

Nervous? There are many causes of nervousness, but poor blood heads the list. The doctors call it anemia. The blood lacks red corpuscles. At your first opportunity, consult your doctor about taking Ayer's Sarsaparilla. Ask him if he has anything better for weakness, debility, nervousness. If he has, take it. If not, take Ayer's Sarsaparilla. Get well, that's what you are after.

You Are Ailing

Find the Cause for the Weakness and Nervous Dread That Overshadows Your Life.

You can't keep up forever. Sooner or later Nature will rebel against the strain that is imposed on your overworked system. So far, will power and nerve may have tided you over, but the end is probably near at hand. To-day the common complaint with weak men and women is lack of vitality. Here you have the cause of your ill-health.

Wouldn't it be wise to use a time tested remedy like Dr. Hamilton's Pills that cures that "ailing" feeling in one night. Next morning you feel like new—bright, fresh, and happy. Appetite improves, dull, sallow color grows ruddy and clear, proving that great good is being done by this scientific medicine.

This writes Mrs. D. F. Fowler, from Yarmouth: "I used to feel drowsy and heavy, my color was a flow, and there was usually a bad taste in my mouth. I had vague pains all through my limbs, and an annoying headache as well. After the use of Dr. Hamilton's Pills there was a sudden change. I felt better, my appetite increased, and that exhaustion and depression gradually left me. Life seemed brighter and happier after I used Dr. Hamilton's Pills, so I strongly recommend such a good medicine."

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.

You are invited to call.
