Western Guardian

—RETURNED TO FRISCO.—Mr. John Gorman, who has been absent from P. E. I. for thirty three years, has been visiting his brothers and aged mother at Kensington for the past month. He left on return Friday morning. Mr. Gorman spent over twenty five years in the big Pacific metropolis, and has established a good clientele in his wood turning business established in the heart of the city. His business began to prosper after the quake in 1906. He travelled over much of P. E. I. during his vacation, and was much affected by the beauty of the scenery, the welcome of old friends, and kindness of all the people. K

..*A RESPECTED RESIDENT.—His many friends will be sorry to hear of the death of Mr. William O'Brien, who died at his home in Georgetown on Thursday, August 16, after a short illness in which all that medical skill and kind nursing was done to relieve him of his sufferings. During his illness he was cared for by his loving sister, Mrs. Stewart, and also his loving wife. Mr. O'Brien was a true friend to all in sickness and bereavement, and his death is a great loss to all who know him. Because of his kindly and genial manner he was a favorite with all, and even during his illness he was bright and cheerful, and when the end drew near he was calm and unmoved. He was visited frequently by his pastor, Rev. O. Higgins, who administered to him the last rites of the Roman Catholic Church. Besides his sorrowing widow, he leaves to mourn two sisters Mrs. (Dr.) Stewart, in Georgetown, and Mrs. D. W. Morrissey, of Prince Rupert; also his daughter, Mrs. Allen, of Emerald, all of whom have the sympathy of the whole community. May his soul rest in peace. A

AT ROTARY

At the Rotary luncheon yesterday the speaker was Mr. George A. Warburton of Toronto, formerly one of the National Y. M. C. A. secretaries. Mr. Warburton who is sum- mering at Tignish was "discovered" by Rotarian J. A. Clarke of the Experimental Farm who invited him to speak before the Rotary Club. All the Rotarians were glad indeed that the invitation was ac- cepted, and his address was one of the most interesting yet given.

Mr. Warburton spoke on "Bambling with an Angler" and his remarks certainly made a strong appeal not only to every angler but also to all lovers of the great out- of-doors.

Rotarian R. A. Pendleton presid- ed and the guests present were Ro- tarians James E. Aitken, Toledo, Ohio; W. MacL. Clark, of Ottawa; R. H. Bennett, Campbellton; also Messrs. John Leightizer, Charlottetown; P. Moriarty, Halifax; W. T. Welner, Boston; E. Boyd, Price, Moncton; Professor George E. Robinson of the University of British Columbia, Vancouver, and Melville Bradshaw, Summerside.

Rotarian J. A. MacMillan an- nounced that the Rotary picnic will be held at Cane Cove next Mon- day. All are expected to be on the grounds at 2.30. Dinner will be served at 7.15 on a plate. Various sports will be provided and a good time is assured. If the weather is unfavorable the picnic will be held the following Wednesday.

The musical programme included an enjoyable vocal solo by Mrs. J. J. Stewart, who was encored.
