Mr. Roy Cudmore Returns From "Y" Meeting

Many problems dealing with the youth of Canada were discussed at the annual meeting of the National Council of the Y.M.C.A., held at the Royal York Hotel, Toronto on Feb. 12-14, Mr. Roy Cudmore who represented the local Y.M.C.A. stated, on his return to the city last night.

Local associations were urged to give special attention to boys' work in consideration of the fact that juvenile delinquency has increased in Canada since the outbreak of war.

The National Council was urged to prepare a statement to be presented to the Dominion Government on the problem of bringing up the youth of the country under wartime conditions, with the recommendation that youth training may be recognized as a vital part of the national war effort.

The National Council went on record as approving the action of the government in designating a committee of the House of Commons to consider the problems of social security in Canada, thus giving evidence of its intention to translate into action the repeated assurances of Canadian leaders that the United Nations are, in fact, fighting for positive ideals, and particularly for a peace-time world in which men, women and children will be free from the constant feeling of undeserved privation.

The war services of the Y.M.C.A. were also reviewed and the report of this department was presented by James Y. Murdock, K.C.

While in Toronto Mr. Cudmore met Mr. C.A. Shell, Secretary of Y.M.C.A. War Services, who had the highest praise for the Charlottetown Y.M.C.A.'s Saturday night programs for the men in uniform. These entertainments, Mr. Shell considered, were of outstanding value and he strongly recommended their continuance.

The guest speaker at the War Services luncheon was Air Chief Marshall Sir Frederick Bowhill, Commander in Chief of the R. A. F. Ferry Command.

At the Holy Communion Service on Sunday morning the Rev. Harvey Denton, former pastor of the Baptist Church of this city presided. Other former Islanders whom Mr. Cudmore met at the Council meeting included Mr. Winston Smith of Pownal, Mr. George Walker, Charlottetown and Mr. Burgess all of whom are doing excellent work as Y.M.C.A. Secretaries in Western Canada.

The Convention was the largest in many years, Mr. Cudmore stated. The sessions were presided over by Dr. Sidney Smith, K.C., President of the National Council.

Your Tea and Coffee Will Cost You More

Restaurant operators in Charlottetown, Summerside and other centres who wish to take advantage of a recent order authorizing charging of five cents extra for beverages served with meals must file three copies of recent menus, lists or other displays of prices for meals with the Prices Board office. This should be done immediately and should be accompanied by a certificate.

Restaurants, public caterers that have been serving tea or coffee without meals at less than 10 cents per serving may raise the price to not more than 10 cents. This is provided for in the order, which became effective this week, with the hope of releasing pressure upon restaurant accomodation discouraging "cup of tea or coffee" customers.

Places where meals were served at a set price including an order of tea or coffee may now be served at the same price with an extra charge of five cents for tea or coffee requested by the consumer. This new order, however, does not affect charges paid by residents of boarding houses.
