SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking "FRUIT-A-TIVES"

MRS. M. J. GORSE
8928 Union St., Vancouver, B.C.

"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant Headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused.

Then, I started taking 'Fruit-a-tives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 148 pounds and now it is 168 pounds. I am free of pain and headaches and the terrible Constipation; and what saved me from misery is the splendid fruit medicine, 'Fruit-a-tives'."

After the ceremony the guests of the young couple sat down to a most dainty luncheon and continued in the service till the happy couple left for a wedding trip to Western Canada. Reception for New Governor General

OTTAWA, Aug. 5—Subject to change in details, the programme for the reception of Canada's new governor-general, Lord Byng, is practically complete. Premier Meighen with a dozen members of his cabinet will be at Quebec on August 11 to hold the cabinet meeting at which the new governor-general is to be sworn in. There will be in everything a return to the pre-war formalities and display which greeted the Duke of Connaught, but which were abandoned in the case of the Duke of Devonshire, because of the war.

The Empress of France will bring Lord Byng into Quebec on the night of August 10, but he will not step on shore until the following morning. He will board the Lady Grey between 10.30 and 10.45 on August 11 and as he leaves the ship nineteen guns will boom forth from the citadel. At King's wharf he will be received by Premier Meighen and his cabinet, the lieutenant-governor of Quebec, Sir Charles Fitzpatrick; the Quebec premier and members of his cabinet, and members of the house of commons and the senate who live at Quebec.

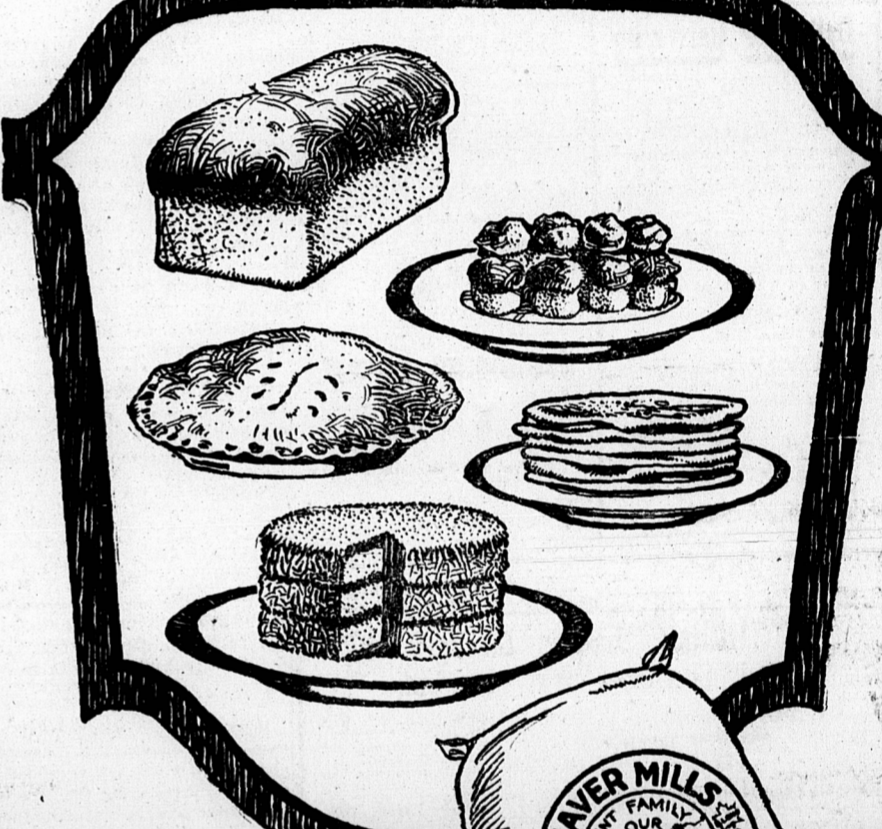

From the King's wharf a procession will go to parliament hill where at noon a cabinet meeting will be convened by Premier Meighen for the purpose of swearing in the new governor-general.

There will be a luncheon at 1.30 in the restaurant of the parliament buildings at Quebec. Sir Charles Fitzpatrick is also giving a dinner at government house that night. It will be over in time for Lord Byng to take his special train for Ottawa at 11 o'clock.

The governor-general will arrive in Ottawa at precisely 2.15 o'clock on the afternoon of the twelfth. There will be a short reception at the station by members of the cabinet, resident senators and members of parliament, and representatives of Ottawa. All will go in procession to parliament hill where a pavilion is now being erected. Addresses of welcome will be given by members of the corporation of the city of Ottawa and possibly others. Then, and only then, can he go to Rideau Hall which will be his home for the next five years.

There will be military features to the receptions both at Quebec and Ottawa.

BEAVER FLOUR

It is the prevailing supposition that all well-known brands of flour are about the same in quality and that one is just as good as another for baking.

This is entirely wrong. The baking qualities of any flour depend on the scientific blending of the classes of wheat used, and the skill and care exercised in its manufacture.

"Beaver Flour" is made from the choicest Ontario Winter Wheat, scientifically blended with Western Hard Wheat. It has all the good qualities of both in such proportions that it produces bakings of fine, even texture yet with body enough to be substantial.

The flavor produced by "Beaver Flour" is that rare, nutlike "home-made" taste, so much sought after by all who enjoy good things to eat.

"Beaver Flour" will improve your bakings. Try it! Sold by your grocer.

Georgetown-Mount Stewart Baseball

Georgetown has added her fifth victory in the series of base ball games in King's County completely "whitewashing" Mount Stewart on the Exhibition grounds, Georgetown, on Tuesday evening, Aug. 2nd. A large number of spectators were present to witness what they believed would be a hard fought game for the championship of King's County. Although the Mt. Stewart team were defeated score twenty-one to six, they showed their "sporty" nature and played "game" to the end. Both teams played good ball yet Georgetown held the superiority in fielding and batting. McCannell the catcher of the home team, made an exceptionally fine catch. The ball was fouled and went back
