that Indo-China grant independence to a southern district, presumably Cambodia, where a puppet native government would be established.

Reliable quarters here said that at present there are 30.000 Japanese troops in French Indo-China.

Burglars Make Attempt To Rifle Woolworth Safe

Burglars who gained entrance by prying off a back window almost succeeded in cracking the safe in the Woolworth Store it was revealed when the place was opened for business yesterday.

The knob and dial had almost been pried off the door, the instrument used being left behind by the intruders. It is thought probable that the burglars were frightened off before the job was completed.

Police were investigating the break yesterday but no arrests had been made at a late hour last night.

The tool left behind by the burglars was of heavy metal plate, 8 x 8 inches with a bevelled V and four posts threaded at the ends with bars attached to apply pressure. The V portion was slipped under the knob on the dial and pressure applied. A few minutes more and the burglars would have succeeded in removing the dial when it would be an easy matter to reach the "tumblers" and swing open the door. It is understood there was a considerable amount of cash in the safe.

Police state that the instrument used is well known to the police in Western Canada and the United States.

Some razor blades and other articles were taken off the counter, but with such a miscellaneous stock it is impossible to make a complete check.

Annual Meeting Of Temperance Federation

Despite a regrettable clash with a large denominational gathering the same day, the annual meeting of the Temperance Federation a few days ago drew a fairly representative and enthusiastic number of delegates from a widespread section of the Province.

The meetings—morning and afternoon — were held in the Charlottetown YMCA under the chairmanship of President George E. Brown.

In the enforced absence of the Treasurer, Mr. G. F. Hutcheson, Mr. J. H. McFarlane, Bedeque, read the financial statement, which despite heavy drains in the recent plebiscite campaign, showed a small balance on hand. This reflects both abiding and tangible interest in our work.

President Brown, in giving his year's report, reviewed the activities of the period, and told the body that the Continuation Committee had held many meetings in this time. They were all aimed to strengthen our cause. They did. Continuing, Mr. Brown characterized the Dry victory as "perhaps" the most outstanding feature of the year's work. Paying a glowing tribute to Rev. A.A. MacLeod (at that time Field Secretary, N. S. S. of T.) who assisted us in the campaign, Mr. Brown said that his efficient, untiring service, went far toward the victory achieved. Moreover, the President voiced similar remarks touching Dr. John Coburn's assistance in this effort, and the United Church of Canada in thus placing their Social Service Secretary, almost free of charge, at our disposal. In addition to this most gracious gesture, Mr. Brown continued, many letters from widespread sections of Canada were concrete evidence of the vital interest taken in this campaign. Revs. H. L. Denton, and J. M. Blesedell, the Secretary, who are both leaving the Province, were spoken of in most kindly and appreciative terms by the speaker. The report was regularly adopted with many words of deep-seated praise for the most active, efficient President.

Reinforcing the word, touching the retiring Secretary, Mr. Blesedell was presented with a gift of twenty-five dollars as a material "token of respect and appreciation" of the Federation for his work in the body. In a few words, he thanked the Federation for this tangible and generous expression of goodwill, making it clear that he did not expect any such action. He said that he enjoyed the work more than he could readily say.

By the chair committees were appointed thus:

Resolutions: Mr. J. H. MacFarlane, Rev. D. C. Boothroyd, Mr. R. A. Profitt, Rev. G. C. Webster, (by request)

Nominating: Mr. Thomas Moyse, A. J. Matheson, D. N .MacKay, M. L. A.

The session adjourned at twelve o'clock

Second Session

The second session assembled at 1.15 p. m. with prayer by Rev. John Stirling.

Rev. G. C. Webster, for the benefit of those who were not present in the morning explained the nature of the discussion which took place then— the proposal on the part of a group of City men to introduce a system of Local Option for Charlottetown, thus opening up of the sale of certain intoxicants in that corporation. This was then further discussed bringing out the disastrous results that would unquestionably follow such a course. This proposal drew forth the following resolution:

"Whereas in the recent plebiscite the electors of P. E. I. expressed their desire to retain the Prohibition Act and Whereas the liquor interests of this Province are still very active and Whereas the enforcement of this law is in the hands of the Government.

"Resolved that we, the Prince Edward Island Temperance Federation, in annual session, urge upon the Members of the Provincial Government the necessity for stricter enforcement of the present law thus respecting the will of the people in this regard.

"Further resolved that a letter be sent to each Member of the Legislature acquainting him with our mind and desires.

"We further wish to express our strong disapproval of the suggestion of certain members of the City Council with regard to the breaking of the spirit of the plebiscite, recently taken, by making the City of Charlottetown an exception to the rule and opening up the sale of intoxicants within the corporation. And we respectfully urge the

—9:30 to 1 A. M.—

Admission 25c—Heated Hall—Refreshment

Fire Drill Is Held In City Schools

Pupils in all the city schools interrupted their studies yesterday long enough to go through the annual fire drill. In every case the building was emptied in two minutes as the children quickly and in an orderly manner poured into the school yards as the alarm was sounded.

The rounds of the schools were made by Fire Marshal Chas. A. Beer and his two assistants, Messrs Joseph Crabbe and Fred McWade; Fire Chief Angus McEachern, Councillor James T. McKee, chairman of the Fire and Light Committee, Major T. E. MacNutt, secretary of the School Board.

Queen Square school, with 625 pupils, was first visited. Here all except the primary classes, made their exit by the fire escapes at the rear of the school.

At Upper Prince 545 pupils made their way to the grounds in an orderly manner and it was understood a new method, which would come as a surprise to the pupils, would be tried out later this week to ascertain how they would react.

Rochford Square school, with 600 pupils, made their exits quietly and without rushing. It was noted that many pairs of little pupils left the building holding hands.

The inspection was concluded at West Kent School, where 525 pupils left their seats and reached the school grounds.

The officials were well pleased with the showing made at all the schools. All the teachers carried their school registers in order to check up and make sure all pupils had left the building safely.

At each school two pupils, detailed for the purpose, reached the exits first, holding or hooking the doors back to prevent them slamming shut and causing confusion

ATTENTION FARMERS NEAR CHARLOTTETOWN ON TURNIPS AND POTATOES

Last Spring, when we were soliciting orders for Fertilizer, we mentioned in our ad. that farmers would be well advised to buy their Fertilizer from a dealer who, in return, in the Fall, could take their Potatoes and Turnips. What a true statement that is today.

On Turnips we have an outlet for between five to six thousand bags weekly at our Charlottetown warehouse. On Table Stock Potatoes we prefer buying them graded at the farm, and trucking with our own trucks, but, in a case where the grower is having trouble securing help and owes us for Fertilizer, or has bought his Fertilizer through us for cash, we will haul the Potatoes field run, grade them over our automatic grader, and pay prevailing market price, less grading charges.

To growers who owe us accounts or notes, I want them to clearly understand that we can move all the produce you have, and we expect you to get in touch with the loader along the line who supplied your Fertilizer, or with the office in the next few days.

There has been no established price set on Seed as yet. The differential will be very little above Table Stock, but when price becomes established, we will be in a position to handle your seed. We will want to buy Potatoes, especially Mountains and Turnips outright from farmers who we hope will place their fertilizer orders next spring through us.
