BIG EXHIBITION OF FASHION'S FINEST FURS

Commencing Monday and continuing all week we will make a grand exhibit of the finest ranges of furs it has yet been our privilege to offer you. The display will include ladies' Persian Lamb jackets, self-trimmed Sable-trimmed and Mink-trimmed, ladies' Marmot jackets, ladies' Astrachan jackets in plain and blouse effect self trimmed and Sable-trimmed, ladies' Bokharan and Grey Lamb jackets, ladies' seal jackets and nearfur-lined coats. The jackets are, without doubt beauties all fully guaranteed—and far superior to anything we have ever shown, while the prices are much more reasonable than heretofore; in fact we flatter ourselves, that after years of testing the merit of different makes, we have at last secured the ideal ladies' fur coat at a popular price. In ladies' neckwear, we show an elegant range, including Mink setts, Sable setts, Squirrel setts, Fitch setts, Isabella Fox and Marmot setts as well as an extensive range of separate neck pieces and muffs, caps and mitts, in all fashionable furs, at prices the most moderate. In men's fur coats, we show a very superior range, including Coon, Cape Buffalo, Black Dog &c. in qualities which will please the most exacting, while our range of men's fur collars, caps and sleigh robes are splendid. We extend a most hearty invitation to all visitors to the Exhibition to visit our showrooms during this week, and see for themselves the beauty and elegance as well as the good practical wearing qualities of the different lines displayed. Besides furs, there will also be displayed on the second floor, men's and boys' suits and overcoats, ladies' and misses' fall coats and millinery. All are cordially invited and all are heartily welcome.

ARTISTIC AUTUMN MILLINERY

We beg to announce that we have now placed in our show room, a large variety of the newest models in Fall Millinery. That they are beautiful and artistic goes without saying, as our milliner Miss Walpert—after a most successful spring season—is well known to the ladies as an exceptionally clever artist in the millinery line. Owing to an unusually large stock of Furs, and ladies' Mantles, which necessarily take up a great deal of space, we will hold no formal Millinery Opening this season, as it would result in an uncomfortable crush. However a large display of unusually attractive models are now ready, and the ladies are cordially invited to come at their convenience and view the latest authentic styles as prepared by Miss Walpert and her clever assistants. The change in the seasons styles, not only includes new shapes, but new materials as well, and introduces new colors and combinations. The fashionable hat is large—very large—with high crown, and brim which droops slightly, or flares high to right side. Hats with sailor brim are also good, with wide high crowns which display to advantage the new fancy bandeaux, large wings, Ostrich plumes and tips now so much in vogue. A great number of the smaller shapes are on the turban order, and these are expected to be very much worn. Satin plays an important part in the new millinery, as also Ottoman silk and lustrous velvets, with which the striking large Directoire shapes are plainly covered. The most fashionable colors are Peacock blue, Smoke grey, Empire green tans and Brown. All black hats are excellent style, and jet effects, tinsel bandings and soutache braiding much used. Fancy hatpins are still modish on the plainer models, while on the more elaborate hats buckles—some extremely large—are much used. We have an unusually splendid assortment of shapes in Felt, Satin, Velvet and Fur, and Miss Walpert, after her recent trip to the millinery centres is better prepared than ever to cater to the millinery wants of our customers. We guarantee you artistic work—up to-date materials—fair prices—and correct styles; you can ask no more, and we give you no less. Leave your order to-day.
