No. adult groups addressed 154
No. of home visits made 20,021
No. of visitors to Health Centre weighed and given advice 35,570
No. of crippled children's clinics held 17
No. of examinations made at these clinics 1,051.
No. of operations and manipulations done 96.
No. treatments given in corrective clinic by masseuse 1,308 plus (have not arrived at final total yet).

Following is a summary of the activities of the Red Cross Public Health Nursing service during the past ten and a half years in this Province. We commend it to the attention of our readers, who are wanted to show their interest by continuing their support of this splendid organizations activities.
1. School health inspections and health education in the schools and homes.

Y. M. C. A. Camp
To the boy who has camped at Canoe Cove the word "Camping" conjures up never-to-be-forgotten memories—memories of its Council Ring and evening fires, the smell of the woods, the mysterious sounds of the night, the daily activities on land and water and the close fellowship through daily association with sympathetic leaders. How the word "Camping" arouses within every red blooded boy the natural and wholesome instinct for a free life in the open.
The Y. camp is a camp where time is purposefully occupied and where personality and high ideals count for even more than its well balanced program of directed activities, made possible by its splendid equipment. Parents may rest assured that all possible care will be taken of their boys. Directed play, reasonable hours of sleep, wholesome food, friendly leadership, studying nature, services of worship, discussing life problems, all have their place at the camp. Here, discipline is based on justice, and the spirit of "helpfulness" guides every camper.
Any boy from 10 to 15 years of age may attend, providing he has the written consent of his parents. The dates are set for July 2nd to 11th. Registrations will be accepted at the Y.M.C.A.
(Canadian Press)
MADRID, June 28—An unofficial check of early returns in today's national election of a constituent assembly indicated that the Republican-Socialist bloc had gained a majority of seats in the Chamber which is to determine the future form of Government of Spain and write a constitution.

CHURCH SERVICES
THE BAPTIST CHURCH
Despite the inclemency of the weather, a very good congregation heard the Rev. A. C. Vincent speak yesterday morning on "First things first." His theme was based on the words of Jesus in Matthew 6, 33; "Seek ye first the kingdom of God and His righteousness; and all these things shall be added unto you." Jesus spoke to a people interested in crops, barns, business, raiment, the consideration whether present prosperity might continue or present poverty pass. And after two thousand years it must be admitted that the general attitude has not very materially changed. Are we interested in His kingdom primarily? Are we interested as a first thing, in the word of God? Is prayer a foremost factor in our being? His word then, and His word today is "put first things first." We must put Christ before Mammon. We must put Service before Pleasure. We must put God's word before the secular. We must put prayer before methods.
The evening sermon was based on the query of Christ, "where are the nine?" Mr. V. L. Dingwell took the solo in the morning anthem, Turner's "At evening, ere the sun was set" was sung at the evening service by the choir, under the direction of Mrs. G. Elliott Full.
Sunday School which now forms part of the morning service was in session from 12 to 12:30 with attendance very encouraging in view of the weather conditions.
It was intimated that during July and August the week evening service would be held each Thursday at 7:30 p.m. instead of Wednesday.
Next Sunday, July 5th, it is intended to have unveiled the tasteful bronze tablet in honor of those who served their country during the war, and in loving memory of those who died. The speaker on this occasion will be Colonel John H. Macdonald, D. D., C. B. E., senior chaplain overseas, and now Professor of Church History of Acadia University.

IN MEMORIAM
MR. JOHN WILLIAMS
Another of Charlottetown's old and respected citizens, in the person of Mr. John Williams passed to his Eternal reward at 7 o'clock Saturday morning at his home, 18 Upper Prince Street.
Mr. Williams has been in ill health since January, and although confined to his home, was about with an occasional few days being confined to his bed.
The deceased who was born in Charlottetown and lived here all his life, had passed the allotted four score span, being in his 87th year, and was well and favorably known throughout the city. Always of a bright and cheerful disposition, he enjoyed a large friendship, not only of the older people, but the younger as well.
He, with Mrs. Williams, conducted a large florist business, the hot houses covering a large area on Prince Street adjoining the home, and here he labored, with the exception of about twenty years when he was in the employ of the C. N. R.
The late Mr. Williams was extremely fond of athletics, and only last winter was an interested spectator at one of the big hockey matches in which his son "Chick" played.
He was a life long and consistent member of St. Peter's Congregation and a member of the S. O. E.
He leaves to cherish the memory of a kind and loving husband and indulgent father the following: his widow, (nee Katie Rankin, Albertson) Hudson, the Piff Islands, James, British Columbia; George, Summerside; Fred, Calgary; Bert and Perley at home; and one daughter, Mrs. C. F. Garrett of Arlington, Mass., who was with her father when he passed away.
The Guardian with many friends extend heartfelt sympathy.

TRINITY UNITED CHURCH
The weather man did not hand out very agreeable weather yesterday but nevertheless there was very fair congregations at both services which were broadcast by CHOK. The floral decorations at the pulpit shed forth their message of cheer and the ordinance of Baptism was conferred on the bright young son of Dr. and Mrs. Creelman. An interesting part of the morning service is to view the junior departments of the Sunday School retire for their separate service.
It was indeed a pleasure to have in the choir at the morning Mass. N. D. McLean and in the evening Mrs. Wm. J. Mutch of Cherry Valley. Both of these talented ladies sang a solo which was most cordially received. The choir also rendered the anthem "I could not do without thee."
Dr. Ramsay spoke from the text Psalm 144-15. "Happy is the people whose God is the Lord, and in view of the approach of Dominion Day the sermon was in the nature of an appeal for a Christian Canada and at the conclusion of the service the congregation led by the choir joined heartily in singing the National Anthem.
In the evening Rev. Mr. Brown was the preacher speaking from the text 1 Cor. 15-3. "For I delivered unto you first of all that which I also received how that Christ died for our sins." In these words we have the glad tidings of the gospel message, the heart of Christianity, that which makes the Christian religion unique. It is not a code of ethics a set of moral precept. Jesus came to save sinners. He bore our sins in his own body.

FOOLING JACK FROST
The farmer doesn't very often get a chance to fool Jack Frost, especially on a soft crop like tomatoes, but experimental work at Morden, Man., by the Dominion Department of Agriculture shows conclusively that this can be done. With the advance of the season tomatoes ripen more slowly and the use of ethylene gas speeds up the process from late August on. Fruit in danger of frost damage can be picked and quickly ripened by the use of this gas.
The increasing demand for vegetables in the diet is probably largely responsible for the rapid expansion which took place last year in the vegetable canning industry throughout Canada. The increase in 1930 was 64.8 per cent as compared with 1929. Total production amounted to 10,066,614 cans.—Dept. of Agriculture, Ottawa.

on the Cross. This is what Paul considered as of first importance, "Christ died for our sins."
Rev. Mr. Brown will be absent from the pulpit during July on his annual holiday.
