Pirates Hand New York Giants First Shutout

By The Canadian Press

Elwin (Preacher) Roe handed New York Giants their first shutout of the year, 4-0, at home today to give Pittsburg Pirates an even break in their National League doubleheader before the largest crowd of the season, 46,575 paid. Bill Voiselle hurled his eighth victory without a defeat in the opener, the Ottmen winning 5-1.

Ernie Lombardi hit his seventh homer in the first game to tie Mel Ott and Phil Weintraub for the league lead

Roe permitted only three hits and fanned eight in the nightcap as he hung up his third triumph.

Chicago Cubs swept a doubleheader at Brooklyn 4-2 and 4-1 to move into fourth place in the league. Paul Derringer and Hank Wyse went the route for the Cubs, the former registering his fifth win and the latter his fourth.

The biggest local crowd of the season, 33,708 paid, saw the veteran Derringer get the decision over Curt Davis, another old timer who drew his second reversal. Bill Nicholson hit his fourth homer of the season in the third.

Coaker Triplett's double brought home the deciding marker in the ninth inning at Philadelphia to give Phillies a 7-6 victory over St. Louis Carinals in the second game of a twin bill after the Redbirds triumphed 6-2 in the opener.

Triplett's hit, scoring Glenn Crawford, a formal Cardinal, from second base, preserved relief hurler Andy Karl's perfect mound record, giving him his third straight win before 14,625 paid attendance

Vince Di Maggio scored his fifth home run of the year in the fourth inning with the bases loaded.

The Braves slugged three Cincinnati pitchers for 13 hits, including four doubles and a triple, to beat the Reds 9-4 at Boston in the second game of a doubleheader The Reds won the first contest 10-8.

In the two games, both clubs sprayed 52 hits over the park including four home runs, one triple and 14 doubles.

Bucky Walters won the first game, his first triumph of the year, although he wasn't around at the finish. He gave up 15 hits before being lifted, but helped his own cause by belting two home runs.

Red Barrett went all the way for the Braves in the afterpiece although giving up 11 hits.

All the Saturday games were rained out.

Chess Meet At Local Airport Is Big Success

A very enjoyable chess meet was held at the Officers' Mess at the local airport on Thursday evening when the chess players of No. 2 A.N.S., R.C.A.F. were hosts to the members of the Charlottetown Chess Club and their friends.

During the first half of the evening some of those attending engaged in individual contests, the others pitted themselves against Sqdn-Ldr. Collacott who in playing each of them simultaneously gave proof of his skill by winning nearly all his games.

At 10 P.M. tasty refreshments were served which were very much appreciated.

Following this Sqdn. Ldr. Collacott gave an illustrated talk on strategy in the opening and middle game. He used for the purpose a large demonstration chess board. He also gave another interesting demonstration which concluded the evening.

Among those representing the Charlottetown Chess Club were: H K S. Hemming, vice-president, Noel Regan, secretary, Dr. Murchison, A E. Russell, C F. Bentley, Charles Toombs and Bert Patterson, all of Charlottetown; and Roy Coles and Percy Hooper of Milton.

It is hoped that it will be possible to arrange shortly another meeting between the two groups.

S'side Softball Team Defeats Kensington 21-9

A very interesting game of softball was played on the Summerside school diamond on Wednesday evening between Kensington Silver Wings and the Summerside All Stars. Although the Kensington aggregation were defeated by the All Stars 21 to 9 it was a closely fought contest. Stright on the mound for the All Stars pitched a beautiful game allowing only 9 hits and was given splendid support by his team-mates. MacKay and Walker made sensational catches in the field to rob batters of what seemed like sure runs. Kennedy in the field for Kensington made a couple of beautiful catches to rob Schurman of sure homers.

On the mound for Kensington, Duffy pitched nice ball but was walloped for 16 hits by the Stars. Walker led the attack for Summerside with three homers and a triple and was closely followed by Landry who hit four for five. Saunders was the big factor in the Kensington squad. In the third inning he hit a terrific homer to left field which MacKay had no chance to handle. He also played good ball around second.

Herb Schurman called the balls and strikes and was umpire-in-chief with MacFarlane and Kennedy handling the bases. The Summerside boys appreciated the presence of those who attended the game and hope that more will turn out on May 24th when it is hoped to have a doubleheader.—S.

White Sox Remain At Top Of American League

(By The Canadian Press)

Chicago White Sox stayed atop the American League as they won both ends of a doubleheader at home from Boston Red Sox, 4-2 and 8-2 before 12,773 fans. Thornton Lee scattered nine hits in the first game to win his fifth victory and Orval Grove held the Boston nine to seven hits in the nightcap for his third win.

Lee and Grove, however, tossed home run balls that beat them out of shutouts. Leon Culberson homered in the first game with a man on and George Metkovich, who took over first base in the nightcap hit one into the right field stands with Jack Tobin on base in the seventh.

Tiny Marino Pieretti outpitched Al Benton of Detroit Tigers in the nightcap as Washington gained an even break in a doubleheader at Detroit, winning the second game 1-0 on a three-hitter after Detroit had taken the opener 4-1.

Washington's ninth inning run off Benton broke the big Detroit righthander's string of five straight victories and ended his shutout streak at 32 innings. It was the second earned run off Benton in six games.

For the eighth and ninth consecutive times over a two-year span New York Yankees went down to defeat at the hands of the St. Louis Browns. The scores were 10-1 and 5-2 at St. Louis.

The two victories gave the Browns four straight triumphs over the New Yorkers in three days and boosted the champions into a second-place tie with the Detroit Tigers, two games behind the pace-setting Chicago White Sox.

Horse Racing Returns To N. Y. Today

By TED MEIER

NEW YORK, May 20 — (AP) — Champing at the bit in much the same manner as the horses, New York's turf fans today were ready to welcome racing back to the big city tomorrow after a six-month absence.

A crowd of 40,000 was expected to be on hand at the Jamaica track on Long Island when the bugle sounds for the first race at 1.30 p. m. E.D.T. A $2,000,000-betting mark seemed assured.

The day is the first of New York's 144-day season, cut by the ban on the thoroughbreds that only recently was lifted. The season ordinarily would have started April 8.

Mt. A. Track Meet Today

SACKVILLE, N.B., May 20 — (CP) — Mount Allison University's fifth annual invitation track and field meet, scheduled for Saturday, was postponed until tomorrow as a result of recent heavy rains. The field was covered with more water than at any previous time in memory.

Pope Pius Praises Sport; Cautions Against Excess

VATICAN CITY, May 20 — (AP) Pope Pius declared today that sport based on fair play "elevates the spirit above small-mindedness, dishonesty and trickery," but he cautioned against participation to excess

Speaking to thousands of Italian athletes gathered in the courtyard of St. Damaso, the Pontiff said: "What would be the use of physical courage and force of character if Christians only exploited them for the worldly ends of winning a cup or giving themselves the airs of supermen?"

"What would be the use of all this if they did not find within themselves—should this prove necessary—sufficient resolve to sleep a half hour less, or be late for training, rather than go without assisting at mass on Sundays?"

The Pontiff, extolling sport as a means of developing will power and a Christian domination of the human body, said the Church always held the body in higher esteem than did materialists, regarding it as a "masterpiece of God" and a "temple of the holy spirit."

He asserted that sport was an antidote to the lazy life and that it developed a sense of order and inspired moral strength and greatness.

Dr. Rosenberg is Caught By Allies

LONDON, May 20 —(AP)—Dr. Alfred Rosenberg, dandy, scented arch-philosopher of Nazism and leader of Germany's anti-Russian "crusade," has been caught in the dragnet of fugitive Nazi leaders, a dispatch from the British 2nd Army front said Saturday night.

Rosenberg, sometimes called Hitler's "father confessor" and Reichminister for former German-occupied Eastern Europe, was found in a Flensburg hospital, a British officer said, as the search went on for Nazi hangman Heinrich Himmler.

Meanwhile, diplomatic quarters said that the involved problem of just who is going to try big-shot German war criminals may speed a meeting of the "Big Three" leaders of Britain, the United States and Russia.

Russia's long-standing refusal to join the 16-nation War Crimes Commission has posed problems of pressing importance since most of the German war criminals are falling into Anglo-American hands.

Elliott Little Speaks In Support Of Bracken

QUEBEC, May 20 — (CP) — Elliott M. Little, former Director of Selective Service charged in an address prepared for broadcast over a CBC national network Saturday night that the Liberal Government had "sought perpetuation of itself at the price of the most essential need of Canada today—national unity."

Supporting John Bracken and the Progressive Conservative party, Mr. Little said:—

"The Liberal Government has torn Canadian unity. Intentionally or otherwise, it has pitted race against race. It has sought perpetuation of itself at the price of the most essential need of Canada today—national unity."

The former Selective Service Director said there must never be a return to the conditions between the two great wars. There must never be idleness of hands willing and able to work and there must never again be poverty in the midst of plenty.

These things could be achieved, he added, but not "under the illusory doctrines of our socialist friends in the C.C.F. any more than they can be under the disruptive partisanship of the recent Liberal Government."

German plane made a direct attack upon her. The plane could be heard, the Commander said, long before any of the crew could spot it. Visibility was poor and when the frigate's anti-aircraft gunners did see the plane it was almost on top of the frigate. "But we let go with everything we had" said Commander Harding, "and the plane seemed to stop in its tracks. Then, as it started to climb abruptly, we gave it another blast and it fell in flames."

Because of his familiarity with the eastern Atlantic coast, Cmdr. Harding was recently asked to bring the "Springhill" over to an east Canadian port which explains why he and his ship, the "Charlottetown", are at present on opposite sides of the Atlantic.

Lt.-Governor's Son With Crew

The "Charlottetown" has still but one Islander in her crew. He is Electrician J. Bernard, son of the newly-appointed Lieutenant-Governor J. A. Bernard and Mrs. Bernard of Tignish.

Yesterday afternoon Lt.-Cmdr. Harding and Mrs. Harding were taken for a motor drive to the western section of the Province by Mayor J. E. Blanchard.

Allies Controlled German Spread Malaria In Italy

BY RUSSELL LANDSTROM

LONDON, May 20 —(AP) — The Germans caused malaria to spread in Italy, but the effect of the disease was overcome by use of new drugs, an officer in the British Ministry of Health declared today.

P.G. Shute, a malaria specialist said "thousands of our troops suffered from malaria, caused by the Germans who flooded and infected large areas with this deadly disease."

Mr. Shute flew to Italy with 1,000 mosquitos in a muslin bag. In one hospital 68 soldiers suffering from malaria volunteered to let the mosquitos bite them.

Back in Britain the War Office appealed to the fighting troops for volunteers in experiments with the new drugs .One of the drugs was mepacrine, a German preparation which American and British medical men improved upon. Names of two others remain secret.

Two hundred volunteers were bitten by the infected mosquitos and fell ill with malaria. So successful were the experiments that mepacrine in its new form was flown to Italy and "our troops were restored to full health and strength", Shute said.

Claim Naval Ratings Egged On In Riots

HALIFAX, May 20 — (CP) — Evidence given by 10 Royal Canadian Mounted Policemen at Saturday's session of the Kellock Riot Inquiry Commission indicated that groups of naval ratings egged on by a mixed crowd led expeditions of window-smashing and liquor-store raiding during the V-E day riots here, while mobs of civilians followed on their heels and looted the smashed stores of merchandise.

Sole exception to the civilian leadership in looting forays, the evidence indicated, was in the case of the liquor stores where navy men smashed their way in and led in the removal of beer and liquor stocks.

Other evidence indicated that both civilians and servicemen had spoken in advance of a "rough" V-E day for Halifax, though there appeared to be no planned program of violence.

Witnesses said they had not seen the city's small force of Mounted Police in action during the riots, and expressed the opinion five or six mounted men aided by a strong force of foot policemen might have helped quell some of the disturbances. During the sacking of the Hollis Street liquor store, however, "30 or 40" mounted men would have been needed.

Labor Party Moves For British Election

BY JON KIMCHE

BLACKPOOL, England, May 20 — (Reuters) — The executive of the Labor party conference meeting here has turned down Prime Minister Churchill's proposal to continue the Coalition Government until after the end of the Japanese war. This means that there will be a general election for certain.

Clement Attlee, deputy Prime Minister and Ernest Bevin, Minister of Labor, supported the Prime Minister's proposals, contained in a personal letter to Mr. Attlee, Labor party leader. All the other Labor Ministers and the members of the national executive headed by Home Secretary Herbert Morrison opposed it.

Tomorrow afternoon, the Labor conference will go into secret session to hear the report on the discussion with the Prime Minister. It is certain that the conference will back the decision of its executive not to continue the coalition.

Maurice Webb in Lord Beaverbrook's Sunday Express said: "The general election will take place in July. The most likely date for polling is July 5, athough it may be the following week..."

Under the headline: "General election in July," the Sunday Dispatch said the election was almost certain to take place on July 5 or July 11.

On whatever date the election is held, the world will not know the result until 21 days afterwards. It was announced some time ago that counting of ballots will be held up that period to allow the service vote to come in.

OTTAWA, May 20 — (CP) — A Prices Board statement said tonight that it was "possible to confirm previously - announced estimates" that wood supplies will permit an over-all increase of five and six per cent in the production of Canadian pulp and paper mills beginning with the third quarter of this year.

Attention Fish Pond Owners

Parties renting boats on fish ponds for angling purposes are asked to observe the following amendment to the Prince Edward Island Fish and Game Protection Act for 1937 and take necessary action in conformity with the regulations.

"All persons owning or operating a boat or boats used for fishing in any pond or river and whose boat or boats are leased, loaned or hired to the public for fishing or any other recreational activity whatever, shall be required to obtain annually, a license establishing that such boats are in a clean, safe seaworthy condition before such boats are leased, loaned or hired. The cost of such license shall be twenty-five cents for each boat and shall be issued by the Game Warden, only when he is satisfied that the boat for which the license is to be issued is clean, safe and seaworthy. Such license shall be cancelled at any time if the boat to which it applies is found to be in a dirty, unsafe or unseaworthy condition and shall only be reissued at an additional charge of twenty-five cents when the Game Warden is again satisfied that the boat has been cleaned or made safe or seaworthy. Any person lending, leasing or hiring an unlicensed boat or a boat for which the license has been cancelled, shall be liable on summary conviction, to a penalty of ten dollars or in default of payment to be imprisoned for a term of ten days.
