**WEDDED IN CALGARY**—The following appeared in a recent Calgary paper. Mrs. Colpoys is a native of St. Peter's Bay and has many friends here. "A quiet wedding took place at Knox church, Calgary, Tuesday, January 15, when Miss Elizabeth Balderston became the bride of Mr. William G. Colpoys, the Rev. A. W. R. Whiteman officiating. Immediately after the ceremony the bridal party adjourned to the Palliser hotel, where the wedding breakfast was served. Later, Mr. and Mrs. Colpoys left for the coast where they will reside."

**HI-Y SUPPER**—The HI-Y Club held an enjoyable Valentine supper in the Y. M. C. A. last evening, there being present also the Y. M. C. A. directors and Mr. T. D. Patton, secretary of the eastern division, National Council. An excellent repast was served by the Ladies' Aid of the Y. M. C. A. Mr. Patton gave an inspiring address on the uplifting aims of the HI-Y Club and the importance this institution plays in present Y. M. C. A. activities. Later a business meeting of the directors was held.

**COLLEGE DANCE**—The Union Commercial College held a dance in the Casino parlours on Tuesday last. There were about two hundred and fifty guests present who were capably chaperoned by Mrs. Geo. L. Prowse, Mrs. William Davey and Mrs. Joseph Curran. After a well arranged dance program, refreshments were served by the ladies of the Union Commercial College. Mr. Moran presided over the party. A recitation was given by Miss Edna Gordon, and two violin solos by Captain Dufresne. The party broke up about 12.30 much indebted to Mr. Moran and the Union Commercial College pupils for the very nice party.

**PLEASANT GATHERING**—The Misses Dorothy, Helen and Zena Hogan entertained their friends to a dance and luncheon at the Casino Wednesday night. A large number of guests were present who all enjoyed themselves thoroughly. Luncheon was served at 11.30 and the party broke up about midnight. Miss Lalie and Miss Addie Hogan were the chaperones and Mrs. R. S. Hogan presided. The party was given in honor of Miss Helen who is to leave shortly to study nursing in New York.

**VIMY MEMORIAL PHOTO**—The Vimy Ridge memorial picture received recently by the Provincial Government is being framed by Mr. W. C. Whitlock in dark mission oak with gilt lining. The description accompanying the photograph follows: At the base of the strong impregnable walls of defence are the Defenders, one group showing the Breaking of the Sword, the other the Sympathy of the Canadians for the Helpers. Above these are the mouths of the guns covered with olive and laurels. On the wall stands an heroic figure of Canada brooding over the graves of her valiant dead; below is suggested a grave with a helmet, laurels, etc. Behind her stands two pylons symbolizing the two forces—Canadian and French—while between, at the base of these is the spirit of Sacrifice, who, giving all, throws the torch to his comrades. Looking up they see the figures of Peace, Justice, Truth, and Knowledge, etc., for which they fought, chanting a hymn of Peace. Around these figures are the shields of Britain, Canada and France. On the outside of the pylons is the Cross. The width of the memorial is 23 feet and the height 140 feet. This sketch, designed by Walter S. Allward, of Toronto, has been selected by the Canadian Battlefields Memorials Commission as the dominant feature of several battle-field memorials to be erected by the Canadian Government in Belgium and France.

**Eye Sight and Production Costs**  
Defective Vision amongst employees, is responsible for a serious increase in Production Costs.  
A blinded machinist would be a drug on the market; no employer would want him, and yet there are thousands of PARTIALLY blind workers, whose productive efficiency is cut in half, by some correctable form of eye defect.  
Industrialists are becoming alive to the serious loss thus incurred, and as a result, Eye Clinics are now conducted in many large shops and factories throughout the land.

**Annual Meeting At Dunstaffnage**

The annual meeting of the Dunstaffnage Cheese and Butter Company was held at the creamery on the 16th day of January last. A. D. 1924. The meeting was called to order by the President A. C. McAulay in the chair. The minutes of the last annual meeting were read and on motion adopted.  
Mr. John R. Munn who was appointed as a delegate to represent the Dunstaffnage Cheese and Butter Company at the Annual Meeting of the P. E. Island Dairy Association to be held in Charlottetown in the month of March 1923. Reported that he had attended the said meeting, and that nothing of any importance had been done at said meeting which would effect matters in connection with the Dunstaffnage Cheese and Butter Company.  
The President A. C. McAulay reported that during last season the Railway authorities notified this company requesting them to vacate the rebuilding of the Dunstaffnage Railway cream siding but owing to the fact that Hemlock sleepers instead of hard pine were used by the Railway when the said cream siding was built, and also the fact that this company paid for hard pine sleepers at the time it was decided at a meeting of the Directors that the President John R. Munn, director and Frederick Court, secretary, be appointed to interview Mr. Grady the Railway Superintendent and place the case referring to the said Cream Siding before him. The said interview was held at Charlottetown with the Supt. Mr. Grady. The Railway authorities rebuilt the said Cream Siding without any further cost to the Dunstaffnage Cheese and Butter company.  
The Secretary read the report of the salesman which was on motion adopted.  
The Secretary's report was then given and on motion adopted.  
The Auditor's report was read finding all entries correct and the books in good shape and was on motion also adopted.  
Director Mr. John R. Munn gave a review of the year's work, laying stress on the unforeseen large expenditure that had to be made during the year, which cost the company a very large sum of money.  
On motion the following officers were duly elected for the ensuing year. A. C. McAulay, President, re-elected, Directors A. C. Foster and J. C. Stewart, re-elected, Director Frederick R. Hughes, Daniel Bradley, William Sellars and Wallace Wood were also on motion duly elected.  
Moved, seconded and carried that Mr. Ludlow Jenkins be appointed as auditor for the ensuing year.  
The matter of shipping cream by rail was next discussed at some length. As the Railway authorities have indicated that they affect the first day of the month of February next, A. D. 1924 they will discontinue the carrying of cream by freight and institute instead of the freight carrying system, the Express baggage system, and whereas figuring on the basis of the cream received during the last year which was \$4008.7 lbs.—and cost this Dunstaffnage Cheese and Butter company the sum of \$2499.67 as Railway freight charge and also in addition to this said amount the sum of \$378.06 was paid by this Company for carrying said cream from the Railway siding to the Creamery, and as above mentioned, figuring on the basis of the cost of carrying cream by the proposed Railway system would cost any more than it generally cost when carried by the freight system, the Company regretted very much to say that the cream could not be received by the Company. The above resolution was declared carried by the President. But this Company partly respectfully suggest that the patrons who are shipping cream now at the present time or intending to ship cream during the present season would see if some other means could be procured to ship cream to this Company, or if this Railway order for shipping by Baggage Express could be countenanced.  
Moved, seconded and carried that the manufacturing charges be left in the hands of the board of Directors.  
It was the unanimous opinion of this meeting that the board of Directors should make every effort possible to reduce and pay off the Company's debt.  
The matter of getting cheques to the patrons earlier in each month was discussed and finally left in the hands of the board of Directors to be dealt with by them.  
The dairy industry being one of the most important industries which the Dominion of Canada has and the industry which effects the interest of farmers, it is to be regretted that anything should come up—such as exorbitant Railway freight rates—to interfere with its prosperity, when we come to realize that the Dunstaffnage Cream-

Manufactured 250,865 lbs butter during the last year and the gross value of this year's output being \$85411.28 and that farmers are improving their farms, by doing so much business in this line of dairying instead of selling the raw products of their farms.  
During the last season out of the patrons supplying cream to Dunstaffnage Creamery some of them made the following amounts out of their cream. One patron made over \$1002 and one patron made over \$800. Three patrons made over \$700. One patron made nearly \$500. Four patrons made well over \$400. Twelve patrons made well over \$300, and the great majority of them made good substantial paying amounts.  
At a Directors' meeting of the Dunstaffnage Cheese and Butter Company held on the 8th day of February, it was decided to receive cream shipped by the Express Baggage system for one month to see if the conditions will be improved by any system.

**A dose at bedtime of DR. CALDWELL'S LAXATIVE SYRUP PEPSIN**  
"Made them feel jolly again"

**Good Health in Happy Old Age**

THE chief concern of elderly people is their health, and that is best assured by regular daily bowel movement. There is no truth, however, in the notion that because you are old you need a "strong physic." In fact, just because you are old a mild laxative is better for you. The trouble with purges and cathartics and physics is that they shock the system and weaken it and make the muscles of digestion flabby. Mr. St. John, N. B., says Dr. Caldwell's Laxative Syrup Pepsin is the best medicine on earth and Mrs. George Luth. Pope, Man., who is in her 70th year, has found it easy to take, gentle in action and entirely satisfactory.

liquid laxative in the world. Because of its mildness and freedom from griping it is especially ideal for the extremes of ages, for children and for elderly people.

**Effective at Small Cost**  
Get a bottle of Dr. Caldwell's Laxative Syrup Pepsin at any drug store. The formula is on the package, and the cost less than a cent a dose. Take it when you feel heavy, sleep poorly, have headache or night cramps for these are also symptoms of constipation. Give it to the children when they are restless, feverish or have a cold. Laxative Syrup Pepsin will keep you and your family free from constipation, a condition that lowers the vitality 25 per cent and raises the blood pressure 25 per cent. Freedom from constipation lessens the pain of kidney trouble, neuritis and rheumatism.

**Does Not Grip**  
You can be sure of satisfactory evacuations every day if you will take a spoonful of Laxative Syrup Pepsin at night when you retire. You will not need to take it very long as a few doses will soon encourage the bowels to act for themselves. The popularity of this wonderful family remedy has become so great that it is the largest selling medicine in the world.
