## DOWN THE BACK STRETCH

Kensington races at Myron McArthur's track next Wednesday. This popular and easily accessible race course given a fine day should have a record attendance because it is a delightful spot and the program is first class, consisting of a Free for All Trot, Junior Free for All Pace, 2:20 Trot and Pace and a 2:20 Trot and Pace. These four classes should produce racing of an exceptionally interesting character.

While the Canadian Press gives an estimated attendance of one thousand at the Amherst races on Wednesday, Charlottetown's present estimate must have been double that number and that the racing was wonderful. Johnny MacMillan, Charlottetown boy, won the Junior Free for All with Duddy 2:10, a former member of Mayor Sweeney's stable of Bridge-water. Duddy seemed a bit out-of-control last season but this year is going strong with a winning third heat at North Sydney in 2:12 in which she showed her heels to Tracey Hanover 2:03 and Wednesday's 1-1-1 summary in the Junior Free for All at Amherst. The ever reliable Guaker Girl, 2:03 1-2 had the second best summary—4-2-3, while San Ten 2:10 winner of the Junior Free for All at Truro July 1st could not do better than 6-4-2. Signal Senator 2:08 1-2 another ex-member of Mayor Sweeney's Stable was 2-5-5, heading Barney Hanover 2:07 1-2 and Rainey G. Hanley 2:08 1-2, owned by Mayor Sweeney. The time, 2:11, in the second heat must be very close to the track record.

Calumet Ducks that was so little regarded that he did not get a start at the Provincial Exhibition Charlottetown last August, but faced with a shabby trot and under new ownership went to a reduced record of 2:09 1-2 at Halifax, won the 2:16 Trot and Pace with the first two heats in 2:12 1-2, 2:12 1-4. Sully 2:09 1-4 was right on his neck, finishing second in the second heat and winning the third heat in 2:13. Sully is owned by Harry Trevelyan and is the busiest man in Halifax furnishing meats and other provisions to naval units but still maintaining an interest in harness racing.

Hal Britton, 2:14, Johnny MacMillan's good trotter, had a splendid summary after a bunch of 1-2-3-3-3, heading Martin G. Hanley 2:14, Volo Ray 2:07 1-4, Don Pho 2:10 1-4 and Miss Jo Hanover 2:10 1-2 to the wire.

The 2:25 Trot and Pace had ten starters and went to four heats with Jean Henley, a four-year-old recently imported by W. H. Copp, Port Eglin, from Ontario, winning the first heat in 2:15 driven by Tyndall Semple, Kensington. She was 2-3-3 in the next three heats, making her summary for the race 2-3-3-3-3. The second heat was won by Moon Glow 2:12 1-2 in 2:15. Moon Glow won the 2:24 Trot and Pace at Truro on July 1st and is an import from the United States by Billy Hood. He was driven by Billy Hood. The winner turned out to be Proteator, with a trotting record of 2:10 1-2 and a pacing record last season of 2:14. He is owned by T. C. Callette, Buoucouche, and showed his superiority to the pacers in the third and fourth heats winning in 2:15 1-2 and 2:17.

Due to her record as a trotting pacer, heaving won seven out of nine starts last season mostly against pacers.

The program of racing at Orangetown, Ontario, July 1st was

Pulling a car by a rope grasped in the teeth. A tough job? not for Krikor Hekimian, youthful strongman who will demonstrate at Stanhope Beach Sunday afternoon. The young man seen in action in the above picture is a naturalized Canadian. In addition to his "strong man" demonstrations he will give a swimming exhibition at the beach.

## Kelly Starts On Comeback Trail Against Jordan At The Sporting Club Tonight

## Will Perform At Stanhope Tomorrow

"Irish" Leo Kelly in as fine a condition as he ever was, takes the first step tonight at the Sporting Club in a boxing campaign that he hopes will land him among the top ranks of Canadian lightweight boxers.

Tonight he will be faced by Wilfred Jordan of Truro, Nova Scotia, a fighter who, it is reported, has been showing fine form in workouts for the scrap. The scrap is scheduled for ten rounds or less—with much emphasis being placed on the less part of it if both boys go in and slug it out from the opening gong.

Kelly although absent from ring warfare for some little time has retained his large following and his ardent supporters welcomed the news that he was again returning to the ring. He has trained faithfully for the scrap and has showed all his old-time skill together with a much harder punch. He has been making his miserable foe squirming in the ring. He has trained faithfully for the scrap and has showed all his old-time skill together with a much harder punch. He has been making his miserable foe squirming in the ring.

Something unusual is in store for people who flock to Stanhope Beach on Sunday afternoons, when Krikor Hekimian, a naturalized Canadian hailing from Armenia will give a display of his strength by hauling a car with his teeth over the sandy plain of the beach.

A husky gent and also quite a swimmer the strong man will also swim the bay during the afternoon. He has an international reputation and his amazing powers of endurance in below zero weather are world famous having often lolled in the chill waters of Lake Superior while the thermometer shivered below the 40-below zero mark. He showed this winter numerous snapshots of himself doing just this and appeared quite at ease in the frigid atmosphere.

His main ambition at the moment is to break the fastest time in the world; just recently at Moncton he breasted his way across the Petardiac River just after the Bore had turned up and it took him just exactly 24 minutes.

Yesterday he stated that he would try and swim across the Northumberland Straits on the car ferry's route—he didn't say he would try—he said he would swim across if it were not for the fact that the people would find it difficult to get there and see him perform this feat.

A likable husky athlete the naturalized Armenian should draw a large crowd to Stanhope Beach tomorrow (Sunday) afternoon for his performance.

# OLD HOME WEEK RACE PROGRAM

## Classes and Events for Afternoons of August 13 to 16

Below will be found the program of racing to be held in connection with Old Home Week, plans for which were made some months ago when it was definitely decided that an Exhibition could not be held because the Federal Department of Agriculture had discontinued grants to Fairs with the exception of those which had already published their programs.

As the Provincial Exhibition Association had functioned for half a century holding Exhibitions every year with the exception of one or two and race meetings every year, and as its plant had become known as the Peoples' Playground, it was considered that a race program with Vaudeville should be held.

Tentative arrangements were made with George A. Hamild of New York for an outstanding Vaudeville contract which was to have been routed to Halifax, N. S., where races were also to have been held and would have been for the fact that the Department of Naval Defence took over the Exhibition grounds and track for naval training. However, another route was made by Mr. Hamild and a guarantee given that the complete Vaudeville program would come to Charlottetown, so the Directors met and decided to put on Old Home Week on the days which had first been selected—August 13th to 16th inclusive.

The harness horse program will be the same as other years and will no doubt bring together as large if not a larger list of horses and equally good racing will result.

Interpersed between the heats of the harness horse racing in the afternoons will be some of the best Vaudeville ever seen in the Maritimes or in fact in Canada, including the Four Queens of the Air and Ace from California, whose act is one of the most spectacular before the public today and includes a double slide for life, Billy Outten's Water Circus, which was a sensation in Florida last winter drawing over a million people, Laddie Lamont, the Scottish boy from Killierankie who is internationally famous, the Victoria Troop of six bicyclists from Great Britain, the Australian duo, White Brothers, and DeCosta and Lenore, musical specialists and singers, and the Golden Gate Revue, originally from California. Most of these acts are routed for the biggest Exhibitions in the United States and Canada this season so that our people will

have an opportunity of witnessing as good as is presented to any audience either in the United States or in the Dominion.

In the evenings there will be a wonderful show with jumping and other riding events staged by our riding clubs. The Vaudeville acts will show up in splendid relief on the stage lighted as it will be with colored lights and beautiful background. A Master of Ceremonies will keep the show moving right along and at intervals between the acts a male singer of excellent reputation will render popular songs.

Lenore of DeCosta and Lenore will also give individual numbers as well as appear with her partner. There will be six numbers of the Revue in varied costumes as well as two acts with Laddie Lamont, two with the White Brothers, two with the Victoria Troupe and the Spectacular Queens of the Air with a double slide for life. Billy Outten's Water Circus with Billy diving from a hundred foot perch into a shallow tank. He sets fire to himself in midair and comes down a ball of fire when he hits the water.

The evening shows will be spectacles of more than ordinary interest and will no doubt attract tremendous audiences. From all parts of the Maritimes parties are planning to come to Charlottetown so those catering to guests can be assured that Old Home Week should bring them as good patronage as the Exhibition did.

In these days of anxiety and strain when one is liable to concentrate overmuch on news of events in Europe, it is well to take some relaxation. In Margaret Currie's column of the Montreal Daily Star for July 6th this occurs: "Believe it or not, but a prominent Montreal doctor told me the other day that he and his colleagues were seriously disturbed about the increase in 'nerves' among their patients. There were many people on whom the war had a profound emotional effect. . . . one psychiatrist suggested that when you begin to feel jittery you should get outdoors, engage in some sort of active exercise, seek out your friends, read something light, go to an amusing picture or just—go fishing. In short, try to divert yourself in some way."

Old Home Week will furnish you with an opportunity to chase away your troubles and worries, give healthy relaxation, "pick up your troubles in your old kit bag" and take in one or more afternoons and evenings of Old Home Week, August 13th to 16th.

## GENERAL CONDITIONS (ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will be made unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10 per cent of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 40, 30, 18 and 12 per cent. Entry fee 5 per cent. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3 per cent from the third horse and 2 per cent from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Rights reserved to change program, reject any entry, or if entry appears to lay over the field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, re-open or substitute another without advertising, or alter or extend racing dates.

## THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules firmly and fairly. All purse money will be paid immediately after the race and horsemen are asked to get same from Secretary before leaving.

## PRESENTATION OF PRIZE MONEY

Friday evening the President will award special ribbons, prizes to the winning owners, drivers and caretakers.
