

WEDNESDAY

MAYOR TODD HEARD FROM.—The new owners of Mayor Todd (2154), formerly owned by Mr. Hammond Kelly, must think well of him as he is entered in the 212 trot, purse, \$10,000; and the 214 trot, purse \$5,000 at Columbus, Ohio, also the 212 trot, purse \$10,000 at Syracuse, N. Y. Grand Circuit meetings and in the 214 trot at Springfield, Mass., purse \$1,000.

CHURCH OF ENGLAND CONVENTION.—The semi-annual Convention of the Diocesan Church Society and Women's Auxiliary of the Church of England will be held at St. Elias' Church, Springfield, tomorrow, Thursday. The special speakers will be Miss Shaw of Jaffin, Rev. R. H. Haslam, M. A., of Kanra, India; Rev. R. A. Hiltz, M. A., General Secretary of the Sunday School Commission of the Church of England. The programme is as follows: Holy Communion and sermon at 10.30 a. m.; Conference at 2 p. m.; Evening Prayer and Sermon at 7 p. m.

A good and true man passed away when the late Thomas Reid of Hope River went to his long rest on June 28th and it is safe to say that for many years no death has caused so much genuine sorrow in this community. The deceased was a life long resident of Hope River parish, having been born there April 25th, 1840. An untiring man, Mr. Reid was yet one who wielded much influence, owing to his sterling integrity, force of character and ability much beyond the average. Endowed with an intellect of a high order and being a great reader, he was always well-versed in the current events of the day, quite an unassuming, he never sought the limelight, but had he done so and given his great talents opportunity, he certainly would have achieved distinction in any line he would have chosen. He was also possessed with much information about the land of his forefathers for which his warm feelings of affection remained unabated till his death. He was genial and hospitable in his home, considerate and charitable to the needy and always willing and ready to assist materially in every good cause.

He bore his last sickness in a spirit of resignation that charmed and edified all those whose privilege it was to be admitted to his bedside. Whatever his sufferings, no complaint passed his lips, and even in moments of the most exquisite pain he never murmured, but met the attentions of those who waited on him with a patient smile or a whispered word of thankfulness. Thus with peace in his heart and prayer on his lips he trod the royal road of suffering, comforted by the rites of the Holy Catholic Church and cheered by the unrelenting care of his family and friends, fell Friday evening, June 28th, he calmly passed away, his peaceful death being a fitting ending to his gentle and unobtrusive life. Neither doubt nor fear came to disturb his soul at that solemn moment, but calmly, as an infant soothed to sleep, he passed from the cares of life to the possession of that peace that surpasseth all understanding.

Besides his disconsolate widow, Teresa Leonard of Cornwall, to whom he was married on February 28th, 1876, he leaves to cherish his memory an adopted son and daughter, three brothers—Patrick and James, Hope River and Michael Vernon River, and three sisters Mrs. John Harrington, California; Mrs. James Reid, Worcester, Mass. and Mrs. Keaveny, Charlottetown.

His funeral to St. Ann's Church, Hope River on Monday, June 11th, was attended by a very large concourse of people of all classes and creeds, coming from all parts of the island, to show by their presence their esteem and affection for the de-

ceased. A solemn requiem Mass was celebrated by Rev. Alban Reid, nephew of the deceased, assisted by Rev. A. McAulay, St. Peter's, and Rev. P. Hughes, Charlottetown. Rev. J. J. McDonald, Kinkora, Rev. L. Herrell, Charlottetown and Rev. N. Poirier, St. Dunstan's assisting in the choir. Rev. J. J. McDonald sang a solo at the Offertory and he also preached the funeral oration, taking for his text "It is a holy and a wholesome thought to pray for the Dead, that they may be Loosed From their Sins." After Mass his remains were borne to the adjoining cemetery, the burial service being conducted by his former pastor and great friend, Rev. A. McAulay. The pallbearers were his six nephews—Clarence, Leander, Wilbert, Leo, Walter and Daniel Reid. Thomas Reid will long be missed in the community where he lived for so many years and where he exemplified the poet's ideal "Act well your part, there all the honor lies."

The State Convention, Knights of Columbus, opened in this city yesterday forenoon. The State officers were all present with the exception of State Secretary E. C. O'Brien, of Chatham, who was absent on account of illness.

The Hon. Lieut. Governor McDonald, who was present, welcomed the delegates to Prince Edward Island and His Worship Mayor Brown gave the visitors the freedom of the city. After an eloquent address by His Lordship Bishop O'Leary, the following committees were appointed:

Credentials.—Judge Connors, Chatham; Louis Connolly, New Glasgow; W. A. Halliday, Halifax; Dr. W. P. Broderick, St. John; H. F. Connors, Charlottetown.

Regulations.—E. C. Handrahan, Sydney; A. McDonald, Charlottetown; J. P. Gorman, Antigonish; L. F. Wallace, Moncton; J. A. McKinnon, New Glasgow.

Finance and Audit.—Chas. O'Neill, Moncton; Andrew McGilivray, Antigonish; Dr. P. F. Duffy, Chatham.

The State Deputy submitted a very satisfactory report dealing with the work of the Council during the year. The State Secretary's report showed a healthy increase in membership during the year.

Among the resolutions passed was the pledging of the unwavering loyalty of the membership in this jurisdiction to His Most Gracious Majesty, George V.

Resolved, that we heartily endorse the action of the National Board of Directors in the undertaking to raise the sum of \$1,000,000 for recreation in huts at the front.

In the evening there was a meeting of the State Council and members of the Charlottetown Council, presided over by State Deputy Dr. W. J. P. McMillan. During the meeting a literary and musical programme was rendered, the opening number being an orchestral selection which was excellently given. The State Deputy gave a short opening address, which was followed by another selection by the orchestra. A tenor solo by Mr. Samuel Doyle was heartily applauded. Addresses were then given by His Lordship the Bishop of Charlottetown, His Honour the Lieutenant Governor, His Worship the Mayor, Grand Knight McGilivray of Antigonish, Past State Deputy Handrahan of Sydney, and Dr. Broderick Grand Knight of St. John Council. The session closed with an enjoyable smoker.

This morning the State Council will hold its concluding business session, after which there will be a motor

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL.

Let folks step on your feet hereafter; wear shoes a size smaller if you like; for corns will never again send electric sparks of pain through you, according to this Cincinnati authority. He says that a few drops of a drug called freezeone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out. This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce of freezeone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

boat trip up the river to Bonshaw to be participated in by members of the State Council and the Charlottetown Council. The orchestra which so delightfully entertained at last night's meetings will accompany the excursionists.

The visiting Knights all spoke in most complimentary terms of the reception accorded them and expressed themselves as delighted with their visit and with what they had seen of the city.

The musical portion of the programme consisted of the piano duet, "Echo of Naples," with the following presiding at the instruments: Misses M. Johnston, S. Doyle, K. Fitzgerald, D. Hogan, N. McLeod, C. Whear, W. MacCarrey, F. Lantz; Concerting Pianos.—1st, Piano—Misses D. Hogan, M. Johnston, M. Connolly, V. Mullen. 2nd, Piano—Misses K. Fitzgerald, H. Maloney, M. Conley, and W. MacCarrey.

The work of the orchestra was a delightful feature also the musicians being as follows: Harp—Miss Mary Blanchard. Banjos—Misses D. Winchester and F. Lantz. Mandolins—Misses M. Jenkins, M. Stewart, C. Hornby, M. MacCarrey, M. Hogan. Violins—G. McDonald, A. Murnaghan, A. Trainor, J. Patterson, G. McCormack, S. Doyle, K. Hornby, D. Hogan.

Pianos—Misses E. Leonard, V. Mullen. The choruses were splendidly sung. "The King" took the solos effectively.

A very pleasing number was the pantomime reading, "A War Legend," taken part in by Misses H. Brennan, M. Morrison, G. Gallant, C. Blair, H. Maloney, A. Flynn, L. Carey, S. McCormack, Y. Laberge, with Miss M. Connolly as reader.

A beautiful allegory in three acts, "The Dawn of the Millennium" was splendidly acted and taught the lesson that if God-like lived in the hearts of men war would be driven out of the world. The characters in this piece were Religion, Miss M. Monaghan; Europa, Miss A. M. Carey; Peace, Miss M. Johnston; Sculpture, Miss L. Happenny; Art, Miss M. Connolly; Science, Miss F. McCormack; Architecture, Miss M. Connolly; Adversity, Miss M. Hughes; Prosperity, Miss H. Gallant.

THURSDAY

MOTOR BOATS ADRIFT.—Two men from Cape Tormentine in drifting motor boats were picked up Monday night by one of P. C. Gallant's boats just inside the harbor, and were towed to Queen's wharf. The two men had left Cape Tormentine Saturday morning for Cape Traverse, and left the latter place presumably to return when both boats ran out of gasoline. The men drifted in the open boats without food or water until picked up Monday night. After securing a supply of gasoline they left on return to Cape Tormentine.—Journal.

WARNING TO AUTOMOBILES.—At the annual school meeting in Hampshire district on Tuesday evening an animated discussion arose in connection with the running of automobiles. Complaint was made that reckless drivers are in the habit of speeding along the road and that some have even gone so far as to take the number off their cars, so as to conceal their identity. The attention of the Automobile Association is directed to this matter and it is reminded that should this kind of recklessness be continued it will result in an agitation against the auto that will certainly close this road to them for all time to come. It is up to the Association to see to it that no autoist shall be allowed to bring the whole fraternity into the bad graces of communities which have only recently been persuaded to permit the autos to run on their roads.

A PRETTY JUNE WEDDING.—Zion Presbyterian Church was the scene of a very happy event yesterday morning, when Miss Katie Murchison, daughter of Captain J. J. Murchison and Mrs. Murchison, became the wife of Mr. W. G. Spencer, of New Glasgow, N. S., son of Rev. W. H. Spencer and Mrs. Spencer. The ceremony was performed by Rev. John Murchison, brother of the bride, assisted by Rev. W. H. Spencer and Rev. J. D. McKenzie. The bride, who was unattended, was gown in a navy blue travelling suit, with hat to match. She wore a corsage bouquet of white roses and carried a white satin Bible. The choir rendered "The Voice that Breathed O'er Eden," and the Wedding March was played by Miss Lillian Earle. The bride was the recipient of many valuable presents including a beautiful silver tray and teapot from her fellow members in the choir and a handsome case for the Sunday School, in which she was a teacher. Mr. and Mrs. Spencer left immediately after the ceremony by the Aranmore, for the mainland, accompanied by the best wishes of many friends. The Guardian extends hearty felicitations.

AUTOS POPULAR.—Mr. Harry Darby of Abram's Village is now the owner of a handsome Automobile and has already taken several pleasure trips, through the settlement and to Summerside. Several other autos have also passed through this locality and as a result a high fever is prevalent among some of our well-to-do farmers, and it is quite probable that before long the auto will be a familiar figure in Egmont Bay.—M.

FAMILY RE-UNION.—Rev. Geo. F. Dawson, who has been attending the Methodist Conference in Moncton, left there Tuesday afternoon on the Ocean Limited north, for Montreal, in response to a telegram which he received that morning. His brother, Dr. William Dawson who is at the head of the California Asylum for the insane is to meet him in Montreal. Other members of the family will be there, and a family re-union held, the first in many years.

A sad and deplorable accident occurred at Alberton at an early hour yesterday morning when Joseph Murphy was instantly killed by a shunt on a railroad car. The express engine had returned from the wharf with a load of fish and was at the station. It was while a flying shunt was being made that the accident occurred. When the locomotive stopped Murphy jumped from it and evidently forgot about the shunted car, and attempted to run across the track on which it was shunting, when he was hemmed in between the wheels and crushed to death almost immediately. Deceased, who was thirty years of age, was a popular young fellow, and much sympathy is felt for his parents in their sudden deep sorrow.

An inquest is being held. The accident is all the more deplorable following as it does the one which occurred here about one year ago when two boys asleep on the railway were run over on the track one being killed and the other having a narrow escape.

Last week Abram's Village lost one of its most respected inhabitants by the death of John F. Arsenault which took place on Wednesday morning after a very brief illness. Deceased who was now 77 years of age, had been ill for some time, but had apparently regained his usual health, and was able to do some light work around his home. It is only a few years ago that he had sold his property at Abram's Village corner, and was now living in happy retirement when the grim reaper came and called him away leaving a sorrowing widow and a family of boys and girls. The funeral was held from St. James' Church on Friday morning followed by a large concourse. The following were the pall bearers, Inspector Gallant, John P. Arsenault and Joseph Arsenault (his two sons) Joseph M. Gallant. He leaves to mourn a widow, four sons, Sylvie away, John Pat. Wellington, Joseph at Abram's Village and Napoleon at Cape Edmond. Three daughters, Mrs. Martin (Insp.) Gallant, Mrs. Joseph Richard, Moncton and Mrs. Emmanuel Gallant Cape Edmond.—M.

SCHOOL INSPECTOR.—Acting Superintendent Shaw and Inspector Gallant paid a visit to Abram's Village school last Thursday. The pupils of the three departments were examined and apparently the examiners were favourably impressed. The trustees were present as were also some ratepayers. Remarks of satisfaction were made by trustees and ratepayers, and also by the Superintendent who gave some valuable admonitions to the pupils. Referring to the need of education the Superintendent said that the playground of a school came in for a large part in the education of a child. The aim of education was to develop the pupil physically, mentally, and what was the most important, the formation of character. He cited notable instances where, physical and intellectual strength, alone, were a menace to civilization. What was an absolute necessity was the force of character, which consisted in being courageous, sympathetic and self-denial. He then went on to show how well organized games in the play ground, and well conducted, tended to bring about those desired qualities.—M.

Rheumatism Entirely Gone
AFTER TWENTY-SEVEN YEARS OF SUFFERING—SWELLING AND PUFFINESS HAS DISAPPEARED—NOT A PAIN OR AN ACHE LEFT.

Kincardine, Ont., June 23—A most astonishing cure of rheumatism and eczema has been reported here, and Mrs. Ray is enthusiastic in telling her many friends how cure was effected. Rheumatism and eczema frequently go together, and in this case caused the most keen distress imaginable. All the swelling and puffiness resulting from many years of rheumatism was completely disappeared and there is not a pain or an ache left.

Mr. G. H. Ray, R. R. No. 1, Kincardine, Ont., writes: "Mrs. Ray has been using your Kidney-Liver Pills. She was very bad with rheumatism and eczema, and had had that fearful itch for twenty-seven years. It was simply terrible what she suffered. She persuaded her to try 1.00 worth of Dr. Chase's Kidney-Liver Pills she is now on the last box, and let me tell you she scarcely knows herself, she is so free from both these diseases. As the swelling and puffiness caused by the rheumatism has gone away, and she has gone down 15 lbs. weight, and is now a new woman, she never has such aches and pains, biffonness nor sick headache as these months. She often says herself 'How glad I am that I know what to do instead of paying doctors so much to make me worse.'"

There is only one way that the poisons in the blood can be cleared away, and the cause of pain, and aches removed, and that is by the healthy action of the kidneys, liver and bowels. Because Dr. Chase's Kidney-Liver Pills act directly and specifically on these organs and ensure their activity they remove the cause of rheumatism and other dreadful painful and fatal diseases. One pill a dose, 25 cents a box, all dealers, or Edman-son, Bates & Co., Limited Toronto.

TUCKETTS
MARGUERITE
THE "3 FOR A QUARTER" CIGAR

Don't judge the Marguerite, by its price. It's worth more.

PROPOSED CHANGE.—Owing to the practical failure of the lobster fishing along the North Side of the island during the present season, and the many drawbacks encountered by the fishermen for several years past, an agitation has begun to have the season for fishing lobsters on the North Side changed from two months beginning April 20th, when the present season opens to six weeks beginning August 1st. It is claimed that the present season opens too early as the ice generally remains on the coast long after destroying lines traps and nets while the fishermen are often along their own shores and have to purchase it at exorbitant prices in other localities. The amount of fishing gear destroyed every spring by ice storms and generally unfavorable weather conditions which usually prevail at this period is in itself no inconsiderable item, and very materially lessens the fishermen's profits. During August and September the weather is more settled, storms are less frequent and the fishermen can have a supply of bait caught and in readiness when the season opens, besides which they can very profitably employ the interval in codfishing, and as the majority of them are farmers, they would be enabled to do their cropping which cannot be done under the present arrangement, as the busiest part of the spring's work comes during the lobster fishing season. Veteran fishermen speak from their own experience of a much better quality during the latter part of the summer than in the early spring, as the lobster fishery is next to agriculture in the province, and the assistance of a

determined effort will be made by least along the North Side seems to be imperilled by the present regulations it is understood a strong and effective.

those interested to have this apparently necessary change brought about and thus save the industry from extinction.—E.
