CHANGES IN CINCINNATI REDS CERTAIN

Rookies Battle Veterans Berths on Teams.

(A. P. By Guardian's Special Wire)
TAMPA, Fla., March 6.—A prediction of radical changes in the line-up of Cincinnati Reds on opening day, as compared with a year ago, today from General Manager Larry MacPhail.

"I'll guess," MacPhail said, "that on opening day there will be five players on the Reds who were not with the club on opening day in 1934, and that four of them will be on the National League roster at the close of the season." He mentioned no names.

Two infielders worked out today, with Mike, Kampouris, Myers, and Riggs seeking regular berths, and Bottomley, Morrissey and Piet striving to beat off rookie competition.

ST. PETERSBURG, Fla., March 6.—(A.P.)—Babe Ruth and Rabbit Maranville, Boston Braves' turnstile stars, settled down to routine practice today and Manager Bill McKeehan had his first chance to prime his squad for the week-end exhibition games with Cincinnati at Tampa.

Whether or not the home run slugger will be ready for these contests will probably be determined tomorrow when he holds down first base in a practice tilt.

Big Frank Hogan was struck on the head by one of Bobby Brown's offerings during batting practice and suffered a concussion that will keep him idle for a week.

WEST PALM BEACH, Fla., March 6.—(A.P.)—Manager Rogers Hornsby convinced his St. Louis Browns he can still "take it," despite his 38 years. Attempting to run out a bunt, the rajah was struck on the temple by a hard thrown ball, but the beater apparently did not feel him.

Double infield practice continued at the Browline camp, and the pitching staff tried curves for the first time, preparatory to Monday's exhibition with the Giants.

BOSTON, March 6.—(A.P.)—General Manager Eddie Collins today announced that Boston Red Sox had demoted Dick "Wiggles" Porter, the hula-hula batting outfielder, to the Syracuse International League club. Porter spent eight seasons in the international, with Baltimore, before joining the Indians in 1929.

Conacher Making History

TORONTO, March 6.—The cruising right wing bomber of Toronto Maple Leafs, Charlie Conacher, is about to make the history of National Hockey League historians by winning the individual scoring championship for the second season. It's been done before by only two players.

The record book men will inscribe his name under those of Joe Malone, hockey's greatest sniper in the immediate pre-war and post-war era, and Ty Smith, whose most successful tally occurred in the early war years. Both played for the rugged old Quebec Bulldogs.

Six years out of junior ranks, Conacher has outdistanced the N. H. L.'s top scorers since the autumn of 1933 except for a period of two months at the start of the season when Harvey Jackson, driving in close collusion with Charlie, pulled into an early lead. Injuries spoiled Jackson's chances of finishing ahead of his mate.

Conacher has a good lead over the rest of the scoring pack and it is believed that the other players can't overtake the big winger in the remaining few games of the schedule.

SPORT BRIEFS

SHAKES THE JINK

MONTREAL, March 6.—One of the most definite and, at the same time, most surprising successes of this National Hockey League season was scored by Leroy Goldsworthy with Canadiens. "Goldy" had been tried out before with indifferent luck. He started to hit the high spots as soon as he joined Canadiens. Maybe his baseball career with Winnipeg's Northern League team will look up too.

TABLE TENNIS DE LUXE

LONDON, March 6.—Table tennis is a man's game, British critics are convinced. In the recent world championships here a singles match between Hagmann, the French champion and Kohn, of Austria, lasted two hours and 10 minutes before the Frenchman won in five sets. One rally alone lasted 19 minutes. It was estimated the ball crossed the net 1,500 times.

ANOTHER CHANCE ANYWAY

DETROIT, March 6.—The most upset manager of the National Hockey League, barring Eddie Gerard who started with St. Louis, is Jack Adams, of the Red Wings. He guided the Wings to the N.H.L. title one year ago. This season his team finishes last in the American group. But Jack has been given another chance. He will be back next season.

TO THE DOGS IN NAZI GERMANY

HANOVER, Germany, March 6.—Germany is going to have its first "world dog show" at Frankfurt-on-Main in April. Von Tschammer and Osten, chief of the German state sport and a noted authority on various breeds of dogs, has been named chairman of the honorary committee of the International Dog Congress.

THAT MENTAL STRAIN AGAIN

VICTORIA, March 6.—After playing in the mid-winter golf tournament here last month, Jimmy McLaughlin decided competitive golf is about as tough as any sport. "Ugh," he said, "I'd rather go 10 rounds of golf a day than 36 holes of golf a day."

MIDDLESEX'S OWN TOURNAMENT

LONDON, Ont., March 6.—A recent tournament staged here for 38 intercollegiate county hockey teams attracted 96 teams and more than 400 players. One London entry had a father and his two sons on the line-up. The tournament was started a year ago on a small scale. Now everybody wants to get in on it.

TO HOLD DOWN THE BLEED

LAKE PLACID, N.Y., March 6.—"Balance" is what Donna Fox, leader of the United States four-man bobsled team wanted for his sled. Or maybe it was just plain ballast. Anyway he got Mr. Bly who weighs 207 pounds. Dick Lawrence, 277 and Jim Black, 202, for himself the men at 200.

WEST THREAT FOR CURLING CH'SHIPS

Hamilton Thistles, Present Holders Of Title, Favored To Repeat.

TORONTO, March 6.—Again it is to be the West that youthful Gordon Campbell of Hamilton Thistles must overcome on the slippery road to the Canadian curling championship and Macdonald's Brier tankard. Alberta loomed up before Campbell, Ontario's standard-bearer, tonight as five rounds of play eliminated all but three rinks.

While the Thistle curlers were winning their fifth straight match, defeating Nick Tibbodeau and his Bathurst marksmen from New Brunswick, the Alberta challengers were keeping within shooting range. Bobby Alexander and his squad from Calgary made it four wins in five starts at the expense of Nova Scotia.

The Thistles rink also set the stage for the crucial contest of the round-robin series tomorrow morning. The sixth round brings together Ontario and Alberta. Campbell, runner-up for two consecutive years, can achieve his ambition by winning this single struggle.

Nova Scotia started the night with a slender hope and lost, accepting a 15-9 defeat from Alexander's mighty quartette. J. S. Black's rink from Saskatoon, Sask., could have survived by topping Northern Ontario, but the Eastern curlers eked out a 9-7 decision.

The favored Campbell rink, loser of only two matches in this classic event in two years and four in three years, crushed New Brunswick at the start tonight. The Hamilton men scored four on the first end and then played safely, content to give and take until the finish.

As it happened they broke through on the 11th for a big 6-0 that the final score was one-sided. But it wasn't a one-sided battle for the greater part of the way, the New Brunswick rink holding its own after the disastrous first end until the second last.

The Albertans went out quite as effectively to clinch their contest, from C. W. Durrant's Halifax rink. They scored three on the first and kept piling up points until the count was 8-1 at the sixth.

Durrant got back into the battle with a three on the seventh but Alexander replied with a four that closed the gate completely to the Maritimes.

Standings at the end of five rounds in the Canadian curling championships:

Ontario	5	0
Alberta	4	1
Nova Scotia	3	2
Saskatchewan	2	3
Manitoba	2	3
New Brunswick	1	4
Quebec	1	4

Abbie Sisters, Senior "Y" Are Hoop Winners

The Senior "Y" last night chalked up their second victory over the R. C. N. V. hoopers by defeating them 41-38 at the Y. M. C. A. The Navy enjoyed a wide margin the first half, but the "Y" team evened the series early in the second half and went on to win by three points.

The Abbie Sisters defeated the Blue Dots 19-14. The Abbies garnered an early lead, maintaining it throughout even though the Blue Dots staged a last quarter rally.

Badminton Stars Gather In Ottawa

OTTAWA, March 6.—More than 30 entries appeared tonight in the draw for tomorrow's first-day play in the Canadian badminton championships at the Badminton Club of Ottawa. Players arrived in the city from five provinces and included six defending champions.

Only one title will go undefended this year, the men's singles held by young Douglas Grant of Halifax whose health forced him to abandon tournament play. Mrs. Anna Klier of Vancouver, only holder of two titles, will defend the women's singles and the mixed doubles she won last year in Toronto with R. E. "Dick" Birch of her home city. Birch again will be her partner.

Along The Sidelines

(By Pat Power)

TWO CHARLOTTETOWN TEAMS very much in the running for Maritime honors are soon to be put to the test, as the date nears for their opening skirmishes with New Brunswick representatives. Intermediate Abegweits as this is being written are speeding towards the home of the Edmonton Eskimos where on Thursday and Friday nights they make their bid for Maritime supremacy in senior "B" ranks. Deprived of their home game when that old bugaboo of hockey squads, finances, cropped up, the local rather than default, came to terms with their opponents to have both games played on New Brunswick ice. By their action the team made their task of beating the Eskimos an even more difficult one as the strength of Sprague Cleghorn's team is easily determined by the manner in which they disposed of the Intermediate Hawks. But as usual they are not one bit undaunted and if defeated it is a foregone conclusion that they will go down with colors flying.

RED INDIANS N.B. CHAMPIONS

MONCTON, March 6.—Moncton Red Indians tonight were declared New Brunswick junior champions following the forfeiting of the second game of the series by Campbellton.

The Red Indians will now advance to meet Charlottetown Junior Abegweits in the P. E. I.-N. B. semi-finals. The first game will be played at Charlottetown Friday.

Tigers Defeat Holmans

The Red's Corner Tigers handed Holman's squad a 4-1 beating in an exhibition tilt at the Crystal Rink, Tuesday night.

The play was fast and rugged throughout and more even than the score would indicate. Jack Lefursey, Hogan, Perry and Bruce Crozier scored for the winners, while Clow notched the losers' tally.

DIZZY DEAN HOLDS RESPECT FOR RUTH

Cards Pitcher No. 1 Amplifies State-ments Re Babe's Joining Braves.

(By Alan Gould)
(Associated Press Staff Editor)
(A.P. By Guardian's Special Wire)
BRADENTON, Fla., March 6.—There won't be any feuds this year between the National League's two most colorful and commanding personalities.

I have the solemn word of Jerome Herman ("Dizzy") Dean that he holds nothing but admiration and the highest respect for George Herman ("Babe") Ruth. In fact Dizzy asked me today to carry the olive branch back to the Babe at St. Petersburg and tell the veteran slugger that he ("Dizzy") will do the best he can to strike him out when they meet in an exhibition game on March 20.

"Let's get this all straightened out now," said the elder of the celebrated Dean brothers, "as we sit in the clubhouse of the world champion Cardinals' training camp. "They have been putting me on the pan for what I said about Ruth, when I first heard he was coming into the National League. Maybe I popped off sudden-like, but they got me wrong. "I haven't got a thing against Ruth, personally. I think he's a great guy as there has ever been in baseball. He's my friend and he's given me some good advice. In fact I credit him with being one of the influences that helped me make more money in baseball. If he goes good in our league this year—and I hope he does, against every club but the Cards—it will mean \$5,000 more on my contract for 1935.

"We will outdraw the American League all around this season, with Ruth helping to pull in the fans. I can't understand how the club owners of that league ever let the Babe get away. That's what I meant when I criticized the American League now and then. It has been so short-sighted as not to give their greatest player a manager's job.

"What I said about Ruth, otherwise was on account of my friend, Bill McKeehan. My first thought was that the Babe's coming to the Braves would cost Bill his job. I know McKeehan, and I know if he felt it was casting any reflection on him personally."

Kensington Aces Win Baker Cup

In a rough and tough struggle the Aces hung the "Indian sign" on the Maritimes when they defeated the Marne on Monday night by a score of 1-0. The slogan of the great French army at the first battle of the Marne under "Papa" Joffre "Is ne passeront pas" was emulated by the marvelous net minding of Weston Campbell the school boy sentinel, who certainly did not let them pass. It is rather a coincidence that Don Baker went directly from Kensington High School to "big time" goal keeping and from one's limited knowledge of psychiatry and physique it is felt young Campbell has great potentialities as a hockey net guardian—and is likely to go to far places.

The Aces have now qualified to enter the Lea and Wright trophy contest and they will have the best wishes of the home fans for a continuation of success. The Reids' Corner sextette played a hard and fast game and out-bombarded Campbell heavily, but the fickle dame "Lady Luck" did not smile on their efforts. The Kensington and vicinity hockey fans plan to stage a memorial concert and buffet high tea in honor of the Aces, in the near future to commemorate the victory.

The first period started slow but quickened considerably after five minutes of play. No penalties were handed out, but checking was very close and heavy. A lot of chances were missed around the net by both sides. No score.

The second period was faster from the whistle, Lefursey drawing penalties for using the elbow, Kier Duggan of the Aces and Bruce Crozier of Reids' Corner both suffered minor injuries. No score.

In the third session play was more cautious for the first ten minutes. At the 13 minute mark Fred Profit registered the winning tally, assisted by Fred Semple and Urban Champion. Reids' Corner then sent five men up in a last desperate effort to tie the score, but all to no avail. Campbell was always in the right place at the right instant. Referees Jay and Steele handled the game satisfactorily. In the last period Duggan and Lefursey had a heavy accidental collision in centre ice, both fell heavily to the ice after the impact, but after regaining their senses were able to finish the game.

Primrose Sisters And Rivulettes To Play Semi-finals In Summerside

FORM DOMINION CURLING ASSOCIATION

Word was received at Summerside shortly before noon yesterday that the Preston Rivulettes had accepted the terms of the Primrose Sisters manager of a guarantee of \$500. Mr. Lee Linkletter had experienced some difficulty in arranging terms with the Preston team, who demanded \$600, before they would consent to come to Summerside.

Mrs. Myrtle Cook MacGowan, President of the Canadian Women's Hockey Association, was appealed to and she stated over the telephone that the Summerside team need only guarantee \$300 and if the Preston players would not accept those terms, they would forfeit the eastern title to the Summerside Sisters.

The Summerside girls decided to offer them \$500 as they wished to win the title on their merits rather than by the other team's forfeit. After much anxiety and much telephoning, the Preston girls agreed to accept the offer.

There will be two games, one on Friday evening after the arrival of the Preston team and one on Saturday. The winners will meet the Western Canada champions for the Dominion title.

The lineups of the two teams are as follows:
Primrose Sisters—Goal, D. Harris; defence, Ella Gay, M. Boswell, M. Montgomery; forwards, Mrs. Ralph Silliphant, Viny Jones, Zilpha Linkletter, Ray MacLellan, Alice Noonan, M. Gallant.
Preston Rivulettes—Goal, Ranscombe; defence, Sault, Parr; forwards, H. Schmuck, H. Ranscombe, M. Schmuck, Marriette, Fairgriens, Hawkins.

The Rivulettes are spoken of by Prince Edward Islanders, who have seen them in action, as a mighty smart aggregation of puck chasers, and that the Summerside girls will not have an easy task before them if they are to retain their reputation of never having known defeat.

That the Rivulettes won out in the game with the Montreal Maroons shows that they are no mean team. Looking over the lineup of the Crystal Sisters, however, there are quite a few names that figured in the first Crystal Sisters, and you may be sure that their previous reputation of nine years and not a defeat.

Mr. Clifford Montgomery, their coach, has every confidence in the girls. "They have a strong team, the new comers on the line-up have strengthened rather than weakened the team," he remarked, and the Rivulettes will meet their match on Friday night.

Special arrangements are being made by the management of the Crystal Rink, to accommodate the fans and it is hoped that the girls will receive the support of the whole Island in this, their first chance for the Dominion title. The girls will do their part and expect you to do yours.—S.

Entrain For Summerside
PRESTON, Ont., March 5.—Preston Rivulettes entrained tonight for the Maritimes where they will meet the Summerside Sisters of Summerside Friday.

The winners meet Edmonton in the finals for the ladies' hockey championship of Canada. Expenses are being guaranteed by the Eastern club to the extent of \$500, and a subscription list to take care of the remainder has been opened by a donation of \$100 from the Industrial Committee of the Town Council. The Rivulettes will arrive at Summerside Friday.

Monarchs Lose To Eng. Team

LONDON, March 6.—A representative English hockey team, including several Canadian-born players, defeated Canada, represented by Winnipeg Monarchs, 2-1 tonight at Strettonham. A crowd of 3,000 saw the game, England's first victory over the Dominion in international ice competition.

A Canadian player, Coulter, scored both England's goals while a Canadian goalkeeper, Gerth, played brilliantly to keep the Monarchs off the score-sheet until the last minute of the game. England's first victory over the Dominion in international ice competition.

All star team picked from the competing teams of the Bethune League, Northern Section, has challenged the Hunter River Royals, this season's winners of the trophy, to a two-game series, goals to count, the first game to be played at Hunter River, Thursday, March 7, the other at New Glasgow, Saturday, March 9. This should arouse considerable interest among hockey fans in the district and it will be a splendid opportunity to test the merits of the Royals team.

LINEUPS
All Stars: goal, H. Chandler at Hunter River and M. Bullman at New Glasgow; defence, F. Crabbe, A. Gallant, H. Dickson, K. Stevenson; forwards, T. Rackham, J. Rackham, F. Doucette, E. Gallant, R. Stevenson, D. Roberts, R. Dickson.
Royals: goal, W. Waits; defence, C. Se'ar, W. LePage, R. MacMillan; forwards, A. Wedlock, F. Boyle, V. Nov, A. MacDonald, G. Woods, D. Whitlock.

Few Foreign Entries In Tennis Meet

NEW YORK, March 6.—For the first time in five years the men's United States indoor tennis championships will be purely domestic without even the irrefragable Jean Borotra of France taking another shot at the title which he has won four times.

While officials seeded eight players today for the 36th annual tournament which starts Saturday, they lamented the absence of an entry from Borotra.
