NEW WONDERLAND TONIGHT

Greatest Military Picture Ever Put on Canvas.

New Wonderland has secured for the special benefit of the militia men now in camp, the elegant reel "Is an Invasion Possible?" This picture has been secured under considerable expense, but the management feel confident that their efforts will be appreciated. See the regulars fitting up their tents ready to camp until they get the order to move. Old England's battleships in full battle costume. The naval engagements, showing clearly every movement in the loading and discharging of the 4.7 guns. See the cavalry on the gallop, the infantry on the march, the signal corps sending their messages with the heliograph and flag—messages all militiamen who are conversant with signalling can read. See the man o'war's landing guns etc. A description of this picture is almost impossible and any military man who misses it, misses the treat of his life. The latter part of the reel shows His Majesty on board and the operator will arrange so that the patrons will have a good long view of this part of the reel.

The other pictures are also good but "Is an Invasion Possible" is only one of the few real English pictures that can be secured.

CONDITIONS OF THE BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course, answer the 50 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.
2. Each contestant, or his or her family, must be a subscriber to the Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.
3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.
4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 inches.
5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut off so the examiner may know it by number only.
6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.
7. The answers from this Local Club must be delivered to this office, and they will be collected at headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given' out to-day

Regular routine work was gone through with at camp yesterday. In the evening Battalion drill with the heavy guns harnessed, and was witnessed by a large number of people. Marching to the straggle of their splendid band the entire Fourth Regiment appeared in perfect order. The sight was a most stirring one to say the least. Only one more day, and the time for inspection will arrive. Everything is in readiness and there is not a question of doubt that when the day is over every man woman and child in this city will be prouder than ever of one of the crack regiments of Canada.

THE CITY POLICE COURT.

Only one case claimed the attention of the City Police Court yesterday namely that of MacDonald versus Dafferty a case of assault which was adjourned till July thirteenth. In the police court report which appeared in yesterday's issue the name of Walter Munn charged with being drunk and disorderly, and that of William McVae charged with being drunk was inadvertently omitted and should have been published. In the daily of June 30th the name of Hudson MacLeod who for being drunk received the sentence of \$4.00 or 15 days, should also have appeared.

TO CHARLOTTETOWN.

Rev. Dr. Heartz, who has been the acting pastor of the Trinity Methodist Church, during the past year will deliver his "farewell" sermon to that congregation tomorrow, and early in the week, he and Mrs. Heartz, will leave for Charlottetown, P. E. I., where they expect to remain during the summer. During the past year Dr. Heartz, although a very busy man has labored successfully for the upbuilding of the Trinity Methodist church, and has given time, energy and money to the best of his labor of love and self-sacrifice on behalf of the congregation will long be remembered by its members.—Amherst News 3rd.

A Bowel Medicine Prevents Constipation, Appendicitis, Keeps Complexion Clear, Assures Sound Health.

Two Remarkable Cases Described by Mr. Hugh Cameron of P. O. Station, Ont., Proving the Merit of **Dr. Hamilton's Pills.**

"I am now quite an old man," writes Mr. Cameron, "it being sixty-six years since I left my native town, in Scotland. In that time I have witnessed much sickness and suffering. One case I recall occurred with a neighbor who I heard was about ready to die with appendicitis. I went to see him and found he had been ordered to the hospital a few weeks ago for an operation. But he put it off and I found him in bed suffering agony—four days had elapsed since his bowels moved. Having used Dr. Hamilton's Pills regularly for 25 years I knew they would help him and I gave three pills. In two days he was around, and I know that ever since his man has enjoyed excellent health and simply because he used Dr. Hamilton's Pills three times a week. No case of constipation can possibly go uncured if treated with Dr. Hamilton's Pills."

"In my own family we use practically no other medicine but Dr. Hamilton's Pills. To keep the digestion good, to regulate the bowels and maintain healthy action of the liver and kidneys no remedy I ever heard of is so dependable and so certain to do good as Dr. Hamilton's Pills. For the father who lives as I do, far from a doctor and drug store, the knowledge of the power and wide usefulness of Dr. Hamilton's Pills for all family ills is very valuable. I have administered them for nearly every complaint for which they are recommended and in each case his honest medicine cured."

Signed, Hugh Cameron, Folger Station, P. O., Ont. Dr. Hamilton's Pills are an old and proven cure for all disorders of the stomach, liver and bowels—good for children—good for old folks—just what everyone in poor health requires, 25c. per box, or five boxes for \$1.00, at all dealers, or The Catarthozone Company, Kingston, Ont.

COW-EASE Relieves Cattle and Horses From Flies

A liquid preparation carefully compounded from nonpoisonous materials. It is of the right consistency for applying with a sprayer, and it will not gum up the hair or blister the skin. Every dairyman and every owner of livestock should use Cow-Ease during the summer season. Its use is a humane act, and it also saves money for the stock owner, as a herd of milch cows that are sprayed regularly through the summer months will yield on the average from 10 to 20 per cent. more milk than they would if Cow-Ease was not applied. In the case of horses; a mettlesome horse will lose flesh in fly time, whereas if he is sprayed with Cow-Ease before driving, he will keep in good condition.

Will Kill Lice and Vermin. A light application of Cow-Ease will relieve cattle from lice. Cow-Ease is an excellent article for spraying the interior of hen coops. It will eradicate vermin. Cow-Ease is splendid for spraying the interior of horse stalls and will keep the flies away.
