AGAINST CARD PLAYING.

Mrs. L. E. Thorpe, police matron for ten years at Topeka, Kansas, says that nine-tenths of the criminals and unfortunates she has met never meant to go wrong. They intended to have a good time, and the matron, speaking from a wide experience, attributed every variety of evil life to the invariable association of cards. Some folks say that there is no harm in dancing and card playing, but what of the example even if the company is select, and what about the young people who are led astray? Do such things build Christian character?

Laid Up With

Kidney Disease,

Backache, Lumbago and Constipation—Years of Serious Illness—a Permanent and Thorough Cure by

Dr. Chase's Kidney-Liver Pills

Such cases as the following cannot but prove interesting to all who suffer as the writer did from kidney disease and its many distressing symptoms. This is merely an example of the great good Dr. Chase's Kidney-Liver Pills are accomplishing almost daily in nearly every community in the land.

Mr. J. G. Kirby, head miller in the large flour mills of Munro & Rosentre, Thorold, Ont. states: "I can scarcely say too much in praise of Dr. Chase's Kidney-Liver Pills. Some years ago I was laid up by a severe attack of kidney disease, which was later complicated with other bad symptoms, such as headache, lumbago, backache, constipation, indigestion and insomnia. I became reduced in flesh and became very much discouraged. Professional medical treatment was of no avail; other remedies were resorted to, with no purpose. My appetite diminished, and I was losing hope of recovery."

Fortunately my attention was called to Dr. Chase's Kidney-Liver Pills, and I derived much benefit from the first box. By the time I had used four boxes I was again enjoying my former good health and vigor, as the bad symptoms all passed away, and I was then able to resume work. That was in 1888. I have waited now for about four years to see if this cure would be permanent; and now am convinced that it is, and feel justified in giving this testimonial for the benefit of others."

Dr. Chase's Kidney-Liver Pills positively and promptly cure kidney disease, liver complaint, biliousness. One pill a dose, 25 cents a box, at all dealers, or EDMANSON, BATES & Co., Toronto.
