Georgetown And Vicinity

Mr. and Mrs. Herbert Stewart and son Dennis of Charlottetown were recent visitors to relatives in Georgetown. Gordon Stewart who for some time has been in Toronto, is visiting his parents, Mr. and Mrs. A. Lister H. Stewart.

Mrs. Herman Lavandier has returned to her home from an extended visit with her son, Mr. Amos Lavandier, at Norfolk, Virginia.

A recent visitor to her home in Burnt Point was Miss Connie Blair who a few weeks ago accepted a position in the Canadian Bank of Commerce in Charlottetown.

Friends of Mr. Stafford Gordon of Brudenell are sorry to hear that he is still a patient in the Prince Edward Island Hospital, and express the wish for an early return to normal health.

On Sunday last at St. David's United Church evening service, a much enjoyed solo was rendered by Mr. Gordon MacCallum, who was very capably accompanied on the organ by Mr. Roland Jay.

Mrs. P. L. Boudreault has returned to her home after spending a few days in Charlottetown with her sister, Mrs. Rose Wilson of Cardigan, who this week underwent an operation in the Charlottetown Hospital.

Captain C. M. Fitzgerald, one of the elder citizens, had the misfortune of falling from the loft of his barn a few days ago, sustaining injuries to his arm. Luckily no bones were broken and his many friends hope his complete recovery will be not long delayed.

Mr. Charles Moshier has arrived home from Toronto where he spent a few months with his brother doing carpenter work. He reports lots of work in that line but the weather is too severe to work outside. He has returned home to get his fishing gear in readiness for May 1st, lobster day.

A real old fashioned card play was put on at the home of Mr. and Mrs. P. R. Sinnott last week for men only when nine old timers sat down to play for a side of fresh pork cut up into a number of fine cuts. No one went home empty handed and no one went home hungry as Mrs. Sinnott with her daughters served a fine supper during the evening.

Opening of the new rink last week brings back memories of long ago when the first rink was built and opened in Montague some thirty-five years ago. Many will remember that opening night as a special train a half-mile long arrived from Charlottetown, with hundreds of skaters and a band to supply the music from a balcony built especially for that purpose.

That special train came to Morell time and time again with hockey teams and hundreds of followers, and the band with the music. Everyone went skating mad here, young and old, grayed men and women who had never dreamed of skating in youth took to the ice with chairs, brooms and walking sticks to hold them up. Scores of them have since passed on.

This vicinity will learn with sincere regret of the death a short distance from Toronto of Mr. Allan McEwen, Early in life, Albie, as he was better known, was a Bristol man and served in the First Great War and lost one leg. He was a potato inspector here for many years, making his home in Charlottetown, but several years ago moved to Toronto to reside as his health was not the best. A score of his old classmates at the St. Peter's Harbor School learn with deep regret that another member of their class has gone. One brother

For the first time in memory all the Indians have left the reservation in Morell Rear. Its too far from the railway, they say, especially in winter and they like to be on the move.

In the first game of hockey in the new Morell rink, Souris defeated the local team four to two, but as the Bristol boys are only getting underway, a different score is expected next time.

Pie. and Mrs. George Daveaux have moved into their new bungalow. They have sold their old home and property to Mr. Eddie Roache, Pie. Daveaux, who has returned to the army, is stationed at one of the island depots at present.

Mr. Charles Bradley, St. Teresa, was in Mt. Stewart Tuesday on business.

The following from Mt. Stewart were recent visitors to the city: Mrs. James Jardine and son Stafford, Mrs. Leith Affleck, Mr. John Morrison, Reg. MacDonald, Harry Crane, Lem Jay.

Mrs. Elias McKay of Charlottetown was a recent visitor to Mt. Stewart.

Mrs. Allen Swan of York is visiting her mother, Mrs. Lloyd Jay, Mt. Stewart.

Mr. James Sullivan of Mullen Motors recently spent a few days at his home in Cardigan.

Mr. Urban MacDonald, student of S.D.U. was a recent visitor to the home of his father, Mr. D.J. MacDonald.

Bells, Santa arrived, proceeded to the front of the school, where he sat down and listened to the singing. To increase the delight of the children, he wore his complete Santa Claus suit. After the pupils sang the last song, Santa distributed the gifts from a most heavily laden tree. Upon completing this, he requested one more song, when everybody sang "Auld Lang Syne". Then, leaving his best wishes, he departed from the school, after which all joined in singing the National Anthem.
