Joy Enters The McDonald Home

Daughter Again Picture of Health After Several Months Illness.

"Tanlac has certainly brought joy to our family for it has restored to our family for it has restored to perfect health," was the statement made a few days ago by Mrs. Mary McDonald, of 1 South Adams Street, Halifax.

"Florence was operated on about a year ago and she has never been able to get over the effects of it until now. She didn't seem to have any strength or energy and just without eating scarcely a bite of anything and that kept me worried had to drag herself about all the all the time.

"Every morning she complained of feeling weak and dizzy, and just seemed to take all the strength she had to get out of bed and dress herself. Quite frequently she had awful headache spells and we could not get a thing that would relieve them. In spite of everything we did she gradually grew worse and fell off in weight all the time.

"Finally I decided to get her some Tanlac and see if that would help her, as several of our friends spoke well of it. That was two months ago and today she is the very picture of perfect health. She looks like a different girl and all our friends are surprised to see her so well and strong.

"Her appetite is just splendid and everything she eats seems to agree with her perfectly for she never complains of even so much as an uncomfortable feeling now. Her headaches have all left her and she has gained back all her weight and strength. She is bright and cheerful all the time and takes a new interest in everything. I am certainly thankful that I tried Tanlac and wish every mother in Halifax knew what I know about it."

"Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, J. P. White, Murray River, H. M. Chisholm, North Tryon, R. H. Cameron & Co., Crapaud and H. P. Coobon, Murray Harbor.

"Mr. L. H. Douglas, former station agent at Cardigan, arrived in Georgetown last week. Mr. Douglas has been appointed to this position by Mr. John M. Nicholson, who left for Summerside where he has recently been appointed.—G.
