BOR WILL LEAVE AT 4.10.

This will give all in above Districts an opportunity to
come to Victory Loan Headquarters, Charlottetown and
get any further information desired as to the purchase
of "Victory Bonds." The Executive find that in some
Districts people who have money to invest are desirous
of further explanations with regard to the Loan.

Any one can make application direct at the Head-
quarters Office or at any bank and not necessarily
through the Canvasser. It is the desire of the Provin-
cial Executive to have everything possible arranged so
that the Victory Loan in P. E. I. will receive the hearty
co-operation of all and this is necessary to make it the
success it should be. The cause is just, the security ab-
solute. Bullets and bayonets win battles, but money
wins wars. All nations, including Canada need mo-
ney.

The present high price being received for farm pro-
ducts depends upon our people being able to buy them.
This they cannot do unless our manufacturers are kept
agoing. To ensure this the Dominion Government must
have money. Subscribe to the Victory Loan and help
supply the funds to prevent hard times.

When you buy a Victory Bond, even a Fifty Dollar
one—you are helping Canada—you are doing a real ser-
vice to your country.

All are invited to come to the City, visit Victory
Loan Headquarters, take in the free entertainment at
the Opera House at 2 p. m., which includes the special
story of Sir Thomas White and Miss Canada. Every-
one is asked to co-operate in making Tuesday "Special
Victory Loan Day" a grand success.

RIPPED A SEVEN MILE HOLE
IN THE HINDERBURG LINE

Gen. Haig's Troops Captured 8,000 Prisoners, a Number of Villages
and Towns, and Now Have Cambrai, the Centre of Six Railways
Under Their Guns. German Communicating Line is Smashed.
German Losses Estimated at 50,000.

(Canadian Press Despatch.)
NEW YORK, Nov. 22.—The follow-
ing war news was received in Wall
Street this afternoon: British troops
are pouring through the gap smashed
in the Hinderburg line on the Arras
front and the advance continued.
The villages of Fontaine Notre Dame
was captured from the Germans in a
storm of assaults and many additional
prisoners captured. Cavalry and
infantry are cleaning up the
captured trenches while parties lead
in fresh assaults.

FONTAINE NOTRE DAME
OCCUPIED BY BRITISH
(Canadian Press Despatch.)
Fontaine Notre Dame, which was
occupied today is two and three
quarters miles southeast of Cambrai,
on the main road between Bapaume
and Cambrai.

BONAR LAW'S ANNOUNCEMENT
(Canadian Press Despatch.)
LONDON, Nov. 22.—Andrew Bonar
Law announced last night in the

House of Commons, that eight thou-
sand prisoners, including one hundred
and eighty officers, have been taken
by the British in their present opera-
tions. At one point the British
penetrated five miles behind the Ger-
man lines and several villages in
advance of those already announced
have been taken.

THRILLING CAVALRY CHARGE
(Canadian Press Despatch.)
BRITISH ARMY HEADQUARTERS
IN FRANCE, Wednesday, Nov. 21.—(By
the Associated Press)—The present
battle, more than any other in the
western theatre, has taken on the
savor of fighting in other wars when
men struggle in the open and cavalry
made thrilling charges against the
enemy guns. Many military critics
at a time contended that cavalry was
a thing of the past, but the mounted
men have refuted this claim. Field
Marshal Haig has clung to his horse
troops throughout the weary months
of trench fighting. He believed that
some day he would have a chance to
use them and his judgment has been
vindicated.

GERMAN LOSSES ESTIMATED AT
50,000, BRITISH LOSSES SLIGHT
(Canadian Press Despatch.)
The German losses in killed, wound-
ed and captured are enormous, who-
se divisions being shattered. "It is un-
officially estimated the Germans have
lost over 50,000 while the British
losses are slight."

Another despatch received stated
that the British heavy guns were
shelling Cambrai, the key position to
the Hinderburg line in France. Re-
ports from the front, stated that fires
had been started in Cambrai and the
defence work wrecked thereby. The
enemy was being demolished.

GERMAN COUNTER ATTACK RE-
PULSED WITH SERIOUS LOSSES.
(Canadian Press Despatch.)
PARIS, Nov. 22.—The Germans
last night made a counter-attack on
the Aisne front in an endeavor to
re-capture the ground won by the
French in yesterday's offensive. The
war office announces that the enemy
was repulsed with serious losses.

GLORIOUS WORK OF CANADIANS

"What They Have Been Told to Take They Have Taken, What They
Took They Hold."

(Canadian Press Despatch.)
CANADIAN ARMY HEADQUARTERS
IN FRANCE, Nov. 22.—(By Wil-
son special Correspondent (Canadian
Press))—"Side by side with men from
other parts of the Empire and of
France the Canadians have taken a
glorious share in the campaign of the
past year which has been marked by
the steady decline of the enemy's

strength and morale in the western
theatre. Since the fall of Bapaume
signaled to the world the acceptance
of the defensive by the Central
Powers in what, from their early
years preparation was to have been
the theatre for a triumphant offens-
ive, the Canadians have moved surely
forward from victory to victory. In
the desperate fighting at Vimy ridge,
at Hill 70 and afterwards when our

troops closed steadily in around Leus
winning back for France vital mining
regions and finally at Passchendaele
when Canada, by storming the Ridge
completed the capture of this key
position the Dominion in the field
has known no reverses. What they
have been told to take they have
taken. What they have won they
have held. Our artillery has come in
to its own as never before until now.

VON TIRPITZ DISCUSSES
U.S. ENTRY INTO WAR

(Canadian Press Despatch.)
AMSTERDAM, Nov. 22.—America's
entry into the war is disadvantageous
to us in morale and many other
ways," said Admiral von Tirpitz,
former German Minister of Marine,
in addressing a meeting of the Fath-
erland party at Dresden. We ought
to have reckoned with the fact that
the American trust magnates were
bound to desire our defeat. I regret
that we did not remain firm in the
face of President Wilson's threats.
If we had done so, things probably
would have been very different, but
now we must take them as they are.
I would point out, however, that
from a military view point, America's
entry into the war is of great signifi-
cance to us because it is the tonnage
question that is decisive.

(Canadian Press Despatch.)
LONDON, Nov. 22.—Cambrai the
centre of six Railways and the chief
depot city for the German communica-
tion lines in Central France, was un-
der fire of British field guns today,
its usefulness as a German base is
done. Not only has the Hinderburg
line been broken utterly but the
vitally important communication line
has thus likewise been smashed.

THE SITUATION IN ITALY

(Canadian Press Despatch.)
ITALIAN ARMY HEADQUARTERS
Nov. 21.—(By the Associated Press)
The greatest mass attack which
the enemy has made is in progress al-
ong the Upper Piave River at the
point where it bends to the north-
east into the Beluno Alps. As the
action proceeds the enemy is bring-
ing forward fresh masses of his reser-
ve including picked troops of the
Prussian Guards, besides some of the
best German troops drawn from
western and Russian fronts. He has
also 20,000 mountaineers from lower
Hungary, troops which are noted for
their brutal vandalism. The action
through the day has shifted west-
ward from Monte Tombo and Monte
Pertica, where the enemy rushes have
been checked. The Italian positions
remain substantially unchanged in
the region of Monte Grappa, which
dominates the whole range of lower
hills. The Monitor fleet which is
co-operating with the Italian fleet off
the mouth of the Piave is heavily shelling
the enemy positions menacing Venice.

ON THE ITALIAN FRONT.

(Canadian Press Despatch.)
ROME, Nov. 22.—The Austro-Ger-
mans invading Northern Italy yest-
erday reached a few of the Italian
outstanding positions on the Italian
advanced lines on Monte Fontana
Secca, but elsewhere the Teutons
were repulsed, the war office announ-
ced today.

MR. JAMES PATON
DELIGHTS HIS AUDIENCE

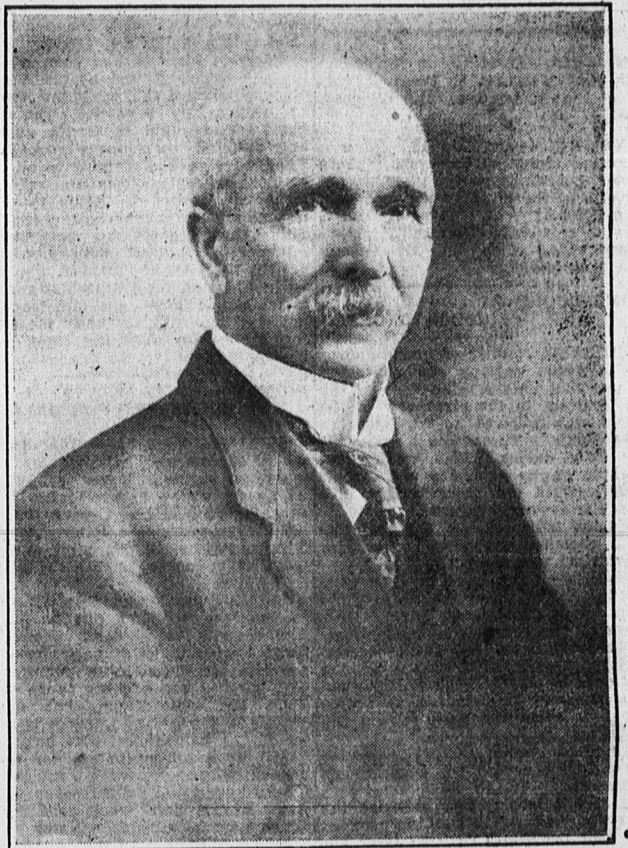

With Personal Reminiscences of His Trip
Through the Holy Lands. A Large Gather-
ing Enjoyed the Lecture and the Numerous
Private Stereo Views.

To many of those who are living
daily under the burden of the war,
much comfort and momentary for-
getfulness was brought last night by
Mr. Paton's splendid lecture on "The
Holy Land" in the Heartz Memorial
Hall.

He told of the trip by train over
the Judean hills and the arrival at
Jerusalem, travelling over the coun-
try which is now being trampled by
British and Turkish armies. Oppo-
site to the hotel where his party stop-
ped was the Tomb of David, which the
party visited.

Mr. Paton started his lecture from
the arrival of the Boston boat at Al-
exandria, and gave a most interesting
description, illustrated by stereo
views, of the debarkation, in small
boats rowed by natives, from the ship
to the shore. From Alexandria he
journeyed to Cairo, and from there to
Jaffa, or Joppa as it is called now.
This is the place where Noah built
the ark and also figures in the story
of Jonah and the whale. In Joppa

The trip to Bethlehem was by carri-
age and by horseback and en route
the party passed the well where, the
legend runs, the three wise men stop-
ped to water their camels on their
way to the birthplace of the Saviour.
They visited Rachel's Tomb and then
came to the Church of the Nativity.
Here they saw the spot where the
shepherds found the Babe; marked
by a silver star, over which bright

ESTING ADDRESS LAST EVENING.

lights shine and are never allowed to
die out.

From Joppa Mr. Paton and his
party journeyed to Jerusalem, partly
by narrow gauge railway and some
of the distance by wagons and horse-
men. He passed the birth place of
Joseph of Aramathea. Here little
Bedouin girls were selling flowers
plucked from the hills of Judea.

They visited the market place and
the principal streets, and saw David's
well which is near the gateway.
From Bethlehem they journeyed to
Jericho, a distance of some 26 miles
from Jerusalem.
In the Holy city the first place the

CLAIMS FOR EXEMPTION WHICH HAVE BEEN
CORRECTLY DISPOSED OF AND TAKEN INTO

NOVEMBER 22nd, 1917.

Table with 4 columns: Tribunal, Allowed, Dis-allowed, Total. Includes tribunals for Tignish, O'Leary, Richmond, Summerside, Aliberton, Charlottetown, Crapaud, Hunter River, Mount Stewart, Vernon Bridge, Murray River, Montague, Souris, St. Peters, Dundas.

Percentage of claims disallowed to total
claims disposed of 4.06
Percentage of claims allowed to total
claims disposed of 95.94
Out of 63 claims disallowed, 21 have been noted for
appeal or 33 1-3 per cent. of all claims, disallowed.
Out of 1489 claims allowed, 23 have been noted for
appeal or 1.54 per cent of all claims allowed.
The appeals in the cases of claims allowed are made
by the Military Representatives. It will therefore be
easily seen that the appeals made by the claimants
themselves are over twenty times as great in propor-
tion as the appeals made by the Military Representatives.
