

A CRIPPLE FROM RHEUMATISM

Tortured Four Years Until He Took "Fruit-a-tives"

RIDGEWOOD, Ont., May 21st, 1913. "Your 'Fruit-a-tives' cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was a cripple completely, not being able to do anything. I doctored with four different physicians, but they did not help me. Other advertised remedies were equally unsatisfactory, and I have taken several.

Some neighbor of mine told me that "Fruit-a-tives" helped him, and I took them faithfully every day and the result was marvellous. For over two years now, I have been free from any Rheumatic pains whatever, and give "Fruit-a-tives" the full credit for making a remarkable cure".

W. T. RACHER.

If you are subject to Rheumatic Attacks, Sciatica, Lumbago or Neuralgia, take "Fruit-a-tives" right now and start the permanent cure which "Fruit-a-tives" will complete if taken faithfully. 50c a box, 6 for \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

HAND WOULD CRACK WITH SALT RHEUM

Pained and Burned. Hard and Sore Lumps. Couldn't Rest or Sleep. Finger Swollen. Cuticura Soap and Ointment Cured.

Lesere Corner, N. B.—"I had salt rheum on my hand for a good many years. Every winter my hand would crack and part of the time I had to wear a glove to do my work, for when I washed in hot water with it unwrapped it used to irritate so much that I didn't know what to do. I had to take a course of treatment and rub it until the blood would come sometimes. Many a night I had to sit up in bed and rub them and sometimes that didn't satisfy. I had to scratch with my fingers and the next morning I would find a big piece of skin which I had taken off. This winter I had sores on one of my hands. I thought they were ulcers. They pained and burned. They started just like a little lump and would be hard and sore and after that there would be a big bunch of pus and when that would be out it would leave an opening almost as big as half a five-cent piece. I couldn't rest or sleep with the pain and the burning sensation. The ulcer I had on my finger this winter was still worse. There was more inflammation for my finger was swollen almost twice its natural size and was just as red as a piece of flannel.

"I took the Cuticura Soap and made a sud with it and washed the hand with a piece of cotton and after it was washed I used to take the Cuticura Ointment and spread it on a piece of cotton and wrap the hand with it. I was cured in a little over a week."

(Signed) Mrs. Charles Surette, June 5, 1913.

Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere. For a liberal free sample of each, with 32-p. book, send post-card to Potter Drug & Chem. Corp., Dept. D, Boston, U.S.A.
