### FROM KIDNEYS

Doctor's and Female Trouble.

Mrs. Charles Lewis, Collingwood, Ont., writes: "For eight years I suffered from kidney troubles, and until twelve months ago doctors said I was suffering from 'Female Trouble.' Last November (1905), I was seriously ill, resulting I believe from kidney troubles. Finding doctor's medicine doing me no good, I persuaded my husband to purchase a box of Doan's Kidney Pills, after having read of a case somewhat resembling mine. A commended taking them according to directions (not taking the doctor's medicine) and on second day a swelling commenced in my feet, legs and body. The following day I was so changed and swollen my husband, in alarm, hastened to Mr. Johnson's drug store, who told him to tell me he thought the pills were drawing out of the blood, and to keep on taking them. I did so and after taking them a week, the swelling disappeared leaving me with a complexion free from pimples, tired, weary feeling gone, constipation, from which I suffered for years, gone, pain in the back, gone, and a general feeling of joy and light-heartedness. I have not felt since a chill, took place in me.

My sister-in-law (Mrs. Bryan), seeing the action of Doan's Kidney Pills, and the change for good they accomplished in me, sent for a box and they completely cured her. When there is an opportunity of telling people what Doan's Kidney Pills did for us, we always take advantage of it, and tell them to give them a fair trial."

Doan's Kidney Pills are 50c. per box or 3 boxes for \$1.25, for sale at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

500,000,000 FOR ADVERTISING

James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.

Yea James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest any money in publicity will never accumulate a fortune.—Record.

### You have No Reason for Not Using Zutoo

Some people think that all headache cures are alike—that they all undermine the health, even if not perceived at the time of taking them.

Well, we'll admit that the drug cures do this, but that is no reason why you should not take Zutoo.

Zutoo is a harmless vegetable remedy. One ingredient is soda—just old-fashioned soda that our grandmothers used to take to settle the stomach, when they had sick headache. And there is nothing better.

The principal ingredient—the one that stops the headache, is a vegetable ingredient, imported for us from Japan. It won't hurt you any more than will the soda.

There is absolutely no reason why you should not use Zutoo.

If you suffer from headache there is every reason why you should.

Taken in time, two tablets will ward off a headache. Taken later, they will stop it in twenty minutes, and leave you feeling good every time.

If you are using a drug remedy, why not discard it?

Zutoo will cure just as quickly and will save you the penalty, that all must sometime pay, who take the drugs which these cures contain.

If you will give Zutoo one trial, you will never take any other headache remedy again.

10c. and 25c. at dealers or by mail. B. N. Robinson & Co., Cootesquit, Que.

### THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island 160,000. The Guardian's daily circulation in the province is 1 to 11 of population in the city, 1 to 12 of population in the province. This is the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and you will see the difference.

St. John has a population of 40,000 and the Province of New Brunswick 320,000. The Guardian has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,250,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 60,000. This is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, it compares with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admitted among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of

### ARE YOU SUBJECT TO HEADACHE?

If you are, and have never tried Burdock Blood Bitters it will pay you to profit by the experience of others and give it a trial.

A healthy stomach, right acting liver and bowels that properly perform their important duties, will render anyone free from headache. If these organs are not in perfect condition, headache must follow. The proper course is obvious—restore the stomach, liver and bowels, to health, and headache ceases. For this purpose use Burdock Blood Bitters.

It removes the cause of the headache by its splendid cleansing, strengthening and tonic properties, whereby the entire system is brought into healthy action. Miss Collins (see opposite page) writes: "I suffered the grievous of a 'headache' over my complete cure, and it is with great pleasure that I testify to you that I have not suffered from headache since. I can recommend it as an efficacious remedy for sick headache, which caused me so much misery."

Price \$1.00 per bottle or 6 bottles for \$5.00 at all dealers.

Guardian readers and advertising patrons alike, they have a right to know how completely their favorite Journal announces its reading public among its subscribers and how completely it covers the field as an advertising medium in this City and Province.
