..*IT PAYS to buy in this province.

..*THE BAPTIST CHURCH, Montague held their Xmas tree on Xmas Eve, and was of the usual kind, a good programme and a treat for their children and also for a large number who visited them that eve.—T.

..*LAND PURCHASE.—Mr. D. Dougherty, Montague, has purchased the "Dougherty farm" situated between the St. Peters and Martinvale roads from Mrs. Dougherty, owner, of Boston.

..*FROM ALASKA.—Mr. M. Whelan, returned to his former home at New Zealand from Alaska, after an absence of eighteen years. He was several days on the train and on equal number on steamboats, etc. or a fortnight on the trip home. His father, Mr. Edward Whelan, met him at Mount Stewart.

..*HOUSE BURNED.—The residence of Mr. Gabriel Morrison, Little Harbor was burned to the ground Friday morning. The fire was caused by using a can of coal oil to light the morning fire, which caught and exploded. There was no insurance and the loss, including contents, amounts to \$1,500.

..*CHRISTMAS TREE.—On December 23rd the Sunday School of the Presbyterian Church, Montague, gave a Christmas tree for the pupils. A very fine programme was promptly rendered and much appreciated. Special mention may be made of a recitation by little Eric Coffin, which was of unusual eloquence for one so very young, and brought forth peals of laughter from the audience. Santa arrived in due time and was in a very funny mood, and caused much merriment with his witty saying as he treated each member of the school and even the entire audience with fruit and candy.—T.

..*CHRISTMAS SERVICES.—On Sunday evening December 21st there was a very special service at the Christian Church, Montague, when special Christmas music, singing and sermon were heard, by a most appreciative audience. The choir rendered an elaborate programme of anthems, solos, quartettes, etc. The subject of the sermon was "There was no room in the inn," and was preached in a masterly style, showing that even in these modern times, in many many places, there is no room in the inn of our hearts for Christ. The whole service was one long to be remembered by those privileged to hear it.—T.

..*THE MONTAGUE High School held their usual Xmas tree for the pupils. The teachers were remembered by their charges, with nice gifts and they in turn treated the pupils to oranges and chocolate bars in quite an elaborate way. The school here has an efficient staff of teachers. The principal Mr. Howard Hynes deserves much credit for the way he is looking after the school, it being his home school and only away from it a short time himself, would naturally make it more difficult for him than in a strange community. But Harold has no trouble, as he instructs in his capable manner.—T.

..*SURVEYING.—Mr. Henry Collins, Martinvale, had a surveyor working for him on Friday and Saturday, outlining the boundaries of his home farm.

..*WEDDING BELLS.—At the parsonage by Rev. C. E. Armstrong, Montague, on the eve of December 17th Mrs. Katherine Stewart, New Perth and Mr. Roderick Fraser were united in marriage. The happy couple will reside at Whim Road.—T.

..*WEDDING BELLS.—On Wednesday December 17th at the home of the groom's parents, Mr. and Mrs. Charles Vickerson, Montague, their son Hector and Mrs. Pearle Nelson were united in marriage. Rev. Mr. McKenzie of the Presbyterian Church officiating. Mr. and Mrs. Vickerson will make their home in Montague.—T.

..*HOME ON VISIT.—Mr. William Nelson and Hubert Nelson, sons of Mr. Horatio Nelson, Montague, arrived home on a visit on Saturday last the former was accompanied by his wife and child. The Nelson boys have been West for several years and we are glad to welcome them to the place of their birth, and to extend a welcome to Mrs. Nelson upon this, her first visit to our province.—T.

..*SANTA'S VISIT.—On December 23rd Santa Claus arrived at the Christian Church, Montague in airship to distribute the goodies provided there. The Christmas tree was loaded with presents and Santa had a strenuous time distributing them after his tiresome journey. There was a special programme of songs, recitations, etc., the crowning number being a recitation by Arthur Burke, entitled "Mince Pie" and was humorous in the extreme.—T.

Far better to keep on hand a bottle of Dr. Thomas' Electric Oil. It is just as quick in action and does not scar the skin or burn the flesh. There is no other Oil that has its curative qualities.

ADDRESS AND PRESENTATION.

The occasion of the following address was the visit of and presentation by neighbors and friends to Mr. and Mrs. Ewen Campbell, Alberton, of mementoes in recognition of the services rendered by their two sons who in the discharge of their duties sacrificed their lives upon the battle front of Europe.

Dear Mr. and Mrs. Campbell: The memory of your brave good boys is often with us and we deeply feel an inexpressible debt of gratitude to you for the gift of your sons for our liberties.

We return again to comfort you, if we may, by standing again with you to associate your sorrow with the price of the Dominion and the Empire and the glory of the world in the freshly won League and Covenant of the nation for peace, won by such deeds of valor as the memory of your sons commemorates.

Allow us again to remind you that your sons' deeds live in the rising and wide spreading advance of the world, to its consummation in the Kingdom of God among men, where injustice and wrong are lost in peace and goodwill among men.

May these small gifts of perishable gold confirm you often in your faith in the imperishable gift of God's Spirit in the souls of your boys which made them worthy of our grateful memory, and gave them the assurance that no good gift of God would be withheld from them in the day when the Father makes up his jewels, December 10, 1919.
