ISLANDER'S SUCCESS—In the issue of the Calgary Herald of June 29th, just to hand is an interesting write-up covering nearly three pages of the paper, on the business success of Mr. D. A. McLeod, formerly of thic city. The article is embellished with cuts of the prominent members, including the genial owner. Mr. F. Farrow, formerly of Summerside, is store superintendent and Miss L. A. Passmore, private secretary, Scott McLeod is first manager. General views of the store are also given. The article reads like a story in fiction. It deals with Mr. McLeod's life from the time of his birth and education in Bedeque, P. E. Island. He started his career with the firm of Beer Bros., Charlottetown. did the work that was nearest, though it was dull at times, then got the start he was looking for when at an early age he was sent as buyer to England. Since then he has never looked back. He believes in profit and loss sharing with all employees. Consequently each man takes keen interest in the business. Throughout the whole store in the spirit of co-operation which means so much. D. A. McLeod sticks to his business, and finds his business sticking to him. The article contains "Some Hints on Doing Business," by Mr. McLeod and no doubt those same hints have helped him make the huge success of his big store, the 17th anniversary of which he is celebrating.
