RHEUMATISM ALMOST KILLED HER

For years Mrs. S. Stillchild of Summerside, Ont., was a martyr to rheumatism. "I was so stiff and lame I could scarcely walk" she writes. "An attack striking my limbs made walking impossible. Friends and doctors gave prescriptions but I only got relief from Ferronone. I took twelve boxes and gained from the first. Today I am well, feel stronger, weigh heavier and look the picture of health." HONOR GIVEN TO REV. DR. HEARTZ

BRIDGEWATER, Nov. 15.—A few evenings ago a reception in honor of Rev. W. H. Hertz, D.D., President of the Nova Scotia Conference, was held in the court house in this town. The Methodist people of Bridgewater were there in force. The weather was most unpropitious all day and prevented people at Riverport, Mahone Bay, Lunenburg and other places from attending, and several who were to have taken a prominent part in the proceedings in the way of address and singing were, for this reason, not present. Though disappointed in not having the friends from the other circuits present, as they had hoped and planned, the members of the Bridgewater congregation spent a most enjoyable and profitable evening.

Your Doctor

Can cure your Cough or Cold, no question about that, but why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years; let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

The next time you have a Cough or Cold cure it with SHILOH
