Celebrates His Silver Jubilee of Ordination

On New Year's day, 1945, Kinkora Hall was the scene of an interesting event when the people of the parish gathered to honor their pastor, Right Reverend J. A. Murphy, D.D. on the occasion of the Silver Jubilee of his ordination to the Holy Priesthood.

The children of the parish presented a picturesque and well performed program in which they paid tribute to the Jubilarian in song and verse. At the end of a pageant, "The Rosary of Love", in which each small child representing a mystery of the Rosary placed a rose in a decorated basket, a little page presented Monsignor Murphy with the basket of roses and a beautiful hand-painted Spiritual Offering containing the prayers offered by all the children under his care for this joyful anniversary.

Following the children's program the chairman, Mr. Eugene Smith, called on Mr. John W. Farmer and Mr. John A. Smith who came forward to express the congratulations and good wishes of the parishioners by reading and address and presenting Monsignor Murphy with a well-filled purse. The full text of the address is given below.

On behalf of the Catholic Women's League, Mrs. Henry Trainor read a congratulatory address and Mrs. A. E. Kelly presented a gift of money. Monsignor Murphy spoke in gracious reply, expressing his sincere thanks to all who had in any way contributed to the celebration of his Silver Jubilee. He referred fittingly to those who had been with him twenty five years ago on the day of his ordination, most of them now gone,—his mother; the ordaining prelate, Archbishop O'Leary; the preacher, Rev. Dr. M. J. Smith; his Assistant at Ordination; Rev. P. D. McGuigan and his class mates ordained on the same day, Reverend Lawrence Smith, Reverend Pope McMahor, and Reverend R. St. John now laboring in western U. S. A.

Rt. Rev. J. A. Murphy, D.D.

Beloved Pastors

At the conclusion of Monsignor Murphy's remarks Mr. James McCardle in an eloquent speech congratulated the Jubilarian. In a brief outline of the history of the parish, he drew attention to the fact that this was the fourth time the people of Kinkora were privileged to celebrate the Silver Jubilee of their pastor, for the three former parish priests, Father Patrick Doyle, Father John J. MacDonald, and Father M. J. Smith all attained a quarter century of priestly service while residing here. In paying tribute to the memory of those beloved pastors, Mr. McCardle said that Kinkora has always been singularly blessed in having pastors oustanding in their ability and in their zeal for the welfare of their people, and in the short time Monsignor Murphy has been here he has proved himself no exception. While they labored with untiring devotion to promote the spiritual status of the parish, the temporal side was not neglected and each of these former pastors left behind worthy monuments, the Parish Residence built in 1886 by Father Doyle, the beautiful church built in 1900 by Father John and the convent established in 1921 by Father Smith.

He then referred to the splendid work done already in the parish by Monsignor Murphy and expressed the gratitude of the people for the manner in which he has cheerfully sacrificed many former interests which had brought him great prestige and devoted himself so whole-heartedly to the service of his flock. Felicitations were also offered in brief speeches by Mr. Joseph Trainor, Mr. P. L. Morris, Mr. John R. McCabe and Mrs. Michael McKenna.

On December 28 a number of the clergy attended a dinner given in honor of Monsignor Murphy's Jubilee. It was regrettable that a severe snow storm prevented a larger attendance and necessiated the postponement of the parish-program which was to have been on the same day.

Monsignor Murphy also received many gifts and messages of congratulations from friends in various parts of Canada and United States, who all desired to rejoice with him on the completion of twenty-five years in the Holy Priesthood and to wish him many more happy and fruitful years in the Master's Vineyard.

Address

Right Reverend J. A. Murphy, D. P.
Pastor, Kinkora.

Dear Monsignor,

We your parishoners, Right Reverend Monsignor, rejoice in the opportunity afforded by the 25th Anniversary of your Ordination to the holy priesthood to tender you testimony of our esteem and gratitude while expressing our good wishes.

We should not be true sons and daughters of our ancestors if we did not have an inborn respect for the priest, "the ambassador of Christ and the dispenser of the mysteries of God." The priest is our mediator who offers for us the Holy Sacrifice, the highest act of divine service. This anointed one, chosen from among us, receives us into the Church of God, shrives us when in our weakness we fall, brings God down upon our altars and feeds us the Bread of Life, blesses our marriage vows, and with Holy Oils strengthens us in our last struggle. Besides all this the priest, and especially, the pastor, is our teacher, our counseller, our friend in every need—in brief, he is our Spiritual Father.

When God called you to the priesthood, Monsignor, He chose one whom He had especially endowed with the qualities of mind and heart to form the ideal "Seggarth Aroon." You have not been long with us in Kinkora but we felt acquainted with you before you came to us as pastor—many students from our parish had had contacts with you as professor and friend; we know them by repute, your gracious friendliness, your solicitous interest for each individuals' welfare, your tact and patience in difficulties, your capacity for leadership, your devoted kindness to the poor, the sick and afflicted, your spirit of piety and your zeal for the spread of Christ's Kingdom. We were, indeed, very pleased when we learned of your appointment to succeed the late lamented Reverend Doctor Smith and our high hopes have not been disappointed.

We are grateful to you for the respect and esteem you have shown the memory of our deceased pastor, who, like you, never spared himself when there was question of the spiritual welfare of his flock.

We trust you have found us, his parishioners and yours, true Catholics in spirit, even if through the frailty of human nature we may not always live up to our high ideals. We urge you, Monsignor, to "reprove, entreat, rebuke" when you deem it necessary. We thank you, in the name of all parishioners for your ministrations and we pledge our loyalty and obedience.

We offer you our very sincere congratulations on your silver Jubilee and all that it means with its richness of twenty five years of priestly service. We promise to keep in mind—and in the minds of our children—that duty we have of praying for our pastor, and we hope that every blessing may be yours as the years go by till the silver of this year's celebration turns to gold and beyond.

Your Parishioners.
