MASTER AND MATES ASSOCIATION

TORONTO Feb. 16.—The grand council of the Canadian Master and Mates Association held their first sessions of their annual meeting in the St. James' Chambers yesterday.

Owing to the death of the minister of marine another delegation will be sent to interview the new minister with a view to making certain recommendations regarding the examination of master and mates, the appointment of paid examiners and the removal of certain restrictions on Canadian vessels entering Lake Michigan

AN HONEST MAN

wrote and told us that Ozone had not cured him of stomach trouble. He did not say what kind of Ozone so we wrote and asked him if he was sure he had been taking Solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized 25 cent package of Celery King free of cost. He replied that he had unknowingly taken some other brand, and was sorry that he had treated us unjustly. Then he commenced to use Ozone (the coupon kind) with Celery King—he is a well man to-day. You can be cured just as easily if you are careful to ask your druggist for Ozone (the coupon kind) made by the PUBLIC DRUG CO., BRIDGEWATER, ONT.

To insure perfect health use Iron-ox Tablets. For sale at your druggist's, 25 cents per box

Gain Strength for Work In office and factory, shop, store or kitchen girls are at work all over this land, and, alas! far beyond their strength.

Lydia E. Pinkham's Vegetable Compound

builds health and strength for all women who work and are weary. It creates the vitality that makes work easy. From the thousands of grateful letters written by working girls to Mrs. Pinkham we quote the following:

Dear Mrs. Pinkham:—Overwork and long hours at the office, together with a neglected cold, brought on a female trouble until finally I was unable to go to work. I tried change of scene and climate, but found that I did not regain my health. I then thought of a friend who had taken Lydia E. Pinkham's Vegetable Compound when her health was in the same condition that mine was, and straightway sent out for a bottle. I finished that and took two more before I really began to improve, but after that my recovery was very rapid, and when I had finished the sixth bottle I was well and able to go back to work again. I certainly think your medicine worthy of praise, and am indeed glad to endorse it.

M. L. ALMA ROBITAILLE, 78 rue St. Francois, Quebec, Que.

Oh, if Canadian girls who work would only realize that they have but one life to live, and make the most of their precious health and strength!

Mrs. Pinkham extends to every working girl who is in ill health a cordial invitation to write her for advice. Such letters are always kept strictly confidential, and from her vast experience Mrs. Pinkham probably has the very knowledge that will help you—and may save your life.
