 ADDRESS—Revere Hotel, Ch'town

**To the Electors of the
 City of Charlottetown**

Ladies and Gentlemen:
 The annual report of the Commissioners of
 Sewers and Water Supply is now before
 you.
 In offering myself as a candidate for re-
 election as a commissioner, I solicit again
 the generous and hearty support so freely
 given me in the past.
 In the eight years that I have had the
 honor to serve upon the board, the
 Charlottetown Water Supply has become
 the greatest and most important public
 work of the city.
 During that time there has been added
 to the plant—the following:
 The sewerage system, also a first class
 concrete reservoir, second water supply,
 and second main pipe line, with
 a most encouraging financial year
 increase in revenue.
 Should you again elect me I shall endeavor
 to discharge the duties of a commissioner
 as heretofore to the best of my
 ability.
 Your Obedt Servant
 CHAS McGRIGOR

**Whooping Cough, Croup, Bronchitis
 Cough, Grip, Asthma, Diphtheria**

Cresolene is a boon to Asthmatics
 Does it not seem more effective to breathe in a
 remedy to cure disease of the breathing organ
 than to take the remedy into the stomach?
 It cures because the air rendered strongly antiseptic
 is carried over the diseased surface with
 every breath, giving prolonged and constant treat-
 ment. It is invaluable to smokers with small
 children.
 A case of a consumptive
 tendency had immediate
 relief from coughs or in-
 flamed conditions of the
 throat.
 Sold by druggists.

AS UNEXPECTED AS BURGULARS.
 That's the way cramps come—
 strike you without warning. Noth-
 ing so sure to instantly relieve as
 Nerviline—just a few drops in sweet-
 ened water is all that's required to
 stop the pain. Polson's Nerviline is
 a true comfort to every family, for
 it acts on the stomach and bowels, guar-
 anteed to have at least five times the
 strength of any other pain relieving
 medicine—perfectly safe, pleasant
 and useful for external pains too.
 For a reliable household medicine
 case Nerviline supplies all that's nec-
 essary. Large 25c. bottles sold
 everywhere.

Rosy Cheeks
 The Ambition of Every Woman

Hollow cheeks with dark lines, sal-
 low complexion—how a woman hates
 them!
 But rosy cheeks, clear skin, bright
 eyes—give them to a woman and she
 is happy.
 In the blood is found the first sign
 of trouble.
 It grows thin and watery, its color
 fades, and increasing pallor and sal-
 lowness give the outward evidence
 of the change within.
 Soon the nerves weaken, the heart
 easily tires and palpitates, strength
 declines.
 The delicate mechanism of the wo-
 manly functions is interfered with,
 and pleasures, activities and even
 duties are loaded down with the bur-
 den of declining health.
 Why is it that woman neglects the
 first warnings?
 Usually she waits till she is ready
 to drop—often then it's too late.
 These conditions are easily checked,
 easily cured at the beginning—but
 even when long established Ferro-
 zone will remove the cause and cure
 the trouble.
 Ferrozone's action aids the three
 principal functions of the body—
 digestion, assimilation, elimination.
 By strengthening digestion it forms
 an abundance of rich, red blood—this
 gives good color.
 By perfecting assimilation, Ferro-
 zone supplies nutrition—this gives
 strength, vim, stability.
 Elimination is assured because Ferro-
 zone quickens the actions of the
 liver, kidneys and bowels—this guar-
 antees the maintenance of vigorous
 health.
 Ferrozone puts you on the right
 road—the one that leads to health.
 Not a man, woman or child need
 know who is weak, enervated or sick-
 ly, not a person in ill-health who
 won't receive immediate help from
 Ferrozone.
 As a tonic and restorative, as a
 health-bringer and body-builder, Ferro-
 zone is unrivalled. It cures because
 it feeds and nourishes because it
 contains the elements that build up
 and strengthen. Try it yourself—
 sold everywhere in 50c. boxes.

Cure That Cough!
 YOU CAN DO IT BY USING
**Dr. Wood's
 Norway Pine Syrup.**

The Most Perfect Throat and Lung
 Healer in the World.

**Dr. Wood's Norway Pine Syrup gives
 prompt relief from that choked up, stuffed
 up feeling which is so distressing, it loosens
 the phlegm, checks the rasping and useless
 cough, and soothes the irritated
 breathing organs. It is a pleasant prepa-
 ration to take and is therefore specially
 adapted to the coughs and colds of children
 and those who dislike nauseous mixtures.**

This is no vain boast, but a fact that
 can be backed by unimpeachable testimony.
 One 25 cent bottle, indeed, a trial dose,
 will prove its merits.

Mr. Frank K. Purdie, Brandon, Man.,
 writes: "I have used your Dr. Wood's
 Norway Pine Syrup for some years and
 have always found it a sure remedy for all
 colds, coughs, sore throats, hoarseness, etc.
 I cannot too highly recommend it to any-
 one suffering from any effect of cold."

**To The Electors of The
 City of Charlottetown.**

LADIES AND GENTLEMEN:—
 Having been nominated at a meeting of
 Electors of Ward 5 and also requested by
 a number of voters not at that meeting to
 nominate for the Mayoralty I have
 decided to do so and will be a candidate
 for that office at the Civic election in
 February.

I had the honor of a seat at the Council
 Board for several years as the represen-
 tative of Wards 3 and 4 and later on the
 Board of Sewer and Water Commissioners
 as Chairman. I feel that my record
 in these two bodies justify me in solicit-
 ing your support for the Mayor's chair.

I am in favor of a certain amount of
 civic improvements being made each year
 commensurate with our revenue, but I
 opposed to any large increase in the
 indebtedness of the City, more particularly
 the present time with such a straggling
 in the money market, it being impos-
 sible to sell Debentures except at
 loss—City 3% per cent. Debentures being
 now offered at a fraction over eighty-
 three dollars per hundred.

I would recommend a change in our
 financial year. The year now closes Dec.
 31. Under those conditions it is impossi-
 ble to get the City accounts before the tax-
 payers in time to give them an intelli-
 gent idea of the City finances before nomina-
 tion day.

Should you do me the honor of electing
 me to the important office of Mayor I will
 to the best of my ability endeavor to
 discharge the duties belonging to that
 office in the best interests of the City, as I
 have always heretofore done.

Again soliciting your votes and support
 on Election day,
 I remain,
 Sincerely yours,
 SIMON W. GRABBE
