WELL-FED, BALD-HEADED MAN EMPLOYED TO ADVERTISE PARIS CAFE ON BOULEVARD

A Paris cafe proprietor has hit upon an ingenious idea to advertise his place of business. As the crowds on the boulevards pass they see in a corner seat a well-fed man on whose bald head is lettered in black, "Come tonight to the Cafe du Nord."

All the world's a stage, and to the trump is assigned a walking part.

The man who is unsuccessful in love at least escapes the horrors of war that frequently follow success.

CONTEST CLOSES SATURDAY MIDNIGHT! CANDIDATES! SLOGAN This WEEK Is "NOW, OR NEVER!"

CANDIDATES! WIN the Gray Dort Via The Second Payment Plan This Week! It is Your Last Chance

Here is a Plan to get Millions of Votes The Second Payment Plan. If you have worked your territory thoroughly and do not know where to turn for subscriptions, why not call on the surrounding towns or see the farmers on the rural routes? Or, if you are not in a position to get out of your town, why not try to get second payments from the subscribers who have given you short term subscriptions? YOU CAN GAIN MILLIONS OF VOTES IN THIS WAY. For instance: Suppose Mr. A. gave you a six months subscription the first week of the contest, or when the first vote schedule was in force. With the Triple votes, you received 24,000 votes for this six months subscription. NOW, if you ask Mr. A. to give you another six months, which would make up a full year, you will receive enough additional votes for the second payment to make up the votes allowed for a full year's subscription during the period when the first payment was made, or 72,000 votes. If Mr. A's was a new subscription when the first payment was made you would add 15,000 extra votes to the 72,000 votes. This second payment would now also entitle Mr. A. to a guess in the subscriber's prediction contest. Or suppose Mr. B. gave you a one year's subscription during the first vote schedule. You received 96,000 votes for the subscription. NOW, if he gives you another four years to make up the full five years, you would receive the difference between 864,000 votes which was given for a five year's subscription, when the first payment was made, and the 96,000 votes you have already received, or 768,000 votes. IN OTHER WORDS, TRIPLE THE SCHEDULE WHICH WAS IN FORCE WHEN THE FIRST PAYMENT WAS MADE AND SUBTRACT THE VOTES GIVEN FOR FIVE YEARS AND YOU WILL HAVE THE NUMBER OF VOTES GIVEN YOU FOR YOUR SECOND PAYMENT OF FOUR YEARS. SUBSCRIPTIONS OF THIS KIND ARE TO BE MARKED "SECOND PAYMENT" ON THE MIDDLE RECEIPT STUB AND THE DATE OF THE FIRST PAYMENT MUST ALSO BE GIVEN.

ATTENTION! The race for the Gray Dort is exceptionally close so far You would never cease regretting it if you lost out on this prize by only a few subscriptions. "CINCH" IT THIS WEEK
