Dentists of One Mind All Endorse Asher's Enamel

Let the dental convention recently held in Montreal the leading dentists of Canada expressed themselves as being very favourably impressed with Asher's artificial enamel as a material for filling teeth. That this material is the equal in all ways and in many respects the superior of gold for filling teeth is now generally conceded.

The Annual Perplexing Problem Solved.

Solve the annual perplexing problem—what to get for mother, wife, sister or friend—by presenting them with a BISSELL "CYCO" BEARING Carpet Sweeper.

Women appreciate gifts that are useful, and the usefulness of a Bissell's Sweeper is incalculable. It lightens the daily work of keeping a home clean, comfortable and healthful.

Facts About the Bissell

Here are a few of the features that have made the Bissell's Sweepers world famous. They are HYGENIC, DUSTLESS, EASY RUNNING, NOISELESS, HANDSOMELY FINISHED, DURABLE AND ECONOMICAL.

Only Bissell's Have These

"CYCO" BEARINGS (Patented) insure easiest running and greatest brush power.

DUST PROOF AXLE TUBES (Patented) prevent hairs, threads and ravelings from winding about the axle rods, and also makes the sweeper case perfectly dust proof.

MALLEABLE IRON HANDLE FASTENER (Patented.) The only firm and permanent handle fastening device used on carpet sweepers.

Why Every Well Regulated House Should Have One

We state positively that no other article for the home at an equal cost will produce so much comfort and pleasure as a Bissell's Cyco-Bearing Carpet Sweeper. Every Well Regulated Home Should Have One. For use it is required for a dining room, sewing room, living room, bedroom, sick room.

SWEEPING DAY has no worries for the wife, who possesses a BISSELL CYCO BEARING SWEEPER. She never complains about house-cleaning or the worry of carpet sweeping, because she knows there will be no dust, drudgery or backaches. Unlike the old-fashioned broom, it picks up the threads, needles and pins, brightening and preserving the carpets instead of going roughly over them rubbing a great portion of the dust into the carpet, through the atmosphere and into your lungs. The Cyco bearings make it light running, and a strong protecting band prevents any injury to furniture. Altogether it does its work well.

WHAT IT COSTS

Not the least of the Bissell's many good features is its little cost. Where can you find an article that accomplishes so much, is so thoroughly practical and sensible as a gift for so little money. We have them in Rosewood, Mahogany, Antique Oak and White Maple all highly polished for \$2.50, \$3.00, \$3.50.

In proof of the above statements and to further show our confidence in the Bissell's Sweeper we make the following guarantee.

GUARANTEE

Should the person to whom you give a Bissell's Cyco-bearing Carpet Sweeper as a Christmas present not be satisfied with it you may return the Sweeper to us after Christmas and we will cheerfully refund your money.
