AL. G. BARNES CIRCUS IS COMING HERE SOON

Get ready!

The Circus is coming!

The Al G. Barnes show, one of the world's largest, will exhibit in Charlottetown on Monday, July 30.

Three special trains are used this season to transport this great organization from city to city. Traveling with the great organization are 1,080 employees in addition to 108 advance men. Twenty-two tents covering twelve acres of ground house the transient city in the daytime. The circus has its own doctor, lawyer, dentist, U. S. postman, detectives, blacksmith, carpenters and, in fact, every artisan in the average small city.

The famous Al G. Barnes menagerie, declared to be the finest and most complete traveling zoo in the world, is a part of the show. Many new, rare and costly specimens of the wild animal kingdom have been gathered from all parts of the globe. Tapirs, gnus, Vlaak Varks, lions, tigers, camels, dromedaries, zebras, leopards, panthers, yaks, emus, jaguars, clands, seals, and three herds of elephants are but a part of the traveling university of natural history.

The wonder spectacle of all time, the "Fiesta of the Rio Grande," a gorgeous processional fiesta of old Spain, is used this season as a prelude to the circus proper. More than 1,000 men, women, horses, camels and elephants take part in this never-to-be-forgotten pantomime of enchantment. Upwards of $70,000 was expended on the wardrobe. The mighty audiences which daily greet the magnificent production are among the largest that have ever been drawn together in the history of the amusement world.

Great stars from eighteen foreign countries, the respective champions in their line, participate in the gigantic display of arenic numbers. The trained wild animal displays are headed by Miss Mabel Stark, Johnny Myers and Capt. Terrell Jacobs. In massive steel girted arenas will be seen performing lions, tigers, jaguars, and pumas, all subjugated by master trainers. Forty dancing horses and forty dancing girls will be seen in a horse show unparalleled. Among the sixty equestrians will be "Poodles" Hanneford, the riding clown, and the Hanneford family of equestrians. The petite and charming Esther Escalante, intrepid aerialist comes from old Mexico to thrill and amaze you. From Europe will be the amazing Flying Clarkonians, international aerialists. Sixty clowns will furnish fun for the little folks.

Performances will be given at 2 and 8 p. m. Doors will be opened an hour earlier to permit an inspection of the zoo or to enjoy a concert of popular an doperatic music by Prof Redrick and his militarp band.

W. M. S. Rally At. St. Peter's Bay

The King's County Rally of the Women's Missionary Society, Prince Edward Island Presbyterial, was held at St. Peter's Bay United Church on Tuesday, July 10, 1934.

Mrs. F. E. Boothroyd, the President of the Presbyterial was in the chair. The worship service at the afternono session was conducted by members of the St. Peter's and Marie auxiliaries, under the leadership of Mrs. W. E. Aitken. The program was as follows: Hymn, "The Lord's My Shepherd", Scripture reading from the fifth chapter of Matthew by Mrs. Russel Webster; Silent Prayer, after which Mrs. Kimble Webster and Mrs. McPhee led in prayer; Duet, "I Would Be Like Jesus" rendered by Mrs. Bulmer and Miss Anderson; Hymn, "Breathe on me breath of God."

The address of welcome was given by Mrs. Hobbs and the response by Mrs. Picketts.

The President called the roll. A large number of auxiliaries throughout King's County were represented.

A paper on Mission Band work was given by Mrs. Hazen Howard, which was followed with an exercise, "Missionary Dolls", by four girls from the St. Peter's Mission Band.

A message from the Christian Stewardship Secretary, Mrs. A. J. Matheson, was read by Mrs. Aitken.

Miss Linnie Aitken sang a solo, "Why should He love me so."

The Stranger's Secretary, Mrs. L. H. Douglas, gave a summary of this department of the work.

A message from the Literature Secretary, Mrs. John Stirling, was read by Mrs. Boothroyd.

A paper on Temperance, written by Miss Alice Gordon, was given by Mrs. Brent Matthew. The Hymn "In Christ there is no East or West" followed.

A helpful Round Table Conference was conducted by Mrs. W. A. Thompson. It was agreed that a special greeting be sent by the Rally to Miss Beryl Morson, missionary on furlough from India. It was a pleasure to have her mother, Mrs. Morson of Dundas, present at the session.

The "Quiet Half Hour" was conducted by the President, Mrs. Boothroyd. The hymn "We give Thee but Thine Own," was followed with prayer by the President, who then expressed a few thoughts concerning the hymns, "Tell me the old, old story" and "I love to tell the story." This session closed with the prayer hymn "Lord, speak to me, that I may speak in living echoes of Thy tone."

The worship service of the evening session was under the direction of the Souris Auxiliary, led by Mrs. John G. Hockin.

The service opened with the hymn "I am Thine O Lord." Prayer was offered by Mrs. W. A. Thompson The scripture from the tenth chapter of Romans was given by Mrs. Laird. A male quartette from Dundas rendered "Peace, peace, wonderful peace." This was followed by the hymn "All people that on earth do dwell."

Mrs. Thompson spoke a few words concerning the United Church Camp at Berwick, N.S., stating that a cottage on the Camp Ground has been presented to the Woman's Missionary Society, and to assist in furnishing it, the P. E. I. Presbyterial has been asked to donate one couch. Part of the offering which was then received is to go for this purpose.

Miss Strothard, missionary on furlough from Japan, gave a very interesting talk, based on the country in which she has labored, revealing some of the triumphs taking place there, which are made possible only through the Woman's Missionary Society.

After the hymn "'Christ for the world' we sing," Mr. Burdette sang a solo "Open the Gates of the Temple."

An address was given by Mrs. L. W. Parker, President of the Maritime Branch of the W. M. S. of the United Church of Canada, who stressed the importance of Christian character, urging that since it is the duty of each one "to keep this Canada of ours for Christ and to carry His message through all the world," that the people of Prince Edward Island go their utmost to carry on their missionary tradition.

A selection "Just outside the door" was rendered by the quartette. Verses from the hymn "The day Thou gavest, Lord, is ended," were sung and the Rally was brought to a close with prayer and the benediction by Rev. F. E. Boothroyd.—H.

RUGGED COUNTRY DELAYS LINK-UP CANADA HIGHWAY

(By The Canadian Press)

TORONTO, July 18—The rocky tangled terrain along the northern shore of Lake Superior now presents the only obstacles to the completion of the Trans-Canada Highway from coast to coast.

Motorists may now drive from Halifax on the Atlantic Coast, to a point 45 miles north of Sault Ste. Marie, in Northern Ontario, over reasonably good pavement and gravel roads. From there to Nipigon, however, roughly a distance of 300 miles, lies a rugged stretch over which no car can pass. Here are masses of solid rock of all shapes and formations. There are trees and tangled undergrowth ravines, gullies and numerous rivers.

Two legs on the uncompleted Northern Ontario section have been surveyed and the work planned, but when they will be completed is problematical. One leg runs from the Soo to White River, noted as Canada's champion cold spot in wintertime. The other swings from White River to Hearst. Very little work has been done on either of these stretches yet.

There is a road from Nipigon to Port Arthur, while from Port Arthus to the Manitoba boundary only about 30 miles of the highway still remains uncompleted. Work on this section if being pushed ahead and it is expected that it will be opened by this coming Fall.

From the Ontario - Manitoba boundary the chain of motor roads stretches all the way to Vancouver on the Pacific coast.

Twenty-five thousand bronzed young Canadians are at present engaged in pushing forward the Trans Canada highway building programme. The majority are battling with Northern Ontario's wilderness. Throughout the rest of the country, however, much improvement and repair work is being done.

When these workers reach their goal, the quarter century dream of Canadian motorists will have come true. They will then be able to start in their cars at Halifax and drive to Vancouver, without having to detour through the United States.

Sullivan was paying a visit to New York. On his first night there, he was dining out with an American friend when the latter said:

"You know, Mr. Sullivan, there's a big difference in time between my country and yours. While we are enjoying ourselves now, your folks in Cork are in bed and asleep."

"And isn't that always the way?" exclaimed Sullivan, indignantly. "Ireland nivver got justice yit!"

After the ceremony the bridal party motored to the home of the bride where a very daintily prepared supper was served. A large number of charivariers assembled to do honor to the newly married couple. The bride is very popular among a wide circle of friends and an active worker in the United Church and choir at Kingston. They are followed by the best wishes of their many friends.

SCHOOL CONCERT AT VICTORY—The annual school concert was held in Victoria Hall to a capacity audience the program was a work of art, by both teachers and pupils. The children were trained by Miss Bertha Thompson, and Mrs. Leith Boswell. Some splendid and unusual numbers were carried out. Of particular interest was a one act play entitled The Pied Piper. Mr. Charles Howatt as chairman annonced the following program: Chorus by the school, British to the Core; Duet, Mabel Boswell and Jackie Holland; Mother Goose Fairy Tales; Star Drill, 12 junior girls; Reading, Isabel Inman; Play, Pied Piper; Patriotic Drill, 12 senior Girls. At the close of the program grading certificates and prizes were given to the different pupils. The chairman expressed his thanks to the Women's Institute for donating a number of these prizes. A vote of thanks commending the teachers and particularly Miss Thompson for their interest in this important part of the childrens education, as well as the excellent work done during the year, was moved by Mr. Keith Boswell and seconded by Mr. Fred Inman, after which the National Anthem was sung.

Fear For Life Of Esthonian Seaman in N.S.

LIVERPOOL, N.S. July 17—(C. P.)—Mounted Police are dragging the waters of Liverpool Harbor tonight, hoping to find some trace of an Esthonian seaman, feared drowned.

Leaving an unintelligible scrawl, August Lebb, the 54-year-old Esthonian, who was ship's carpenter aboard the freighter Parracombe, disappeared last night.

The note, according to police, was written in broken English interspersed with words of his native tongue, and it told Captain Hart who discovered it this morning, that Lebb was dissatisfied and tired of life.

The missing seaman's clothes and other belongings were found untouched. Personal papers were written in the Esthonian language, and, when translated, may furnish a clew to his disappearance.

The Parracrombie is a British ship of 8,5500 tons and is here loading a cargo of pulpwood for New ealand. Included in the crew are 11 Arabs.

SERVED IN R. A. F. FLEW MAIL PLANE NOW STUNT PILOT

(By The Canadian Press)

NEW YORK, July 18—An American pilot credited with bringing down a score of German planes while a member of the Royal Air Force, and who carried the first international air mail to Winnipeg from Grand Forks, N. D., 15 years ago, is doing a freak and stunt act for the air circus at Floyd Bennett airport. His clown act, he says, is just one way of making a living—"it's a lot of fun."

Captain Richard C. Granere, then of Rock Island, Ill., crossed the border and joined the Canadian Expeditionary Force in 1916, because he believed the United States would not get into the war and he wanted to be a soldier. He transferred to the Royal Air Force and shot down his first plane at Ypres. He fought in four major battles and thinks he shot down 30 planes, though he is credited officially with 19. "That's enough, I guess, for one man," says the captain.

After the war he worked for an aircraft company in Canada. Then he freelanced, ran an airport of his own, flew for the news-reels and ended up as a clown aviator.

Capt. Granere, 43, tall and silent is married and has three children. The pilot's oldest boy is also an aviator. He says his wife never worries about him. At his circus job he makes $75 an hour and the show lasts two and a half hours. This is how he tells about his act:

"I put a parachute jumper into my plane. Then we move into the field. The announcer yells that we are holding up the show. The crowd thinks we are a couple of recruits. Then I get up into the air and roll the plane over.

"We are upside down, you see. The jumper falls out. Down in the field the announcer, all excited, yells that the pilot fell off. Then I make the aeroplane go down as if it was falling. I bring it down behind a hangar or some trees or something. Then I take it up again. I shut the gas off at 5,000 feet. The propellor stops. I do spins, rolls and loops. Then I land it with the propeller still and the engine off right in front of all the people."

Captain Granere says stunt flyers are not much different from other people. "They drink, sure. Some moderately and some as much as they can hold. It is not much fun to fly with a hangover, but it is not much fun to do anything with a hangover."
