THURSDAY

ISLANDER'S FUNERAL.—The funeral of the late M. H. Sprague, who met his death through an automobile accident, was held from his residence Sunday afternoon at Springhill. The funeral service was conducted by the Masonic Order and Knights of Pythias. A large number of floral offerings were evident. Interment was made at Springhill cemetery.

TO ATTEND FOX MEETING.—Mr. Chester McLure, manager of the P. E. Island Fur Sales Board, leaves this morning for New York to attend a meeting of the Fur Interests of America, to be held on Friday and Saturday. The meeting is being held in the interests of silver fox fur.

PROMOTION FOR ISLANDER.—Speaking of the promotion of C. N. R. police officer Trites, and of his successor, the Moncton Times says: Officer Trites will be succeeded at the depot by former city police officer Joseph E. Wedge, a native of Summerside, P. E. I., who served considerable time on the Moncton police force after his return from three and one half years' service overseas with a Winnipeg battalion. The new officer comes to the railway service with a good record as a city police officer, where under the efficient direction of Chief Rideout, he was well trained in the duties of police work.

DANCE ENJOYED.—The Halloween masquerade dance held in the Orpheus Hall Tuesday night was heartily enjoyed by the forty-five couples in attendance. The costumes were in keeping with the occasion and there was considerable merriment at the unmasking which took place at eleven o'clock. After refreshments were served dancing was resumed and kept up until after midnight. A number of the members of "My Soldier Girl" Company were present by invitation. Music was furnished by Miss Earle, Mrs. Gesner, Mr. Hughes and Mrs. Prowse. Mrs. Jack Fraser and Mrs. George Vanbuskirk were the chaperones.

SERVICES AT APPIN ROAD.—On Monday evening the church at Appin Road had a special campaign. The building was well heated, making it comfortable for the listeners. The singing was heartily joined in, deep interest was displayed and a devotional spirit dominated the entire service. A testimony meeting was held for few minutes in which a number took part. Messrs Metcalfe and Wright of Victoria assisted in the service. Some other parts of the circuit were represented. It is expected that the church will be packed during the week. The services begin at 7.30 sharp. The nights are moonlight and a rare privilege is afforded all.

A very sad event took place at New Orleans, on Wednesday morning, Oct. 20th in the death of Constance Martin, beloved wife of Phyrre Gallant Rev. Father Gaudet administered to her the last rites of the Catholic church. She leaves to mourn a sorrowful husband and one adopted daughter, Mrs. Joseph Dolron of Rock Point and two adopted sons, viz Frank of Boston, Mass and James at home. The funeral service took place on Friday morning to Hope River cemetery and was largely attended. Rev. Father Gaudet conducted the service. The pall bearers were Andrew Rogers, Joseph Gallant, Joachim Gallant, Joseph Gallant, Andrew Dolron and Peter Gallant. May her soul rest in peace.

The death took place on October 9th, 1918 in the Royal Victoria Hospital, Montreal, of Isabelle Walker, beloved wife of Mr. Ingham S. Wright of Campbellton, P. E. I. Mrs. Wright had been in delicate health for the past year, and had gone to Montreal for treatment and hopes were entertained for her recovery, but in spite of all that the best medical skill and tender nursing could do, her gentle spirit took its flight to her God. The late Mrs. Wright was a highly respected lady, possessing a very charitable disposition and an affable and genial manner, qualities which won for her the friendship and esteem of all who knew her. Her charity and never ending kindnesses will leave a void which time alone will fill while round her memory will be cherished the secret of life's happiness, unselfish service for the good of others. The deceased, was a daughter of Mr. John Walker of Freetown, where the funeral service was held Sunday Oct. 13 conducted by the Rev. Mr. McQuarrie of Bebedue and Rev. Mr. Rice of Summerside. Very tenderly the remains of our near and dear were laid to rest in Bebedue Cemetery, there in dreamless slumber to rest till the day break and the shadows flee away. There are left to mourn a sorrow stricken husband an aged father, four sisters and four brothers.

TO JUDGE LIVE FOXES.—Mr. Chester McLure, manager of the P. E. Island Fur Sales Board received an invitation yesterday to be a judge at an exhibition of live silver foxes to be held in Boston on December 10th and 11th next. This is the first show of the kind ever held in America. It is being held under the auspices of the American Fox Breeders Association. The other judge will be Dr. Ned Dearborn of Washington, who has charge of the Experimental Fox Station of the United States. Already fifty entries have been made and accommodation has been made for over one hundred entries. The Guardian hopes that Island fox men will take full advantage of the opportunity this show will afford of letting the world see the wonderful stock that is produced here. Mr. McLure has wired his acceptance of the offer to act as a judge. It is certainly a high compliment to him and shows how his ability as an expert in this line is regarded abroad.

FORWARD MOVEMENT LUNCHEON.—Some forty of the men of St. James and Zion congregations attended a luncheon given in St. James' Hall at 1 o'clock yesterday in connection with the Forward Movement. Judge Stewart presided. The report was a splendid one reflecting the highest credit upon the ladies of St. James congregation who were responsible for it. After all had done full justice to the good things provided, an address was delivered by Rev. R. W. Ross, of Halifax, organizer of the Movement for the Presbyterian Church. After voicing his pleasure at meeting the men of the church Mr. Ross stated that the prospects of the Forward Movement were exceedingly good and that already very encouraging progress was being made. He explained that in connection with the Movement was to be a great Peace Thank Offering which the church is to make. The church must be put on a war basis and men must give with all their hearts in the great work of reconstruction. The movement is a rallying of the spiritual forces of the church and for the requirements in the way of equipment and extension work the share of the Presbyterian church of the great fund being raised will be four million dollars. There is much to be done in the work of furthering the Kingdom of Christ and if he people will only put their hearts into this work with the same zeal as he did in the effort to win the war big things will be accomplished. In concluding Rev. Mr. Ross thanked the men for their presence at the gathering and expressed the hope that when the time came they would all heartily respond to the demands of them. Rev. Dr. Robertson spoke briefly thanking the ladies for the splendid repast provided.

FOOTBALL ?—It is to be regretted that the third game in the series of football matches arranged between St. Dunstan's and the Abegweils has been held up owing to a disagreement in regard to choice of referee. The last game was a decided improvement over the previous games, that it is a pity that anything should arise at this stage of the proceedings. Surely a game can be arranged for Tuesday next—Armistice Day?
