Victory For Love

By FAMELA WYNNE

CHAPTER XIV

As Mrs. Manvers-Pollock trod rather heavily upon the fire it came across the tiny smoking light jar below on the rocks. Dot dash, dot dash. John read it easily enough. Are You a Sufferer From Rheumatic Pains?

These pains come from an inflammation in the muscles and are generally caused by a deposit of poison in the blood called uric acid which produces the irritating and painful effect that causes many days and nights heavy with pain.

During the past 60 years Canadian people have found that by purifying the blood stream, Burdock Blood Bitters side them to enjoy free body movement with less rheumatic pain, as E. B. B. helps to tone up the system and clear up the uric acid in the blood, and probably help for the system against future attacks.
