I remember the birth of Kelly's Cross very well. It was on DeSable half lot. The front part was settled by Scotch Protestants on Lord Melville's estate, Lot 29; the back end was all vacant. Mr. William W. Lord wanted it settled, so he fetched out from Ireland a lot of honest pioneers in his vessel. They settled on the land now call Kelly's Cross. It was wooded with heavy timber.

These young, healthy Irish people took up their farms at one shilling an acre, and went into making timber for Mr. Lord. He bought it all up and sold it in the Old Country. And they now went clearing up their land and hoeing in their potatoes and grain in the burnt land, and could thresh out 30 stooks of grain a day with a flail.

Now these good people wanted a church, and they had no money to build one. So they went to work to new the scantling and get the frame up. They had lots of wood, and they then hired four or five men from Crapaud to frame their church, for they were not used to frame work. Mr. Best was their boss. In raising the frame the scaffolding was a little too short; it only rested an inch or two on the girths on the frame; and the men told Mr. Best the scaffolding wasn't safe. He laughed at them and said, "I will risk my life on it." And in raising the rafters the scaffolding got moved, and down it came with the men on it. Mr. Best was killed and the other men were injured, and it shortened their lives.

The Church got built, but never finished complete. It was used for worship about fifty-five years. The church had no pews; the people had to stand. The women took the south side and the men stood on the north side of the church. On a fine Sunday morning the church would be filled. James Bradley stood at the door with his box, taking the coppers. I think Father Duffy was the first parish priest.

This old Church building is standing today, converted into a public hall at Kelly's Cross. It is one of the best halls in Lot 29. And now a grand new brick church stands in its place. It is the largest and best church in Lot 29. The parish built it all themselves. They got no grants from landlords or from any one outside of their own parish.

I travelled through Kelly's Cross and I liked it. The dear little school girls and boys would bow their knee to me as I passed by. It was the only settlement I was ever honored in by the dear little ones. Train up a child in the way he should go, and when he is old he will not depart from that way.

**COULD NOT TURN IN BED**  
 Held by Unseen Hands

**LOCKED JOINTS THAT KRUSCHEN RELEASED**

Unseen hands held this woman in her bed. They held her limbs and her joints, so that she was scarcely able to move. They were the hands of the uric acid fiend—and their grip became tighter and tighter every day.

She had almost despaired of ever loosening their hold—when she made what she describes as "a wonderful discovery." She found Kruschen. Read how it helped her:—

"I have suffered terribly for a very long time with rheumatoid arthritis. The pain I've suffered I cannot explain to you! I commenced taking Kruschen six months ago, following directions, and I am thankful to say in less than a week I was able to get a night's rest and sleep. That was something I had not had for a very long time. My joints seemed completely locked and I could not turn in bed for pain. Now I'm able to sleep well, turn with ease, and get about fine, and my joints seem to be quite different. It was one day when I was reading in the newspaper about Kruschen that I decided to try it. And now I shall never be without it. I consider Kruschen is a very wonderful discovery."—Mrs. E. L.

The system of that dangerous body poison known as uric acid, which is composed of knife-edged crystals. It is bred in accumulated waste matter which the organs of elimination have failed to expel. Kruschen is a powerful solvent of these flint-hard crystals. It swiftly dulls their sharp edges, then flushes them out of the system. Your pains ease; swellings subside; knotted joints become loose.

Better still, Kruschen eliminates the root cause of the evil. Taken regularly, it keeps your liver and kidneys in perfect tune, so that these eliminating organs free your inside from all poison-breeding waste products.

Kruschen Salts is obtainable at all Drug Stores at 45c. and 75c. per bottle.

His Honour Lieutenant Governor Dalton. The function took place in the Confederation Chamber, Mr. Justice Arsenault administering the oath.

**IN MEMORIAM**  
 JOSEPH M. MOONEY

There passed away in Neponset, (Boston) Mass., on October 28, Joseph M. Mooney, at the age of 83 years.

Mr. Mooney was the son of the late John and Catherine Mooney of Peake's Station, P. E. I.

The late "Joe" Mooney as he was known by all his friends, was a man well known for his great feats of strength and endurance, which were however no greater than his rugged strength of character, his charity, honesty and truthfulness, for like his father, he might well be said "My lips never uttered a falsehood."

The late Mr. Mooney spent the greater part of his life in the United States, having left P. E. I. when 19 years of age. At 22 years of age he was taking charge of one of the largest lumber camps in N. H. for the firm of Blanchard & Co.

He also served three years in that premier branch of the United States Army, known as the Cost Defences, and came back with the best discharge that an enlisted man could get, that of a Top Sergeant, also as an excellent carpenter and soldier.

For the past twenty-one years Joe Mooney has been in the employ of the large contracting firm of J. C. and C. J. Buckley, of Worcester and Boston, a large part of which time he was the trusted foreman of carpenters for said firm.

He leaves to mourn his wife Teresa L., daughter of the late Bernard and Mrs. Connolly of Morell Rear, and six children, Teresa, who is chief clerk and stenographer for the Metropolitan Insurance Co., in one of their offices in Dorchester, Joseph B., who is serving his time with the contracting firm of Matthew Cummings & Co.; Vera, a clerk in the "Norma" Theatre in South Station; and Woodrow, James F. and Mary, going to high school; also his mother Mrs. Catherine Mooney, of Peake's Station. Two brothers, Harry and P. M. in Boston, Edmund in Hampton Wa., John A. on the homestead at Peake's Station, P. E. I., and one sister Mrs. Dan Burns of East Boston.

The esteem in which "Joe" Mooney was held, was proven by the great number of sympathy and Mass. Cards which were in evidence at his residence, the morning of the funeral, also by the great line of autos (over 100) which followed his remains to New Calvary Cemetery.

The sympathy cards were as follows:

J. M. and C. J. Buckley, Miss Louisa R. Leoric, Mrs. Mary J. Richards, Mrs. W. H. Jackson, Mr. and Mrs. Leslie Bragg.

Sympathy and Mass Cards:—Singer Family, Mr. John Gillan, Dorothy Armstrong, Daniel Mahoney, (2 Masses), Mr. and Mrs. Dan Burns, Mr. William Sullivan (Masses daily for 1 year), Mr. and Mrs. Joseph L. Doherty, Misses Alice, Mary and Patricia McKenna, Mr. and Mrs. P. M. Mooney, Mr. Martin Hogan, Mr. C. J. Buckley (2 Masses), Mr. and Mrs. Frank J. Sheehan, Mr. and Mrs. H. D. Mooney, Mr. and Mrs. Mark Dunphy, Mr. and Mrs. Joseph A. Byrne, Mr. and Mrs. John E. Doherty, Miss Anastacia Gormley, Katherine Doherty, Mr. and Mrs. Charles McGregor, Misses Josie and Catherine McInnis, Misses Mary and Annie McInnis, Mrs. McHanna, Mr. and Mrs. Patrick McKenna, Mr. and Mrs. Robert Mooney, Misses Helen and Bessie Mooney, Miss Veronica Byrne, Mr. and Mrs. Thomas Byrne, Mrs. Mary Shea, Mrs. O'Brien, Mrs. Jos. Doherty, Misses Doris and Ruth Flood, Mr. and Mrs. Thomas Shea, Paul Warren and Albert Tobin, Mr. and Mrs. William F. Buckley, Mrs. O'Halloran, Mrs. Margaret A. F. Doherty, Rev. Patrick J. Scannell, Family of the late Hon. Anthony McLaughlin (8 Masses), Mr. and Mrs. Walter Connolly, Miss Teresa Clarkin, Mr. and Mrs. John Nelson, Mr. and Mrs. Bernard Gillan.
