Every young male teacher who intends to teach in this province during the present school year should apply without delay to the Superintendent of Education, Charlottetown for permission to take this useful and profitable course. The license held, and if possible the name of the school in which he intends to teach. As the Superintendent must forward to Halifax at most immediately a complete list of the names of those whom he recommends, those who wish to take the course should make application to him at once.

More Cures In Charlottetown

A MOTHER CURED OF ECZEMA. TELLS OF OTHER REMARKABLE CURES

Charlottetown, June 30

Dear Sir,—I am glad to say something in favor of the Farador, for the following reasons:—

About two months ago I began to suffer from eczema and it made a complete cure of me.

Nearly two months ago one of my children was so ill with pneumonia that he was not expected to live. By its means he got quick relief and in a few days was entirely cured.

Several years ago the same child was very ill with pneumonia, measles and whooping cough, and the Farador quickly restored him to health.

My mother suffered greatly from a disorder of the blood and she was cured by the same means.

Two of my nephews were also cured by the Farador. One was cured of Eczema and the other of fits. Both children are strong and healthy today.

I owe so much to Farador that I am sure it is the best remedy in existence.

MRS. JOHN PROWSE, 35 Upper Queen St.

The foregoing letter is addressed to W. E. Enman, Farador representative, 226 Richmond St., Charlottetown. Violet Ray and vibratory massage may be obtained at the same address. 1330.
